OUR CREED

I believe in Oregon College of Education, the home of those who prepare our youth for tomorrow, the staff of enlightenment for our posterity, and the memorial to those who have helped us come this far. I believe in the traditions in her unwritten book of standards, in her close-knit band of brotherhood and her helping hand extended for the multitude that grasps for it. Her high ideals for scholastic ability and sportsmanship shall be an incentive and example to help make our world a better place in which to live.

I pledge my unwavering loyalty and devotion to her as does the tawny wolf that bears her name. I shall proclaim her to all as a symbol of protection for today, security for tomorrow, and a better world for all in the future.
Dedication

We, the Grove Staff of 1957, dedicate this edition of the yearbook to our guide and advisor, Mr. A. Kenneth Yost. His vitality and sparkle have made our work a real pleasure.
OUR PRESIDENT

AND HIS MESSAGE:

Members of the Class of '57,

Commencement of 1957 closes the door upon that four-year period of your lives which you have spent seeking a "college education." The quality of this "college education" is only in small measure determined by the list of courses and grades upon your official records. The significant measure of quality is how your "college education" influences your actions and decisions during the remainder of your lives.

I recall so well the words of Dr. Otwell, our Religious Emphasis Week speaker, who stated, "Man's survival in these years immediately ahead depends upon the quality of relationship which he establishes with his fellows all over the world." It is my hope and the hope of my faculty colleagues that your experiences at OCE in our classrooms, in our activity programs, and in our living groups have equipped you to establish a quality of relationship with your fellows which will bring you individual success and satisfaction and which will also contribute to man's survival and ultimate triumph.

My very best wishes go with you.

Sincerely yours,

R. E. LIEUALLEN
President

PRESIDENT

Lionel Miller
O. C. E. prides itself on having its own student government. This government is presided over by a very capable student council, made up of student body-elected officers. These officers are voted on each Spring term so that they may be ready to take office the following year, with no delay. Any student who has been in attendance for two terms is eligible to run for one of these offices.
On November 2, 1956, thirteen graduating seniors were announced as this year's Who's Who. These people are picked on the basis of scholarship, participation and leadership in academic and extra-curricular activities, citizenship, service to the college, and promise of future usefulness.

O.C.E. is one of six colleges in the state to participate in this national program for recognition of college students.

Probably one of the most hard working groups on campus is our student newspaper staff. Each week the student body gets a copy of the Lamron to keep them informed of campus "goings-on" and local news. This staff headed by Tom Nash writes, edits, and supervise the make-up and printing of our student newspaper. All students interested in journalism are invited to become a member of this organization.

FRESHMAN WEEK

Frost Week started off with a bang. All freshmen were thoroughly confused, especially during registration. After waiting in line for two hours, the doors were thrown open and much to the freshmen's disappointment they had to wait in line again.

Tasty food, good company, and loads of fun highlighted the preregistration picnic.

"Sophomores' revenge," better known as dress-up day, produced some weird effects. Look....!
That ends that.

The lighting of the bonfire set off Homecoming Weekend. For a week, freshmen had been bringing their precious offerings to the site of the fire. The huge pile made a dramatic blaze.

At the talent show, house sign winners were announced. Arnold Ams was declared the winner for the second consecutive year.

The crowning of Queen Lois, O.C.E.'s triumphant football team and the Homecoming Dance will always be stepping stones in Memory Lane for those who were there to enjoy them.
Watch it go!

WASSAIL PARTY

Each year, immediately following the choir's Christmas concert, a Wassail party is held in Maple Hall. The delicious beverage is prepared and served piping hot to the happy recipients.
The Sadie Hawkins Dance, an annual event at O.C.E., is a traditional "Girl ask Boy" affair.

Costumed hillbillies flocked to Maple Hall to take part, burlap, old shoes, patched clothes, drooping hats, and what have you helped to create the proper mood for making this year's Swamp Stomp a big success.

ALL CAMPUS SING

"Toast to the Twenties" was the theme of O.C.E.'s All Campus Sing this year. This novel idea has been a great success on the campus. Almost every dorm participated and enjoyed this activity.

