REMINDEI ALL IN
RE REGISTRATION

Registration is an obligation and responsibility of the individual from cradle to casket, from the post-natal to post-mortem period, from our entrance into will our exit from this world.

The various types and stages of registration follow:

1. BIRTHS and DEATHS are registered at the local hospital.
2. MARRIAGES are recorded at the welfare section of the community management division.
3. UNITED STATES CITIZENS of JAPANESE EXTRACTION or PARENTAGE should register at the education office, 33-1-1, for Selective Service within five days after attaining the age of 18 years. When you register you are given a small card called a registration certificate which shows that you did register. It is important that you keep your registration certificate with you at all times. Do not lose it. If it is lost or stolen, go at once to the education office and they will give you another registration certificate.

Any person obligated to register may exercise his choice of registering in the local Selective Service board having jurisdiction of his home or of the place where he then is.

Selective Service does not in any case attempt to control the decision of the prospective registrant, but it is most desirable that he register in the area in which he will likely be during the period in which his case will be considered by the local board.

It is advisable that all Project residents who are hereafter obliged to register, in compliance with the Selective Service Law, give the address of the person online two of the Registration Card as the place of residence.

4. AMERICAN CITIZENS OF JAPANESE AMERICAN MILITARY AGE 18 to 37 years of age inclusive who are not certain that they listed complete information concerning local Selective Service Boards at the time of registration early in 1943 are required to send name, number and address of their boards to the Relocation Planning Division, Washington, D.C.

It is essential that the records of each individual be brought up to date at once.

5. UNITED STATES CITIZENS OF JAPANESE DESCENT or MILITARY AGE 18 to 37 years of age inclusive are reminded also of the importance of keeping Selective Service Boards notified of all changes of address.

Responsibility for such notification rests with the individual.

A man who cannot be located and notified to appear for pre-induction physical examination when his order number appears will be reported as delinquent and is liable to severe penalties provided under the Selective Service and Draft Act.

AVENUES LEADING TO RELOCATION

NEW YORK, N. Y.—Having the distinction of being the first Negro to open her own business in this city, Tokiko Ann Takahashi, formerly of Granada, has been successfully operating her own beauty parlor, the Bonneville Beauty Shop on upper Broadway, since last October.

Most of Miss Takahashi’s customers are Caucasians, and she is assisted in taking care of them by a young Japanese-American girl who worked for five years in the same shop before the present owner.

BUSINESS IS GOOD

Business is good, according to Miss Takahashi, and she plans to renovate her parlor as soon as she can secure the necessary equipment.

She worked for several months as a hairdresser in another New York shop before going into business for herself.

Around the corner from her beauty parlor, in an apartment near Riverside Drive, Tokiko Ann lives with her sister Hae, who is a stenographer in the New York headquarters of the Lutheran Welfare Council.

CONTINUES EDUCATION

Hae was attending Manual Arts High School in Los Angeles at the time of evacuation. She continued her education at East High School and was a member of the first graduating class a year ago.

The Takahashi sisters plan to bring their mother, Mrs. Kinako Itô, and their stepfather, Kenzaburô Itô, to New York in the spring. Mr. and Mrs. Itô are now living at 63-5-8, Granada.

“My sister and I have liked living in New York right from the beginning,” Ann said, “but sometimes everything has worked out satisfactorily, we felt readjusted soon after our arrival.”

One evening weekly, Ann attends an adult education class in sociology at Columbia University, which is in a few blocks from her shop.

7. RELOCATES AND THOSE WHO HAVE SETTLED ELSEWHERE, ranging in ages between 18 and 45, must write to their draft boards, indicating their new address, the types of job, and current marital and dependency status. Each time an evaucee moves, the same procedure must be followed.

Young relocates reaching their 16th birthday are required by law to register at ages with the nearest Selective Service Board.

8. ALL ALIEN RESIDENTS IN WAR RELOCATION CENTERS are advised that they should immediately report to the Department of Justice, Immigration and Naturalization, Allen Registration Division, Philadelphia, Pennsylvania, an Alien Registration Change of Address Card, Form AR-11 (Revised).

This is the same card which aliens outside of Relocation Centers are required to use, and it is necessary that every change of address be recorded.

Any other alien required to be registered under this title shall notify the Commissioner of the Alien Registration Division in Philadelphia in writing of his address at the expiration of each three-months period of residence in the United States.

9. ALIEN EVACUEES PLANNING TO LEAVE THE CENTERS on seasonal or indefinite leave must be absolutely certain they understand and comply with all Department of Justice regulations regarding enemy aliens.

These regulations require that enemy aliens apply to the U.S. District Attorney in the State in which they are living at the time for permission to travel from one city, or town to another.

Application for permission must be made at least seven days before any trips can be made. For further explanation of these regulations, contact the local Project attorney’s office.

