Dedication

To Miss Ruth E. Lautenbach, the Associated Students respectfully dedicate the 1945 Grove.

Her uniform fairness as a counselor and as a friend is recognized and highly esteemed by all who know her.

To her, we owe appreciation for the success of many of the social activities of the year.

FRANK SWASKI

And now, in the morning of life, when the golden clouds rest sweetly and invitingly upon the mountains, and the light of heaven streams down through the gathering mists of death, we wish you a peaceful and abundant entrance into that world of blessedness.

MISS JESSICA TODD

Miss Jessica Todd was counselor, benefactor, friend to those whose lives she influenced while Dean of Women at the Oregon College of Education.

Her strength of personality, her handsome and stately bearing, her love of beautiful things, her generous offering of a helping hand, made her one to be long remembered by all privileged to know her.

DEDICATED TO THE MEMORY
OF
DR. JULIUS ALONZO CHURCHILL

Proud to be known as a school man, and recognized as a leader in education, Dr. Julius Alonzo Churchill's career was ended on February 3, 1945, among teachers and students in an atmosphere most congenial to him.

He endeared himself to his co-workers and his students because of the sincerity of his efforts and devotion to work. Education was his chosen and purposeful career.

We salute Dr. Churchill for his outstanding career as an educator, for his devotion to the public schools and to those who worked with him.

O.C.E. Alumni Association

The program of revived alumni activities on the campus and throughout the state continued for the second year in 1945. At an Alumni Council meeting in April the previous officers were re-elected for a second year. These included: Susie B. Emmons, '22, president; Dorothy Goodwin, '43 (degree), vice-president; and Shirley Jarmon Hanby, '30, budget director.

Although the stress of war activities kept the alumni program at a minimum, a number of projects were continued. A second Christmas Greeting, in which was included a detachable snap of Campbell Hall, was sent to all members in the armed forces for whom addresses could be secured. This was carried out by the Campus Alumni Service Club, under the chairmanship of Mrs. Dessa Hofstetter. Almost 300 greetings were sent and the answering letters gave evidence of the strong "OCE spirit" so well nurtured during campus days. Again the Campus Club took the initiative in carrying out a program for honoring the incoming class of 1945.

"When is the next OCEAN coming out?" was a familiar question at the alumni office. Both students and alums looked forward to the Oregon College of Education Alumni News each term and found many familiar names and faces packed into the paper's six pages.

Hearing about the reunion of the 50-year jubilee class of 1893 and last year's very successful reunion for the class of 1894, the class members of 1895 requested a similar opportunity for renewing acquaintance with their Alma Mater on Commencement Day.
Student Administration
A.S.O.C.E.

Small enrollment and wartime difficulties have augmented the problems of the Student Council and other organizations for year 1944-1945. Again this year off-campus entertainment has been difficult to obtain. Talent from the students has provided material for assemblies and the occasional Saturday evening party. The Student Council has felt fortunate in being able to present to the students such programs as Dr. Millar of the Oregon Council of Churches, Margaret Scruggs, soprano from Willamette University in Salem, the Eugene Gleemen, Georgia Graves, contralto, Hazel Hildred, the Stephen Foster Girl, Gertrude Hopkins, distinguished harpist. Again, in December of this year, we were honored by the world renowned Roth String Quartet.

DORIS JOHNSON
President

VIOLA TIEDEMAN
Vice-President

HELEN PETERSEN
Secretary
Student Council

The executive committee includes: Doris Johnson, president, A.S.O.C.E.; Viola Tiedeman, vice-president and president of Student Council, and Helen Petersen, secretary.

Commissioners are:
Seniors—Elsie Matthes, women's athletics; Gilda Chapman, publicity.

Juniors—Berniece Bowersox, publications; Betty Moore, replaced by Luetta Furrow, winter term, clubs.

Freshmen—Ethel Lawless, entertainment; Gene Junor, social activities.

