THE CITY I SSUANCE OF CLOTHING ANNOUNCED

ALLOWANCES IN CASH PAYMENTS

Workers of the Community Welfare Division will initiate house-to-house visits regarding clothing allowances on Monday, Nov. 23, to determine basic family units necessary to compute each allowance. Clothing allowances will be issued in cash payments. Eligible are those residents under the following categories:

A. Employed--Workers, who have been employed at least 15 days of the preceding month, and their dependents.
B. Unemployed--Residents who are able to work and are registered for at least 15 days with the Placement Office for work, but have not been placed, will be eligible for unemployment compensation and clothing allowances.
C. Public assistance--Residents who, due to health, social or family situation cannot be employed, may apply for public assistance grant and for a clothing allowance.

The monthly allowance will be $3.75 for each person 16 years of age or over, $2.25 for persons from 5 to 16 years of age, and $2.25 for persons under 6 years of age.

According to instructions from WRA Headquarters, the WRA and the WCCA are two separate agencies, and therefore, considerations of the past WCCA policy regarding clothing cannot be made in relation to the WRA. Although these allowances are retroactive to July 1, 1942, on a WRA work basis, inasmuch as no one is eligible for these grants at the Central Utah Relocation Center (as the first contingent arrived on Sept. 11), the initial grant will necessarily be in the form of assistance.

The initial grant will, therefore, equal the amount of the monthly clothing allowance which would have been due the resident (and his dependents), if he had been working since July 1st at any of the relocation centers.

AGRICULTURE

FARM VACATION: Allen S. Adams, graduate of the USOC of Logan and also in charge of vocational agriculture in Topaz, has arranged to give a class in poultry house construction and incubation techniques every Friday at 2 PM at the high school.

Another class will be held on the same afternoon at 3 PM for those interested in hog feeding and the care of young pigs.

As soon as other enterprises are set up by the agriculture department, others will be organized to study various types of farming.

FIELD VISIT: Thirty-six members of the poultry department and 12 high school students went on a field trip to visit several chicken and turkey farms in this county.

The group visited the Shepherd Turkey Hatchery at Delta and saw the hatching machine in operation. They also went to the Shepherd Turkey Farm which cares for approximately 12,000 chickens and turkeys. Joe Fidal's poultry ranch was also visited. Fidal is in charge of brick making at Topaz.

Lost and Found

The Lost and Found department releases the following list as reported:

Found: memo book by No-mura; blue and brown jacket found in Block 5 by Yoshiki; black and white spiral Eversharp pencil found by No-mura; and greenish gray tie hat found near high school by Miura.

Lost: wheel barrow in Block 33 by I. Miura; push broom lost in Block 33 by Tetsu; chain lost by Alice Abe; green basic clothing jacket with cash worn in pocket by Kazuo Dazo; eyeglasses by T. Yamamoto in the placement office; and a small box from Mrs. May Seito; 10G ring by Juna Yuenda; green Parker pen by T. Nakamoto; and black阿尔法 mood in Dining Hall #2 by Mr. Mag- en of education division.

CO-OP

Approximately $19,000 worth of dry goods shipment is now at Delta, with $30,000 more to be soon ordered for the center. In the shipment will be yarn, knitting needles, and warm winter apparel for all. A considerable assortment of drugs has arrived and is now on sale.

With the completion of the election of representatives to Co-op in all blocks this newly selected group, hereafter to be known as the Co-op Congress, met for the first time Tuesday night. Walter W. Hender- ich, chair of community enterprises, was speaker at the meeting with 70 representatives present.

The Co-op membership drive has reached a total of 4,324. A total membership of more than 5,000 is expected with 8 more blocks to be covered.

The Co-op group in Rec. 12 is now taking orders for Montgomery Wards in addition to Sears Roebuck Co. It was stressed that ordering through the Co-op saves residents expenses in securing money orders and COD fees. A Montgomery Wards representative will consult with the Coop staff next Tuesday. Those who wish may see him in Room 16.

MOVIES: Two movies scheduled for next week are "Gunga Din" starring Cary Grant, Victor McLag- len, Douglas Fairbanks, Jr., and "You'll Find Out" starring Kay Kyser, Peter Law and Doris Krall, and Bobbi Lucret. Tickets for the movies may be secured at Rec. 12.

JACL MEET AT SALT LAKE CITY

The national JACL is meeting from this week in Salt Lake City with representatives from each relocation center and chapters in the Free Zone. Two official delegates have left Topaz for the conference. We learn that these residents who left are not representing the people of the City, but were picked by the JACL as two of the more qualified leaders in the community to present ideas and data.

Before he left, of the delegates told us that the results of the confab will be used for the general welfare of the American in relocation centers.

All the meetings, except the Sunday meeting opened to the public, will be closed sessions. WRA Director D.S. Myer will attend the conference.

centers. The head of the family will have the opportunity of sending a request for such a grant at the time of the Welfare representative's call to his home.

Following this initial payment, regular clothing allowances based on the three categories listed above: employed and their dependents, those receiving unemployment compensation, and public assistance grants will be distributed monthly.

The regular monthly procedure will go into effect at once and will begin from Oct. 1st. Residents will be informed as to when and where to secure these allowances at a later date.
