A COLLEGE ANNUAL is different from any other publication. It pleads no cause; it tells no connected story; and the factual history it presents is only incidental. And yet, in interest and vitality, it is rare among books as evidenced by the eagerness with which its subscribers stretch forth their hands to grasp it while the ink is still moist and the rapt attention which they focus on its contents, page by page.

This yearbook might well be called "A Moment in College Life." Technically, it is a still picture, but imagination brings every image to life and memory supplies the elements of enthusiasm, disappointment, the sense of plodding effort, the satisfaction of accomplishment, and the abiding contentment of life amid satisfying associations.

Those of us who teach and direct at Oregon College of Education will read this book as eagerly as those who study, and in addition to this, we shall cherish it, along with its predecessors of many past years, as presenting a picture of the Alma Mater that no factual history can ever give.

C. A. HOWARD
President.

Campus Life

An individual’s education, the outgrowth of his various activities, develops in college from his studies, from participation in organizations, and from personal contacts with students and faculty. With 27 organizations on the campus, the Oregon College of Education provides a variety of extracurricular opportunities for students to experience growth in their special interests and abilities, and nearly every student is associated with one or more of these groups. Enriching campus life also are many sports events, dances, assembly programs, play days, and similar affairs.

All of these factors—the essential academic training, the valuable extracurricular experiences, the personal relationships—contribute greatly to the development of a wholesome, well-rounded personality that can cope successfully with problems of everyday living.

Homecoming Rah-Rah!

Friday, October 18th, launched the homecoming activities that were carried over to the victory dance Saturday night celebrating the 20-0 triumph over Reed.

Friday evening’s festivities were started with a downtown student serpentine that led eventually to a pep-rally in the Campbell Hall auditorium. Students popular in the days recalled, that night appeared before the student rah-rah squad. The most prominent speaker present was Wendell Van Loan, Alumni president; most enjoyed was jovial Ed Miller, 1940 graduate. After the yell king and queen had mixed up a lot of mutual fever, the Rook bonfire burned itself into every person’s memory. The rest of the evening was divided between a weiner roast on the intramural field and two-by-two seclusion anywhere.

Saturday afternoon’s football clash was enlivened with mums and a joint Staff and Key and Collecto drill team at half-time. Saturday evening, the week-end events were climaxed by a dance in the gymnasium.

A Word from Al Cox

The fine cooperation of students, faculty, and townspeople has made this a successful year for both the athletic and recreation programs of O.C.E. Our championship basketball team deeply appreciated the loyal support given to it by everyone.

We have played together more in the past year than ever before, and have liked doing it. An all-school play day, and various kinds of "Play Night" programs are a new emphasis on the campus that is wholesome and valuable to all. Better understanding of each other, better health, and citizens better equipped to do their part in this grand country of ours should be the result.

J. ALFRED COX.

Varsity "O"

The Varsity "O", the men's lettermen club of the campus, has, at the present time, twenty-one members. Its main purpose is to further interest in the major sports of the school. Those eligible for initiation include award winners in the major sports, football, basketball, baseball, tennis, and track.

During spring term, Varsity "O" veterans initiated award winners of the year.
FOOTBALL

At the beginning of the 1941 grid season, 25 men checked out equipment for the first practice. Only five lettermen were back to strengthen the graduation-stricken squad.

The team made an enviable record by completing an untied and undefeated schedule. In amassing 119 points against their opponent’s 18, the wolves defeated Pacific College, Reed College, and the University of Portland freshmen. Home-and-home games were played with each of these teams.

Highlight of the football season was the annual homecoming game played against Reed College and won by the Wolves, 20-0. The University of Portland Frosh proved themselves a definite threat to the Wolf record; however, the Frosh were defeated on the local field, 6-0. At Portland the Frosh led 12-0 at the end of the third quarter, but failed to stop two fourth-quarter touchdown drives by the Wolves and O.C.E. eeked out a 13-12 victory to keep their unbeaten status.

