LAMRON STAFF NOTICE

The next general Lamron staff meeting will be held on Monday, Dec. 5, at 8 p.m. in the Lamron building. This is the final meeting of the year, and anyone interested in student publications is asked to attend and to offer constructive criticism.

The editorial staff, news editors, and copy editors will hold a meeting each Monday night to plan the next week's paper. Reports from Lamron workers are asked to be kept in close touch with their respective editors.

Coriscan Brothers

Raise $22.20

The movie "The Coriscan Brothers" was chosen as the money-raising project for the OCE Social fraternity. Following the screening, the members of the fraternity held a "raffle" of the movie tickets to be given to the first person who bought a ticket.

I DISAPPOINTED CEASE

In Your Relations

It is sometimes said that business comes before pleasure, and Dr. Barrows asked the members of his fraternity to be strong believers of this statement at last Tuesday, after he gave his members a "tutorial" course in business courtesy.

At the end of his lecture, Dr. Barrows dished out in the union and chatted with the members of his fraternity who finally decided to leave it to

Crimson & White

Christmas Plays

The cast for one of the one-act Christmas plays to be given by the University Drama Club has been chosen. The play, "Christmas at Casey's," was built around the Casey family and all the trouble Mr. Casey has getting his friends prepared for the holiday.

The cast is made up of six characters, three men and three women. The names of the Casey family are Byron Hindman, the part of Mr. Casey, Robert MacDonald is Dennis, Joan McBride is Mary, Jane Gardner plays Kathleen, and Bruce Moorhead is John. Although the play is short, these characters must be quite convincing.

Elizabeth Hopper, a member of the later cast of practice as student director. After the performance the OCE students were given a chance to give this play for the Monmouth Civic club and for the other plays, to various social organizations.

Four Teeth Lost

In Heroic Rescue

OCE student, Larry Bell, lost four teeth on Christmas day. According to the police, he was hit by a car while walking.

Larry was going up the hill to the PE building. An Astoria policeman about 7:15 p.m. when he suddenly happened to be approaching. He was coming down the sidewalk without lights. With the skill of an OCE student, he was able to hit the little girl, who was walking a few feet in front of him, hoping to knock her out of the way.

Larry and the bike reached the scene. A checking of the little girl's injuries consisted of bruises and a deep cut on one knee.

We were all glad to see Larry back on campus. It was a sickening thing. Larry was taken to the hospital where he spent the night. The next morning examination showed dented ribs and missing teeth. The little girl's injuries consisted of bruises and a deep cut on one knee.

Vienna Choir

Back to School

Friday evening the house made their way through the heavy fog to Corvallis so OCE students could attend the Vienna Choir Boys' concert in the new Gill coliseum on the Oregon State college campus.

The program included a visit by the choir singing the Star Spangled Banner in English that revealed a strong foreign accent. The rest of the program was sung in German, with the choir's songs, and in English and a few that were sung in Latin.

After the concert one bus load of students were almost left until the driver checked and discovered he was short some 10 or 15 people. Finally it was straightened out and everyone was safe and sound.

The choir will be several more opportunities for OCE students to attend various concerts in Corvallis.

OSC Group Guests

At IVCF Meeting

A group of men from OSC will visit the IVCF meeting tonight Monday, Dec. 19, in room 1371 in the Oregon Memorial Student Union. At the 12:30 p.m. meeting will include a solo by Gary Huppe, music director of Phi Kappa Psi. Also included in the program will be a gus- ter by Ted Watkins and Wes Dyre. Dave Jannsen will be the OCE guest speaker.

Those who attended last year's meeting which featured the visitors from the Oregon Memorial Student Union will remember the interesting quality of the meeting.

Orchestra Views

Demonstration

Miss Betty Lynn Thompson, a dance composition class presented a demonstration of modern dance on November 26 at 8:15 p.m. in the PE building. This demonstration was given by Miss Thompson who introduced the girls of her classes to the audience. The girls were given the opportunity to use their skills and to learn from each other.

Vanquish Humble in Finale

A fast charging line and hard driving backfield combination here Saturday afternoon to give the OCE Wolves a 34-0 victory over Humboldt State, and the Wolves' 8th straight win of the season.

There was one sad part to this story. Robert Lee, OCE's Little All-Amerika, lay on the ground unable to be lifted for a badly bruised knee received in the Chico State contest. As his claim to the Pacific Coast scouring cover was lost last Saturday night, Dr. Barrows was set up for the TD's. TD's record could mean only 23 yards from scrimmage all day, but found time to score three times to run his season's total to 16 TD's and 36 points. Lee scored four touchdowns this season in 7 games.

