By Alex Yoric}

Local residents numbering 288 voted Monday and Tuesday in the California state general election through the use of absentee ballots.

Balloting took place in Rec 11 with Frank Beckwith Sr. of Delta as notary public. Beckwith is editor of the Millard County Chronicle.

Monday the polls were open all day until 5 PM, with voting continued on Tuesday from 5 to 7:30 PM.

Of the total voters the women had over 20 more out at the polls than did the men.

Compiled from figures made in April, 1942, there are 2133 citizens in Topaz over 21 years of age and eligible to vote, reveals Chiyoko Yoshii of the Central Statistical Files Unit.

WRA STATEMENT ON ABSENTEE VOTING:

"In the opinion of the Solicitor of the WRA, it is improbable that evacuees in War Relocation Centers will acquire a voting residence in the State and county where the centers are located.

"However, all citizens of the United States who are 21 years of age or over and who are duly registered in the county from which they were evacuated may vote by absentee ballot in those counties. Absentee registration is also possible in some instances."

Residents listed below are part of those who had their absentee ballots sent to them for the general election held on Tuesday in California. An estimated 35 persons were missed in this survey as they received their ballots about 3 weeks ago, a few days before the Post Office and the Times began the survey.

Those receiving ballots were Tomiko Setow, Hisayo Wakahatsu, John Teshima, Mas Murakami, Fred Ishiga.