Faculty Advisor, Mr. Dewey.
The Associated Women Students, led by their president, Lillian Rautio, were very active this year. They assisted the various campus organizations in presenting a student-faculty tea every Thursday evening. Also they sponsored the annual print week.
The Julia McCulloch Smith Memorial Award of $25 is given annually to the senior woman who has achieved the qualities specified by the sponsor of the award, John E. Smith.

She must have achieved the greatest proficiency in scholarship, been the most successful in student activities, reached the highest development of character and intellectual leadership, and shown the most noble qualities of womanhood.

Doris Johnson, chosen by a committee of faculty members, is the recipient of the award for this year.

Soon after school was in progress the Juniors disclosed their identity to the Freshmen by initiation. This was a colorful event, what with the boys dressed like girls and looking so much like ladies of the world one scarcely recognized them.

Early in the year Miss Ruth Lautenbach was selected for the class advisor, and the main event of the year was the skating party held in Salem on January 19, 1945.

The Junior girls were active in W. A. A. and won the Volleyball and Basketball championships.

The Class of '48 started their college career by choosing Cordelia Wilken as their president.

They, of course, received the traditional initiation which meant being governed by the Juniors. During this time they gave a performance for an assembly. This included a song composed by Gene Junor and Myron Berggren and dedicated to the Juniors.

Their first social affair was a Christmas party for the entire student body, a party which was a great success.

The next event was a roller skating party for the Freshmen and their guests. A hilarious evening was spent on the fast rolling wheels.

A talent show was also presented at an assembly.

The girls took an active part in many of the organizations on the campus.

As for the boys—well, there were only four but their cooperation was splendid.

President: RITA BRUCE
Vice-Presidents: NANA CAHILL, DORIS BJORK
Secretary: BETTY McGUIRE
Treasurer: LOIS COATS
Song Leaders: HOPE SAMSON, NEVA FLOYD, ELAINE BRISTLIN

Under the direction of the new dean of women, Miss Helen Moore, and an efficient president, Rita Bruce, the girls of Jessica Todd Hall have experienced another successful year.

Although the girls have necessarily limited their activities, they have entered with great enthusiasm and have had many good times. Formal dinners, joyous firesides, weiner roasts, parties and other various group activities have all been memorable occasions.

This is the first year that East House has been a student off-campus house. The girls living there have participated in many varied activities. All of them are in the College Choir; they belong either to the Collecto-Co-eds or to Staff and Key. One outstanding event last fall was the Hallowe’en party; another the Thanksgiving dinner which Dr. Barrows and his family attended. The girls have sincerely appreciated the thoughtfulness and interest the housemother, Mrs. Mable Morrell, has shown.
Student Activities
**Band**

Small in number but strong in spirit, the OCE band has again survived the period of low enrollment. With the ever popular Mr. Christensen as director, the bandsmen have had much pleasure in their regular meetings. Talent for the band has come not only from OCE but also from the Monmouth training school, high school and community.
Women's Choir

The women's choir has been an active organization on the campus this year. The group is composed of approximately thirty girls who are interested in singing and who have sufficient talent. Director of the choir is Mrs. Florence W. Hutchinson.

The women's choir has presented several complete programs this year which included an assembly program at Thanksgiving and the annual Christmas vesper service. Prior to this year, the vesper service has been presented from the balcony but this year the vested choir sang from the platform.

The schedule includes music week activities, and special music for both baccalaureate and graduation programs.

Lamron

News of organizations, girls' sports, social activities, associated students, alumni, and faculty are reported in this four-page weekly publication which is managed and edited by students.

Since the journalism course was no longer offered, staff meetings were held throughout the year in an effort to acquaint those lacking previous journalistic experience with some of the principles. Opportunities also were provided for students to work with actual make-up at the printing office.

Outstanding weekly columns have been Spice by Nutty Meg and News of Alumni, the latter largely replacing the sports section.

Dr. J. F. Santee became the new advisor and his friendly interest and cooperation contributed to Lamron success.