Oaks' Concert

Proves Success

Katherine Castero, soprano, presented a very enjoyable concert Monday evening, Nov. 14, in the Campus hall auditorium. Her stage presence was interesting and the program included some 23 songs plus two encores, the first of which was the old favorite, "Oh! C'mon" through the hay."

The concert was not as well attended as the concert the year before, but the students attending were ready to enjoy the music. It was a perfect day for explor- ing the Oregon State campus and the students were ready to enjoy the music.

---

Have a Pleasant Thanksgiving!

The Red Cross mobile blood bank will be on the campus from Tuesday, Dec. 10, to Sunday, Dec. 15, in the PE building.

Anyone between the ages of 21-40 and married women between the ages of 18-21 may give blood with- out parental consent. Children under 18 must have parental consent. A driver's license or other form of photo identification is needed. To donate blood, the blood will be used, free of charge, upon request. You might be the one who needs it.

Someone in the dorm will be contacting students to sign papers, but we will not be free to drop around anyone. Your donation will be gladly accepted.

Nothing But Truth

By Miss Ruth Coter

Call it a hate or a blessing, but my obsession over the plight of stray animals is one of long duration. As a girl, I was ever aware of the depredations of feral cats. Years of the looking book of lost dogs has always haunted me. I was a city child, too, and the problem of permanently housing the many unwanted felines I carried or owned home must have been a taxing burden for my dis- fragile parents.

Fortunately in the East we have many societies for homeless or unwanted creatures. These may be taken to the humane society, or to an agent of the society would, upon request, make a house call. As fond as I am of my adopted state of Oregon, I firmly believe that pioneer work should be started and continued by the friends of neglected or abandoned animals. Places of refuge are needed in countless areas.

Take our own location of Monmouth, for instance. As far as I can discover, the nearest animal collection center is in Portland. True, there are various humane vets who will put to sleep unwanted strays, but neither of these is a permanent solution.

This procedure of gathering strays and raising for them can run into money! I'll illustrate with Skipper. He's my latest acquisition, whom I got quite by accident. I mean that literally. One day at about six o'clock, I made a call to a friend of mine, and as I was walking past Main Street on my way home, I heard a loud noise. I went out to investigate and found a stray cat in the middle of the street. I picked it up and brought it home, where I called Skipper. This is the first time I have acquired a cat, and I have been very happy with the results.

Skipper is a beautiful cat, and he has been a very good pet. He is very friendly and playful, and he loves to cuddle. He is also very good with children, and he is always ready to play. I have been very happy with Skipper, and I would recommend him to anyone.

Student Directory Issued for Fall Semester

Campus House News

Varsity House

After the Ohio game in California, Tom Hill, captain of the OCE campus Friday morning.

For some time now for the need of a more adequate address, the new directory will be issued. It will include addresses, phone numbers, and marital status of students and faculty has been added to the directory as well, as several club organizations.

Credit for the clever cover design "a wolf in the phone" goes to Bill Hill.

Wolf Cats will be on sale for $1.60 in Campbell hall and the administration building over the weekend. The price of the new cover will be $1.60, with $1.60 going towards the football season.

The offers here at the house probably will practice basketball or study with their extra time.

Three-Act play Committee

The committees have chosen to remain the production of "1949. The house is expected to be completed by the first of March. The play will be presented in the theater on Monday evening, Tuesday night, and Wednesday afternoon.

The committee is made up of students from various departments, including business, English, and art. The play is about a group of people who are trying to make ends meet in a small town. The story is told through the eyes of a young man who is trying to make a living in the town.

The play is directed by Mr. John Smith, an experienced stage director. The cast includes students from various disciplines, including music, dance, and the arts.

Several costumes have been designed for the play, including a variety of period clothing and modern attire. The set design is simple yet effective, with a focus on creating an atmosphere that is both rustic and modern.

The play is a story of struggle and triumph, and it is about the power of human spirit in the face of adversity. The play is a tribute to the resilience of the human spirit and the importance of remaining true to oneself in the face of challenges.

Improved Relations

The committee has made several improvements to the existing system of student organization, including the implementation of a new, more efficient registration process and the creation of a new, more user-friendly website.

The committee has also addressed several concerns raised by students, including the need for more transparent and accountable decision-making processes.

One of the most significant changes is the implementation of a new system for handling complaints and grievances. The new system includes a clear and concise process for filing complaints, as well as a dedicated team of trained staff to handle and resolve complaints.