10. VIOLATION OF ANY OF THESE REGISTRATION RULES AND REGULATIONS is liable to penalties.

It is the duty of the Commissioner and responsibility of every resident of this Center and every relocate to abide by the various registration rules and regulations and comply with the provisions of the Selective Training and Service Act.
NEISEI IN KHAKI

Two weeks ago, some 100 boys, taken from the different companies of the 442nd, were collected to form a regiment to replace the 100th Infantry casualties.

Among them was Ken Morikawa, whose father resides in Honolulu. Mr. Morikawa perhaps is the first center mainlander to be sent out to combat zone in the European theater. He volunteered while out on seasonal work in Montana, and has been training in Shelby since last July. He is now at the Replacement service board 100.

Yoshio Elytn, one of the two Neisei called to service from Heart Mountain on January 23, was registered at Santa Anita.

The Pasadena board in July, 1942, registered 1,000 Neisei and announced that reclassification for induction of these men will mean little likelihood for the need of drafting pre-Pearl Harbor fathers in that district for some time.

More than 100 Neisei registered with the board have already voluntarily enlisted in the services.

About 2,000 draft age men of this Center were giving serious consideration to the future in view of their imminent call to service.

The men's doubles titles narrowly edged out the combination of Kanenaga and Mishi in the semi-finals. The champions dropped the first game 12-21, but went on to nab the other two, 21-19, 21-19.

COURT OUT

TENNIS TOURNAMENT

PLAYERS—The Shugo Seno-Dick Kurima combination in Sunday's men's doubles tennis tournament won the Center doubles title after narrow victories in the semi-finals against Takashi Kanenaga—Charles Mishi, 18-21, 21-19, 21-19 and came through with flying colors in the finals by trouncing Yoshio Tsuchiya-Oda, 21-19, 21-16.

TAKASHI KANENAGA—Ultimately but mightily Takashi Kanenaga and his big partner Charles Mishi who finished third in the men's doubles, were one of the biggest attractions during the Center-wide tourney and had the "fanatic" fans screaming and laughing like the followers of Frank Sinatra.

STARTS EARLY—The youthful, 10-year-old (will be 11-years-old in March) Takashi Kanenaga, a sixth grade student in the Center grammar school began his ideal sport, ping-pong, in Florin, Calif., but not on a slick table and with a fancy net. He claims that his floor in his home served the purpose of a ping pong table and a few suitcases out of the closet was used for the net.

EX-PACKER IS CALIFORNIA NOW—Sixteen-year-old Bob Nakasima, former and on the Pecker lightweight football team and recently selected left end on the Center All-Star lightweight grid eleven is now resident of Long Beach, Calif. He left the Center last week to join his sister, both are of Mexican and Japanese descent.

A BASEBALL DISSERTATION—Have you heard about the ball game where a touch in for his "girl friend"? When she wore the new dress, it had a diamond back, a grandstand view in front and a lot of beautiful curves.

NISEI IN KHAKI

ment Depot at Fort Meade, Maryland.

PFC Will Mishima, originally of the Eq. Co., 1st Bn., another one of the handful chosen, writes:

"I don't know when we'll be back again, but we're praying that it will be this year. But maybe, never." If, and there's a pretty good chance I should die, I want you to know that I'll die without regrets.

"I doubt there'll be lots of unnecessary worrying; going on at home, and maybe grief too.

"Forever, I'll have the satisfaction of having the honor of being able to sacrifice myself so that you folks who have been oppressed by other elements may be able to establish yourself in this country. Truly, it is a worthy sacrifice."

Mishima is attending the University of Oregon prior to volunteering, and was one of the outstanding students.

Mau-born, PFC Richard Koga, who visit-

ed several times with Eq. Co. 3rd Bn., also pens a few lines:

"Everyone is in high spirit like we have always been, but how long it will last, we cannot say. I am not to be making prophecies. All in all, I am hoping that it goes on just as we are......one for all, all for one."

Others who visited this camp, and are among those in this group are: Islanders, Kazu Matsumata, Yutaka Kubo, Donald Okamoto, Issei Imada, and Kaz Chiba from Portland, Oregon.

THEY HAVE A PROGRAM TO FOLLOW

This youthful contingent, 160 in number having been in service 10 months at the longest, realize they have a precedent they must follow.

To keep pace with the 100th Infantry will be a difficult one......but they are determined to keep the good record set by their "big brothers" and go into combat in the same spirit they would have done, were they to go with the 42nd.

They are "going for broke."

Fellowship

George Fukuda was elected president and Joseph Fukuda secretary-treasurer of the Youth Fellowship Sunday evening at 20-11-D.

Rev. George Aki, Buddhist Sunday school, left late. George services were held in Hall 23 and Dining Fall 41 with Rev. Tadao Kouchi and Mrs. Emiko Matsuoka as speakers.
