### Speech Expert To Be Speaker at Assembly

Mrs. Margaret B. Ringnald will be the speaker at the assembly to be held at 11 a.m. on Tuesday, July 14.

Mrs. Ringnald has had speech and drama education at the University of California at Los Angeles, creative dance education at the Norma Gould school of dancing, and dramatic education at the Martha Oatman school of drama.

She conducted a two-week workshop on this campus for this summer session, and is now residing in Salem doing work in dramatic therapy there.

She will talk on drama and how it may be used in the school room.

### Summer Dance Set For August First

The annual Summer Session dance will be held on August 1. It will be from 9:00 p.m. to 12 midnight.

The Glen Williams' five piece orchestra has been engaged to play for the dance.

The costume may be slacks and shirts for the men and summer cottons for the women if the weather is warm enough. There will be a charge of 50 cents per couple.

### 3 Sections Planned For Graduate Exams

All graduate students who have not yet taken the qualifying examination and who are interested in pursuing their graduate work further must take the qualifying examination. This should be taken whether or not they are ready to make formal application for admission for candidacy in the Master of Science in Education degree program.

The examination will be administered on Monday, July 13, in room 212 of the Administration building. Not more than 25 candidates may take the examination at any one time, so plans have been completed for three groups, one to meet at 9:00 a.m., one at 10:00 a.m. and one at 11:00 a.m. When candidates pay the \$3.00 fee in the business office they should sign a slip indicating which hour they wish to take the examination.

As indicated in last week's Lamronette, certified veterans under P. L. 346 and P.L. 16 may secure a requisition waiving the fee from Miss Hilderbrand in the registrar's office. When the veteran reports for the examination the examiner will require him to sign the requisition and leave it with the examiner. No student will be permitted to take the examination without payment of the fee or securing a veteran's requisition. The business office is open on week days from 1:00 to 4:00 p.m. and from 9:00 a.m. to 12 noon on Saturdays.

### Sign-Up Lags for Crater Lake Trip

Those persons interested in the Crater Lake trip should sign up with Dean Seavey immediately. So far there are only two who have signed up for the trip. However, there have been many questions asked concerning the trip, and the number indicates that there would be enough to take a bus should these people sign up. If you are interested in seeing one of the scenic wonders of the world, you should sign up immediately so that plans can be made for a bus.

### RETRACTION

The Lamronette committed an error when it stated that Dr. Plastrick presided at the tea on Tuesday, June 30, at 4 p.m. Dr. McClure and Dr. Haines gave the tea for their graduate students, and not for the faculty and students as stated. The Lamronette wishes to correct this error, and offers sincere apologies to Dr. McClure for this mistake.