FOLKS FESTIVAL

Theme of the '57 Festival was Folks-Wagon. The purpose of the festival was to acquaint parents with campus life. The special activities for the parents included tours, a luncheon, Mon and Dad Club meetings, a talent show, athletic exhibitions, and an after-game dance. This year's festival was very successful.

For the first time in the history of the Oregon Collegiate Conference, Oregon College of Education failed to have a hand in the OCC football title. The Wolves wound up the season with a 2-2 record in conference play, finishing in a tie with Southern Oregon for second place. The Wolves had won four outright championships and tied for two others, to dominate the first six years of the conference. The Wolves wound up the 1956-57 year with three wins and four losses.

Wyman Gernhart again led the Wolves in ground gaining with 647 yards, averaging 6.2 yards per carry. Gernhart was named as "Most Valuable Player" for the 1956-57 season. He led the team in scoring (32 points), pass interceptions, total offense, kick returns, and tied for the leadership in pass receiving yardage.

Lineman who graduate are guard, John LaFountaine; center, Pat McManus; end, Gleason Eakin; tackle, Wayne Osborn; and one-year guards who graduate, Jack Knudsen and Ray Comstock. Fullback Erv Garrison is the only back who won't return to the fold.

Gernhart and tackle, Barry Adams, were unanimous choices on the OCC all-star team and Pat McManus shared the first team center berth. Seven OCE players were named to the honorable-mention list. Honorable mentions were: end, Gleason Eakin; tackle, Wayne Osborn; guards, Jack Knudsen and John LaFountaine; quarterback, Harry Santee; halfback, Don Lums-gair and fullback, Erv Garrison.

## STARTING LINEUP

O.C.E. opened their basketball season with several losses but spirits were not dampened, as was evident in the sixth game of the season with Linfield's Wildcats.

In a determined last-half-of this game, the Wolves overcame a 16 point lead, and tied the score with only 11 seconds remaining. A tied game when the 40 minute mark was reached, called for an overtime. O.C.E. won by a convincing margin of 6 points. In this game both teams shot better than 50%.

This team spirit became evident again when the wolves won over Eastern Oregon College and O.T.I.

The E.O.C.E. games were a great league upset. The Wolves topped E.O.C.E. both games to put these contenders for 1st place in a lower bracket. In both games O.C.E. held the opponents scoreless for the first 11 minutes. E.O.C.E. took the lead in the second half of each game, but the Wolves still held high score at the end of the final periods.

The season was highlighted by the Wolves upsetting the league champs in the last two games of the season. O.T.I. played here two consecutive nights with Wolves having complete control in both games. The graduating ball players, Cec., Miller, Dale Andrich, Doug Rogers and Daryl Girod gave top performances in ending their college basketball careers.

In the two final O.C.E. games, Cecil Miller hit 9 for 10 free throws and his yearly average was 82 out of 91 for a 901 per cent record. This high percentage placed him in second place for small colleges in the NCAA. O.C.E. had a season-end score of 1409 points against opponent's 1627, and our high point men were Miller, Rogers, and Girod respectively.

JUNIOR VARSITY

W.R.A.

The women’s Recreation Association, better known on campus as W.R.A. is open to all women students interested in recreation. Its purpose is to further recreational interests for women, and to encourage good sportsmanship.

Our membership exceeds the 50 mark, but the average attendance varies, depending on the sport we are playing. Basketball, volleyball, and softball are the three sports that draw the most girls. However, badminton, swimming, tennis and any other sport is added when the interest is sufficient. Our meetings, twice a week, consist of intramural tournaments out of which an extramural team is selected to represent us against other colleges.

Points are given for the various activities the girls participate in. So many leadership points and so many participation ones are needed before the first award, an emblem, is given. The second and final award is a blazer which generally takes three years or four to earn, depending upon how active each person is W. R. A.
Pictured below are two of the intramural teams which competed in the round-robin volleyball tournament. Chosen from these players were those who represented OCE in the extramural games against Willamette, Linfield, and O.S.C. The Valley II volleyball playday at Linfield was cancelled because of a heavy snow storm.
During winter term basketball is played on both an intramural and extramural basis. Two teams entered the basketball sports' day held at Oregon State College and won four out of the five games they played.

"Watch the Birdie"
Each year, intramural football is played at O.C.E. This fall eleven teams participated. The winner of these games was "The Sexy Six;" undefeated champs.
