SAVE OREGON'S BEACHES FOREVER

DON'T LET THIS HAPPEN TO OREGON'S BEACHES

BEACHES ARE FOR KIDS . . . for Families . . . for Fun . . . and . . .
NOT for fences, barricades, no-trespassing signs!

Real estate promoters are trying to exploit the Oregon Coast as they have the Atlantic and California shorelines . . . as an exclusive playground for the few who can afford their extravagant resorts.

Don't let money-hungry promoters take your beaches for private profit.

Waves, sand, and sunsets should be for all Oregonians to enjoy equally.

Nearly 90,000 Oregonians hastened to sign the initiative petition to put Measure 6 on the ballot.

NOW we need your **YES** vote in November to guarantee that the beaches of Oregon be kept public forever.

Measure 6—the Beaches Forever Initiative

- Keeps Oregon's beaches public forever
- Provides necessary funds to buy non-public beaches and needed accesses
- Prohibits highway construction on beaches and sandspits
- Helps prevent littering and regulate motor vehicles on the beach

How much will Measure 6 cost you? NOT MUCH!

. . . when you consider what it will buy for you and your children forever.

- For four years only, it will cost the average car owner less than 13c a week gas tax.
- Tourists too will help pay for our beaches
- A trip to the Oregon coast from the Willamette Valley will cost about 10c—*You bet it's worth it!*

As a part of the Constitution, Measure 6 cannot be weakened or destroyed by legislative maneuvering.
