1951 JULIA McCULLOCH
SMITH AWARD WINNER

A committee of faculty members selects a senior woman to whom they award the Julia McCullough Smith Award each year. The qualifications for this award are unselfish leadership, graciousness, and the love of knowledge. This year the award has been given to Margaret Mills.
1951 WHO'S WHO

Front—Ruth Turner, Trudy Williams, Joyce Martin, Margaret Mills.
Back—Homer Ollert, Paul Lee, Ted Shorack, Forrest Mulkins, Ford Forster.

These are OCE's nominees whose names will appear in this year's publication of WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES.

For this honor the student must be a junior or senior, must show outstanding qualities in scholarship, leadership, and character, must participate in extra-curricular activities, and must show promise of future usefulness to business and society.

1951 ELOISE BUCK MEMORIAL AWARD WINNER

A committee of faculty members selects a student to whom they award the Eloise Buck Memorial Award each year. The basis for the award is outstanding accomplishment in creative writing. Ann Blackwell received the award this year.

1951 PHI BETA KAPPA AWARD WINNER

An award from the Central Willamette Valley Association of Phi Beta Kappa has been given to Emil Perkins, an outstanding freshman student in scholarship.

Students and Friends of
Oregon College of Education
Monmouth, Oregon

Dear Students:

The publication of this, the 1951 Grove, graphically records for all of you the activities of an interesting year at Oregon College of Education. These activities, as varied as the people who have participated in them, have built a mosaic of college life, a mosaic colored by learning, splashes of action, and designs of lasting friendships.

It is with pride that I note the many activities recorded in this annual, activities planned and administered by an enthusiastic student body. To the student body officers, to committee chairmen, to publication editors and staffs, and to the many other committees, teams and individuals who have contributed so willingly of their time and energies toward the building of this total program, I extend my sincere commendation.

For me, the year 1950-51 has been a memorable one, not only because it has been my first year on the Oregon College of Education campus, but because the year has been one of inspirational cooperation on the part of the entire student body.

Appreciatively yours,

Roben J. Maaske

A. S. B. PRESIDENT

As we who graduate look back over the school year (the many hours spent in classes, social and educational functions or just “shooting the breeze”) we cannot help but evaluate our efforts.

As president of the Associated Students, I, personally, am very happy with the support and help the student body has given to the council and to student government.

Under our constitution, the many details of initiating activities and carrying them out are the responsibilities of the individual commissioners; consequently, the council meetings serve as a place to discuss problems rather than to act as a social agency. The days of deficit spending are over, and we believe that we have the student body on sound footing, with a maximum of activities.

Good luck to all of you, and “Don't Forget Homecoming!”

The Associated Women Students, including in its membership all women enrolled in the College, is a valuable asset to the institution as well as to the membership. The purposes of this organization are the furthering of activities for women on the campus and the organization of student relationships.

A. M. S.

Ray Godsey, President

Bob Bushnell, Vice-Pres.

Walter Reed, Secretary

The Associated Men Students' Organization, sponsors of the Whiskereno, and the adopted Foster Child, has been actively engaged in activities that promote fellowship among the men students on OCE's campus.
F. T. A.

The John Dewey Chapter, Future Teachers of America, is an organization which aims at the goal of professional attitudes among students in teacher training. Membership is open to all students interested in education. Members of F.T.A. are junior members of the N.E.A. and O.E.A.

Activities this year included sponsoring visits to the campus of people prominent in education. This phase of the program was highlighted by the speech of Dr. T. C. Holy. Several students attended the F.T.A. and O.E.A. convention in March at Portland.

PHI BETA SIGMA

Phi Beta Sigma, honorary and professional teachers’ fraternity, presents the aspects of education, fosters the development of honor and integrity and encourages the growth of enlightened leadership. The members are chosen on the basis of scholarship, leadership, and service.

This year along with the publication of the annual "Phi Beta Sigma News Letter" the organization has added to the national "News Letter" which is distributed to all members of the fraternity throughout the various chapters on many campuses. The annual Homecoming Banquet and a dinner at the home of the adviser, Miss Emma Henkle, have been outstanding events of the year.
PEP CLUB

The Pep Club was organized two years ago for the purpose of working with the rally squad to promote an organized cheering section for all home games. Its members include the yell leaders and a maximum of sixty women students who are interested in promoting school spirit. During the Homecoming game, the Pep Club sold pom-poms and mums. At the other home games, everyone wears her sweater and cheers for the team.

FORENSICS

Under the direction of Coach George Harding and the assistant Coach Ivan Parker, this year's Forensics squad had a lively season discussing a topic of significant current interest: Resolved "That the non-communistic nations should form a new international organization." The debators traveled to the College of Puget Sound in Tacoma to take part in the Tyro Tournament and to Linfield College to take part in their annual tournament. Besides competing in these major meets, the squad held several debates with colleges in the vicinity.
COLLECTO-COEDS

Collecto-Coeds, one of the most active clubs on the campus, organized in 1927, is composed of women members who are unanimously selected for their outstanding qualities on five points: character, courage, loyalty, cooperation, and service. Since Collecto-Coeds is basically a "service organization," Collecto members may be seen around campus helping with and sponsoring many different school activities. The annual "Sweetheart Ball" given each Winter term is one of the main events. Each year Collecto-Coeds and Staff and Key hold a joint banquet and picnic.

Mrs. Lieuallen is the club's adviser.