Returning lettermen were Lou Mason, Hilo Hankel, Carl Szedlak, Ted Barnes, and Myron Vleck. These men all received awards again this year. Those who received their first letters are: Terry Scott, Harold Graven, James O’Connor, Walter Jaross, Bill Stryker, Ross Graham, and Junior Hartman.

BASKETBALL

The Oregon College of Education varsity basketball team, coached by Al Cox, upset pre-tournament dope by winning the Oregon Intercollegiate Conference title and the right to represent Oregon at the national tournament in Kansas City.

In winning the tournament title for the second time in the last three years of competition, the Wolves trampled Mt. Angel, Eastern Oregon, and Southern Oregon. Holweger was chosen for the tournament all-star five, and Mascal and Hansen were named for the second five. Hogan and Hartman received honorable mention.

In addition to the games with the members of the newly organized Oregon Intercollegiate Conference, the eleven-man squad played Humboldt State a two-game series and local independent teams. The Wolves defeated Bradford's Clothiers of Portland, A.A.U. Independent champions of Oregon.

A slow starter in league play, the O.C.E. varsity finished third in the standing of the five-team league. By the end of the state tournament, however, its winning streak had been stretched to seven consecutive games. Coach Al Cox combined a fast break with a set offense and used a man-to-man defense.

Members of the eleven-man squad, all of whom won awards, were: Carl Szedlak, Chester Hogan, Henry Mascal, Gene Holweger, Junior Hartman, Myron Vleck, Tom Hansen, Terry Scott, Charles Shaw, De Losse Maulding, and Robert Reed.

Returning lettermen were Walter Jaross, pitcher; Carl Szedlak, outfielder; Glenn Burch, 3rd; Earl Tuthill, ss.; James O'Connor, outfielder; and Bill Rush, catcher.

The tentative schedule listed ten games with a possibility of others being added.

INTRAMURAL

Seasonal sports are organized each term with the regular physical education courses serving as a medium program. All-school play-days held each fall and spring term help to keep interest alive in the keenly competitive sports.

Football, basketball, softball, handball, badminton, table tennis, volleyball, and horseshoe championships were decided by supervised play-offs.

Head of the intramural department is Dr. Willis Merriam, and through his inspiring leadership the program has been extended despite decreased enrollment.

Freshman Basketball

Freshman basketball, under Coach Ralph "Moose" Mohler, had its most successful season in its three years of existence on the campus. Originally organized as part of an extended intramural program, the freshman sport has become the proving ground of future varsity players.

Under the capable guidance of Mohler, former O.C.F. basketball star, the Rooks completed an undefeated season by extending their winning streak to fifteen games. Among the victims were Dallas, Independence, Sweet Home and Lowell, Lane County "B" champion.

Members of the Rook team were Pete Macnab, Stuart Macnab, Tom Wilson, Clifton Miller, Bill Albin, Charles Phelps, Vernon Larson, and Charles Holt.

It has been the aim of the Women's Athletic Association to further the goal of sportsmanship and leadership in addition to the promotion of skill and interest in athletics.

W.A.A. has paid allegiance to the student body organization by entertaining with frequent "Play Nights," and evenings packed with hilarious games and romps in the Physical Education building.

In order to insure ample opportunity for participation and interest by all women students, the W.A.A. program offers a wide range and variety of activities.
Girls Tennis

Although hampered by early season wind and rain, the Wolvettes faced a 12-game schedule with a fairly strong squad. By the end of April the feminine racket swingers had prepared themselves for their nine-match card. Co-coaches Fabricious and Lautenbach formed the squad around three lettermen and drew their two other aspirants from the reserves. Returning letterwomen are June Russell, Marget Syverson, and Barbara Ruef. Other members of the five-place squad are Hope Rumbaugh and Mary Lou Sears.

April 15—Albany, Monmouth.
April 24—Reed, Portland.
April 29—Pacific, Monmouth.
May 1—Willamette, Salem.
May 7—Reed, Monmouth.

