Live, OCE, in majesty and might,
Thou hast emerged in splendor from thy night,
Past storm and strife, thou dost in triumph reign,
And proudly floats our banner free, free from stain.

Noble and strong, thy sons and daughters are;
All walks of life have felt thy fervent power;
Thy record casts a radiance o’er thy name,
A lasting tribute to thy aim, thy worthy aim.

Beloved school, we pray thou e’er may stand
To guide aright our earnest teacher band,
That Oregon may see her future youth
Imbued with wisdom and with truth, eternal truth.

President Lieuallen

Dear OCE Students,

It is the privilege of the college president to write a few paragraphs to be recorded in the Grove expressing his greetings and good wishes especially to the graduating seniors but to all members of the student body.

Contemplating what might be written, I recalled that almost exactly fifteen years ago I first visited this campus and became a member of the College faculty. During these fifteen years, the first nine as Registrar, I learned to love the College and the setting in which it resides. I have seen OCE grow from less than 300 students to its present enrollment of nearly 1300. During those fifteen years the faculty more than tripled in numbers and improved vastly in training and experience. The Library, two additions to the Campus School, swimming pool, Maaske Hall, Music Building, Student Center, and now the new dormitory were constructed. And, most important of all, the curriculums were expanded to include liberal arts degrees, secondary teacher education, and graduate programs.

It is a temptation to reflect on those fifteen years as "golden" years and to speculate that the future will be anti-climactic. Better judgment, however, cautions me that the past is merely prologue. Now students, soon as graduates, you will help to create a future vastly more exciting and challenging than the past fifteen years. I face that promise with you - and I face it with eagerness and with excitement.

R. E. LIEUALLEN
President
Dean Donald Duncan

You have accepted the great challenge—that of continuing your education as you move toward your own unique goals. I trust that we have mutually created a climate that was conducive for maximum intellectual and social growth which is necessary in a free society. As you progress in your chosen profession, let us utilize our respective strengths to aid OCE in the years ahead.

Donald Duncan
Dean of Men

Dean Sally Edmiston

One desperate urgency, it seems to me, in this desperate and urgent age, is the need for educated people. I trust that your experiences at OCE have provided you with the means of proceeding toward that which you might become.

Sally Edmiston
Dean of Women

Director of Student Affairs Art Glogau

The experiences of intellectual, social, and emotional growth in college will result in a keen and unique loyalty to OCE. This "school spirit" lasts long after you leave college, and maintains enthusiasm for OCE throughout Oregon.

Senior Class History

If nostalgic sentimentality existed in the mind of any senior, it had little opportunity for expression as the "Class of 1962" stumbled through their busiest scholastic year; the activities of the senior class were more absorbing than ever.

Receiving its impetus from a highly successful homecoming with Rose Krautscheid as Homecoming Queen, the class enthusiastically dealt with the details of graduation: graduation picture taking, ordering announcements, and frankly checking with the registrar's to see if enough credits had been earned to graduate in June.

As the "Class of '62" looks back they can recall many events that will live in their memories. It was the "Class of '62" that started the freshman tradition of signing their names in the cement sidewalk. Their freshman year Rose Krautscheid was Most Eligible Spinter and Jim Buck was Freshman Class Commissioner. During their sophomore year they were ably led by Larry Axmaker. During their junior year under the leadership of Bob Ellis they helped sponsor the Junior-Senior Prom. Bob Ellis represented the class in the "Ugly Man" contest.

The "Class of '62" passes into the alumni circle, behind are many conquests and ahead new horizons.
Eighteen seniors of the graduating class of 1962, chosen in recognition of their outstanding scholarship and service, were selected by the Student-Faculty Advisory Committee to appear in this year's edition of "Who's Who in American College and Universities."

Hanging Of The Greens

Chet Dugger presents Mrs. Lieuallen with wreath.

Student council members carol at Dr. Lieuallen's home.
Dr. Roy E. Lieuallen obtained his B.S. from Pacific University in 1940, his M.S. from the University of Oregon in 1947, his Ed. D. in 1955 from Stanford and his L.H.D. from Pacific University in 1959.

Dr. Lieuallen came to Oregon College of Education in 1946, became president in 1955 and served in that position until his appointment as chancellor of the Oregon State System of higher education in the fall of 1962. During the six years he served as president, O.C.E. acquired a statewide reputation for having come of academic age.

All too often a college president’s stature is measured by irrelevancies - his availability as a public speaker, the amount of concrete poured on campus, the dollars acquired for this study and that project. Dr. Lieuallen, however managed to prove that the essence of a college’s meaning is not Portland cement or the principle of feedback, but rather that a college is first and last a place for people with ideas and questions.

In 1955, fewer than a dozen persons on campus held a doctorate. Today a faculty of 110 boasts 40 such doctorates, sprinkled liberally throughout all of the departments. In this category, O.C.E. now ranks in the top 10 percent of the nation’s teacher-training institutions. Moreover, a talented and energetic group of younger faculty members has been equally important in leavening the intellectual atmosphere of the school.

Under Dr. Lieuallen, other areas of the college were strengthened as well. O.C.E. is developing one of the finest small college libraries in the Northwest. The curriculum has been altered so that O.C.E. now offers more courses in solid subject matter, and less in educational methodology, than ever before. An athletic policy based on scholarship rather than gamemanship has pointed the school towards leadership in physical education. Also, the college has an Honors program for undergraduates which was launched in 1958.

By insisting on and encouraging intellectual vitality here, Dr. Lieuallen accomplished much towards establishing a philosophic rationale for the future of teacher-training in Oregon.