The committee is committed to continued improvements and is actively seeking feedback from students to ensure that the new system meets their needs and expectations.

Varnished House

We want to thank those responsible for the new desks in the rooms. The Dog House is to be held in honor of the dog that was killed in the recent fire.

The new desks are made of mahogany and are very sturdy. They are also very elegant and provide a great deal of additional storage space. The committee is very pleased with the results and grateful for the support of the community.

West House

Good weather is expected for the remainder of the winter, so it is time to make plans for the future.

The committee is working on several projects, including the implementation of a new, more efficient online registration system and the creation of a new, more user-friendly website.

We are also working on several community service projects, including the development of a new outreach program for at-risk youth.

The committee is committed to continued improvements and is actively seeking feedback from students to ensure that the new programs meet their needs and expectations.

Macey Building Supply

Macey Building Supply is the leading supplier of building materials in the Monmouth area. With a wide variety of products and services, Macey Building Supply is your one-stop-shop for all your building needs.

Macey Building Supply offers a wide range of products, including building materials such as concrete, wood, roofing, and siding. They also offer a variety of services, including design and consultation services.

Macey Building Supply is committed to providing the highest quality products and services at competitive prices. They are dedicated to helping their customers achieve their goals and are committed to excellence in every aspect of their business.

We are looking forward to working with you on your next project. Whether you need building materials for a small renovation or a large construction project, Macey Building Supply is here to help you every step of the way.
Winning Season Brings Memories of '31 Wolves

OCE's undefeated football season has brought back memories of another great record, run up by the Wolves of a few years back. During the fall of 1941 OCE had the best football season in the college's history. The team of that year was coached by the legendary Larry Wolfe, who is well known in coaching ranks of the Pacific Northwest. Wolfe coached that team to a season's record of six wins, two losses, and one tie. On the surface this doesn't sound too bad but three wins were all decisive wins over strong teams and the losses were administered by ORC and U. of O. which is certainly not to be ashamed of.

The wins were over Linfield, Idaho Normal at Lewiston, Chico State, Evergreen, the U. of Idaho Iron and the always dangerous Pacific Lutheran squad from Tacoma. The game was with the power Cheney. Washington, Normal school. During that string only one game was played at home—with Chico State and the final score was 19-12, ONS. The Game with Cheney didn't sound so terrific but these three wins were all decisive wins over strong teams and the losses were administered by ORC and U. of O. which is certainly not to be ashamed of.

Varisty Grades

Coach Winners

Two former OCE athletes, Ward Stanley and Pete Jones, produced an unbroken and unlisted football fall at Estacada this fall when their team rolled up 49 points to a total of six for the opposition. The Estacada gridders, dubbed The Flicker Knights of the Clackamas, played regular football and basketball during the past season.

The high point of the season occurred last Tuesday when the Estacada squad beat Fairview grade school 7-6. The Flicker club had a 14-year-old fullback who stood six feet two and weighed 265 pounds! Stanley capped his career at end of the 1946 varsity and also a letterman in basketball, while Jones is lettered in football and baseball while at OCE.

I-Mural Meeting Set

Intramural Sports Commissioner Ralph Miller has announced a meeting to be held Tuesday evening at 7:00 o'clock in room 7 of the PE building to set up rules, regulations, and an intramural volleyball schedule for the season.

There has been some controversy over who should be eligible players. This and other points are to be discussed and all interested men are urged to attend.

Square Dance Club Organized

A Folk and Square Dance club has been formed at Monmouth, by a group of townspeople, college faculty, and college students. There has been an interest in folk and square dancing for several years so some local people held a meeting for the purpose of organizing a club Friday evening, November 14, in the city hall. Those attending the meeting included: Robert Know, John Black, Miss Ruth Lautenbach, Miss Lorraine Loef, Paul Lee, Jr. and Mrs. Melvin Elkins, Mr. and Mrs. McGregor, Mr. and Mrs. Bud Young, Mr. and Mrs. George Gish. It is the hope of the initiators of this club that this will be a cooperative community recreational project and in no sense a commercial endeavor. They have asked several good teachers who have volunteered their time to teach the dances and help organize the club.

 Theta Delta Phi

Initiates Neophytes

Last week a number of overburdened characters were seen wandering around the campus with large volumes under their arms. These were pledges who were being initiated into Theta Delta Phi, the men's honorary fraternity. All members are urged to watch these tournaments at present: Idaho, Idaho State, efficiency, and an intramural volleyball schedule for the season.

There has been some controversy over who should be eligible players. This and other points are to be discussed and all interested men are urged to attend.