May 9—Albany, Portland.
May 13—Linfield, McMinnville.
May 15—Willamette, Monmouth.
May 20—Linfield, Monmouth.
May 23—Pacific University, Forest Grove.

Girls Basketball

A series of basketball games starting at 6:30 under the auspices of W.A.A. finally gave the Freshman class the school championship. House teams of the independent and dormitory groups competed for team championships. Each girl was awarded points toward an Order of "O" award.

Members of the championship Freshman team were: Ruth Erlich, Mary Sears, Virginia Johnson, Barbara McClellan, Pauline Moore, Jean Park, Jean Pesheck, Maxine Loosley and Arlene Bristlin, captain.
Volleyball

The women’s volleyball championship game resulted in a 38-26 victory for the Juniors. Members of the winning team were: Jewell Hendrickson, Ruth Carson, Winona Johnson, Evelyn Weeldreyer, Margaret Syverson, Virginia Harris, Marjorie Munsen, Barbara Ruef, and Lenore Clemo, manager.

Tumbling

The girls’ tumbling team was very active this year. They furnished half-time stunts for the basketball games and thus made the student body conscious of their extended activities.

Members of the team are Barbara Ruef, Ida Morelli, Helen McPherson, Mae Lumijarvi, Jewell Hendrickson, BarbaraMcClellan, Ruth Ehlich, Virginia Johnson, Jean Pesheck, June Russel, Nadine Beckley and Esther Connor, manager.
Hiking

As marching men tramped throughout the world, O.C.E. co-eds fell in line. With no military dream of conquering the world, their motive was 50 points toward Order of the "O" membership. Organized under W.A.A. and headed by Irma Anderson, the hiking club makes possible diversion from the day's classroom activities.

Folk Dancing

Folk dancing, a branch of W.A.A., of which Irma Anderson is head, serves as a medium for pleasant association. The organization directs its activities toward reviving and continuing the intricate steps and rhythms of old folk dances of the past generations.

Those participating in folk dancing were: Phyllis Boyd, Bonnie Bartlett, Ruth Erlick, Marvel Coon, Pauline Moore, Margaret Syverson, Arlene Brislin, Helen McPherson, June Russell, and Irma Anderson.
Classes
Three years ago the class of 1941 matriculated as Freshmen with a vague and obscure goal as their motive. It was a goal that seemed far away, elusive, and surrounded by barriers. But as each member of the class came closer to the terminal point of this phase of their education, the real significance of their collegiate environment unfolded, became more obvious.

Realization of the advantages extended to it here, and the comradeship developed by intramural and inter-collegiate athletics, made a collegiate life seem a valuable possession and a pleasant experience.

As this class of 1941 takes its leave from its alma mater to become a part of the self-governing, decision-making democracy that is becoming more significant in the face of ominous events, it departs with mingled feelings of regret, pride, and endeavor.

Up from the lids and ribbons in the position of Freshman class the Junior class each year comes into the second stage of collegiate scholastic metamorphosis. The traditional task is the enforcement of initiation rites. The real test of a group comes in a crisis and last fall’s Rook rebellion proved that the Junior class has the qualities that make a class great.

The class looks forward to graduation from this institution with earnest ambition and a will to achieve. Whatsoever responsibilities it is charged with in the next two years, as individuals or as a group, those responsibilities will be discharged with thought for the effect such an action will have on the future of the class and its status. The class has been tried and found not wanting; it will reach its goal.

The Freshman class highlighted its first-year history with several memorable events. Traditionally a freshman function is the annual homecoming bonfire and the Rooks erected a larger framework than any O.C.E. Freshman class had ever done.

Background for future student body leadership was gained by many members of the class through various activities. Among these were the winter term barn dance, a spring term assembly, and the annual spring term formal.

The freshman girls gained the all-school basketball champion by winning the inter-class play-off.