In the teams statistics, OCE was second in the conference in total offense, first in rushing, third in passing offense, third in total defense, second in rushing defense and was at the bottom of the league in pass defense.

Bob Pennel carried the ball 151 times for a total gain of 864 yards with a 5.7 yards per carry average. Charles Burns had the best passing percentage of completion of any of the quarterbacks in the conference. He was followed by Doug Olson of Southern College who threw 195 passes and completed 10 of those for a 5.28 percentage average.

In the pass-receiving department, Don Habel received 9 passes as did Bob Pennel. Also, Pennel, with a game average of 108 yards was seventh in the NAIA national statistics and had an outstanding year as a ball passer. Opening the holes in the front line were such stalwarts as Francis Tresler, Jerry Gilman, Butch Grodie, Jerry Williams, Delvis Freeman and Herb Hermann.

The defensive unit was considerably stronger than last year and it was possible for Coach MacArthur to be able to platoon with an offensive and a defensive unit most of the season. Some of the defensive stalwarts were: Don Habel, Frank Colburn,
Jon Moberg, Jim Bennett, linebackers Mike Fenimore, Francis Tresler, Jerry Williams, and Dick Wildfang.

Six members of the 1961 football team will be lost by graduation and five of the six have at one time or another been selected to the all conference team.

With the completion of the 1961 football season six OCE football players were selected to the OCC team. Four of our boys were selected on the offensive unit and two were selected to the defensive squad. The offensive all-stars were: Herb Herman, Francis Tresler, Bob Pennel, and Jerry Gilman. On Defense: Frank Colburn, and Dick Wildfang were selected to the all-conference team. In addition to being selected to the all-conference team, Herb Herman and Francis Tresler were selected to the NAIA District 2 all-district football team. The conference statistics show that Bob Pennel of OCE broke his OCC individual rushing record of 749 yards by gaining 864 yards in 8 games. The OCE "Wolves" also repeated as the rushing offense champion.

In the scoring column Bob Pennel scored 8 TD's and was tied with his running mate Clayton Ladd who also scored 8 TD's for the 48 points. Bruce Carpenter scored 3 TD's and kicked 13 PAT's for a total of 31 points.

Head Basketball Coach
Robert McCullough

The "Mighty Mites" of Oregon College fought their way through 16 conference games and eight non-conference contests, winning a total of seven and losing 17.

The "Wolves", with their tallest starter at 6'1" and a starting five averaging between 5'10" and 5'11" battled the taller opposition right to the wire in most instances, and at least seven of the losses were in doubt until the waning moments of the game.

Carrying the brunt of the OCE attack were Juniors Toby Wolf (316 pts.), Steve Rankin (242 pts.), and Bob Marr (236 pts.).

The defensive efforts was spear-headed by such stalwarts as senior Larry Nye, and junior Lloyd Cole and sophomore Lee Land. The outlook for next year's campaign could be very bright with the addition of a couple of consistent rebounders to go with the very fine returnees from this year's "Fight-ing Wolves".

This year OCE basketball players fared well in all-conference nominations. This year Toby Wolf was placed on the first string all-conference team. Steve Rankin received the honor of being placed on the second team. Bob Marr and Lloyd Cole received honorable mention.

Although handicapped by the largest number of injuries any OCE wrestling team has ever experienced, the Wolves this season still managed to finish up the year with a fairly respectable 4-5-1 season record. Only five lettermen reported to coach John Easter at the beginning of the season. Of these Duane Kent and Bill Alberts managed to make it through the season without getting injured. Captain Stu Bye, Francis Tresler, and Dwight Reinwald the other experienced men on the squad, were injured through the season and never approached their potential. Faced with this manpower shortage the Wolves relied on newcomers Don Hopps, Jim Trierweiler, Bill Pitts, Wally Kropf, Randy Hammer, Tom King, and Rudy Sonnen.

Season team victories were posted over Linfield College 27-5, and 32-5, Pacific U. 21-9, and Eastern Oregon College 19-11.

Individual honors during the season went to Duane Kent who placed 4th in the Oregon Intercollegiate Tournament 115 pound division, 2nd in the Oregon Collegiate Conference 115 pound division, and repeated as the N.A.I.A. District II 115 pound champion. Stu Bye who earned 4th in the OCC Tournament at 123 pounds; Bill Alberts who finished 4th in the OCC Tournament at 191 Pounds; and Don Hopps, Bill Pitts, Wally Kropf, Randy Hammer, Dwight Reinwald, and Monte Olson who finished 3rd, 4th, 3rd, 3rd, 4th, and 4th respectively in their weight divisions and the N.A.I.A. District II Tournament.

The season was climaxed the first week in March when coach Easter took 4 men to the Pacific Coast Intercollegiate Wrestling Championships at Berkeley, California. These men led by Captain Stu Bye who finished 4th in the 123 pound division placed 14th out of 24 schools entered.

The 1962 swimming season resulted in four wins and four losses in dual meet competition. In home competition with four schools OCE beat Willamette and Portland University twice while losing two meets to Lewis and Clark and Linfield.

Top team in the NAIA District II in 1962 was Lewis and Clark with OCE and Linfield battling for the number two spot.

Eight men were recommended for swimming awards by swim coach Dr. Bill McArthur. Charles Black was awarded his third letter while Dave Kromer, Bob Pennel, Pat Reilly, Mike Reilly and Howard Haynes received second year awards. First year jackets went to Mat Westcott and Duane Frazier.

School records broken by the swimming team in 1962 were as follows:

- Dave Kromer 50 yard freestyle-24.0
- 100 yard freestyle-57.1
- Charles Black 100 yard Butterfly-1.05.7
- Bob Pennel 400 yard freestyle-5:17.0