INTER-VARSITY CHRISTIAN FELLOWSHIP

This group is an Evangelical student movement group which was started in the last century at Cambridge University. Its principles are embodied in the historic creeds of the church and are the key to Inter-Varsity's broad interdenominational backing from Evangelical churches which are conservative in their theology.
W. A. A.

The Women’s Athletic Association was established to further interest in athletics and good sportsmanship for women. Membership in this organization is open to all women students who are interested in sports. The W.A.A. provides a year-round sports program through the organization of such sports as volleyball, badminton, basketball, tumbling, dancing, softball, tennis, hiking, and bicycling. Members earn points by attending a certain percentage of the scheduled practices of these activities, and by taking part in the tournament. When a girl has earned a designated number of points she is awarded a letter or sweater.

ORCHESTRA

Orchestra, the modern dance club, consists of students with a genuine interest in the creative dance. Each spring the group presents a program for senior weekend and May Day. The club often goes to other colleges to perform and see others work in modern dance. Many trips are taken to see professional dancers.

Men and women students having completed one term of modern dance are eligible to try out for membership. The adviser is Mrs. Faye Knox.
THETA DELTA PHI

Theta Delta Phi, men’s honorary fraternity, is the scholastic barometer on the Oregon College of Education campus. The criteria for membership is based on high scholastic attainments in all fields of study. Traditional Thursday noon luncheons were sponsored and well attended. Walter Reid, Glenn Hall and Eric Schwab prepared a history of Theta Delta Phi and presented it at the district convention, held on the home campus, spring term. Ted Shorack, district governor presided over the meetings and events of the convention.

SIGMA EPSILON PI

Sigma Epsilon Pi, the women’s scholastic honorary fraternity, requires a grade-point average of 3.25 for two consecutive terms. The OCE Beta chapter celebrated its eighteenth anniversary this year. Carrying on a new tradition, the club compiled and published Wolf Calls, the student-faculty directory; fall term and supplements for the remainder of the year. The directory included a maximum of campus information and was received with great enthusiasm. Under the able guidance of Miss Jane Dale and Miss Joan Seavey, the organization enjoyed a successful year.

KAPPA PI

Kappa Pi, founded at the University of Kentucky in 1911, is the oldest art fraternity among the colleges today and has branches throughout the United States. Members must be interested in art in its widest aspects. They meet to discuss their work and the productions of other artists.

The Alpha Alpha chapter at OCE was founded on May 19, 1947, under the auspices of Pearl B. Heath, chairman of the art department. During the year the club has held a money raising project on the campus and worked on original pieces of art work entered in the spring at the National Art Exhibit.

ALPHA PSI OMEGA

The Kappa Mu Cast of Alpha Psi Omega, the National Dramatic Honorary, was established on the campus of Oregon College of Education in 1947.

This honorary serves as a reward for students who have excelled in all aspects of college productions. Students are chosen by means of a point system established by the National Cast.

Mr. George Harding, the representative of the Grand Cast on the OCE campus, is Grand Director.
STAFF AND KEY

Staff and Key, the oldest women's service organization on campus, is comprised of girls who have been selected for their outstanding leadership, scholarship, friendliness, cooperation, and loyalty.

The Staff and Key girls are very active, taking part in assemblies, selling refreshments at games, assisting with drives on campus, and sponsoring the “All-American” formal fall term, and the “Print and Cord” dance spring term. The girls also take part in skit night winter term, and end up the year spring term with a joint-picnic with Collecto-Coeds.

WOLF KNIGHTS

The major purposes of the Wolf Knights organization are upholding scholastic and social standards, keeping alive campus traditions, and creating a spirit of friendliness among students. Wolf Knights strive toward these goals by assisting at athletic functions, homecoming, ushering at chapels, assemblies, and plays, and sponsoring dances throughout the year. The Wolf Knights co-sponsor the Sweetheart Ball, one of the big events of the year.
WESLEY FOUNDATION

Wesley Foundation, the Methodist Organization for students on the campus, tries to provide a "Home Away from Home" for students as well as to promote Christian ideals and fellowship through Sunday evening meetings and social activities. Among other things, this year's calendar has included: Studies of World Religion, State Retreats at Camp Magruder, work days, Open Houses at Post's and Albin's, an All-School Sing, and an Anniversary Banquet.

LUTHERAN STUDENTS ASSOCIATION

The Lutheran students on this campus organized an L.S.A. (Lutheran Student Association) this year under the direction of Rev. Karl Uter, pastor of the Trinity Lutheran Church in Dallas.

On every second Tuesday, the meeting consists of a group discussion, and on the fourth Tuesday of a business and social meeting.

Among other things, this year's activities consisted of a special Christmas meeting, a retreat held at the coast, and the visitation of Oregon State and the University of Oregon L.S.A. groups for various meetings.
The Varsity "O" is an active organization comprised of men who have won a Varsity letter in inter-collegiate sports. All members must be initiated to become active in the organization. The present membership of Varsity "O" is 10.

The Varsity "O" sponsors dances, aids service organizations in their projects and gives an "outstanding athlete" award each year.

Each spring term an annual picnic is held with all members and alums invited to attend.

CRIMSON "O"

Crimson "O" is the dramatic organization on the OCE campus. The club is open to students who are interested, not only in acting in plays, but also in the production end of dramatics. Through participation in Crimson "O" members may earn points toward Alpha Psi Omega.

Under the supervision of Mr. Albin and Mr. Harding, the club prepared and gave several one-act plays, as well as three-act plays. This year "Our Hearts Were Young and Gay" was one of the more popular plays that Crimson "O" members helped to make successful.
