Accordionist Plays Tonight

Every concert artist needs a large repertoire of music, but few know a stage as large as that of Gulli-Bini, world famed concert accordionist, whose artistry will be on display in the auditorium of the Campbell hall this evening in a concert sponsored by Dean Ross. The concert will start at 8:00 p.m. Memorabilia all the set 14-motion pictures not only for the accordion but also for the instrument. As with the music, there is a new and attractive new program annually to fit his concert tour.

Initiation Due For Theta Men

Theta-Delta Phi, the men’s scholastic honorary, under the leadership of Bruce Hamilton, president, will hold its initiation ceremony on October 1. At that time plans were made for the initiation of those prospective new members who earned a GPA of 3.0 or higher or were of such excellent standing as to be acceptable, according to a minimum of 14 term hours.

The following include: Ray Smith, Wally Agee, Alton King, Robert McFie, Joseph Phinney, Ralph Ogle, Harold Graven, Marion Harris, Lyle Winters, Ward Stanley, Bob Currier, George Cormick, Charles Brieske, and Robert Rassbard.

Extensive plans for participation in the Dad’s Day events and Homecoming festivities are being made at the Thursday noon luncheons held at Arnold Arms. Dr. J. F. Austin and Mr. O. C. Christiansen are advisers of the group.

International Club Organized for Year

On Thursday evening, October 9, the International Club, a new non-profit club was organized for the present school year. Elmer Spencer, a member of the group, was elected the first president. Dr. Robert Jacobson, vice-president, and Dr. Charles Ormen, secretary, were elected.

There was a discussion concerning the possibility of sending a representative to the conference of International Relations clubs to be held at the University of British Columbia in late October.

Ray Smith Heads Homecoming

Ray Smith, chairman of the Homecoming week-end, has announced that this Homecoming should surpass all previous ones. Smith recently arranged for the OCE campus as a great organizer, has issued a schedule for those three hilarious days, October 21, November 1 and 2.

At 7 p.m. on Friday, October 31, a rally show will be held in the Campbell hall auditorium and anything can happen! Bring your own bomb-shelters and hang on! The freshmen will light the bonfire, and the varsity boys will hold them andヵ Bill McArthur and his football team will give with the cheer leaders on the Oregon Mountaineers Saturday afternoon, November 1.

The old “Rat” hall will shake with dancing feet as the campus dances during the “Fireside Hold” and literally “knock themselves out!” This will hal last about 8:30 p.m. The smart kids say that the football team leaves the dance early, so they had better get there on Saturday at 6 a.m. The alumni will register (not for classes) and student parking will be available throughout the hall as the girls hold their opening fire-side. "Good-night, ladies!" echoed across the hall, "Good-night, you, aren’t we fellows!

The alumni will be hungry at about 6:30 p.m., and this time they will have a banquet. Read, "what’s chow-hounds?" The alumni association will sponsor this

Muscular Gals Play Football

Live there a man with soul enough to know that for another man has said: "God, I'd like to see a bunch of girls play football?" Well, fellow, your wish has been granted. A little elephantine and "knock themselves out!" This will take place about 8:30 p.m. The smart kids say that the football team leaves the dance early, so they had better get there on Saturday at 6 a.m. The alumni will register (not for classes) and student parking will be available throughout the hall as the girls hold their opening fire-side. "Good-night, ladies!" echoed across the hall, "Good-night, you, aren’t we fellows!

Coeds' Chatter

The girls in Todd hall are becoming efficient in a great many ways. Some of them are finding the study of water temperature very interesting, and many an experiment is being tried. Those unfortunate enough to put of their nightly bath until after 10:30 usually discover they are becoming rugged individualists or are getting their first taste of the ocean. Most of us have decided to buy ice packs so we won't become accustomed on a chunk of ice.

"Bullet" in board for "shots." Very truly yours,

Son: "Father, what do they do up of all places at Ft. Knox, Kentucky?"

"Passing on to us."

NEWS OF OUR ALUMNI

Mary E. Barber, '40, teaching in Eugene city system. She earned her degree at the University of Oregon last spring.

June Keacon, '46, is teaching the first grade in St. Helens. Her new address is 234 S. 3rd street, St. Helens, Oregon.

William A. Wiets, jr., is the principal of the junior high at Toledo.

Mild and Bitter

Some of the smart money on Broadway (of Monmouth) has it that the British are to undertake the mammoth project of building a subway underneath the Atlantic ocean. Ernest Berlin will be labor leader and chief engineer. The "tube" will start from the Bank of England, at London, and end up at all places in New York, Kentucky. Partially refundable bonds are worth fixing. The project is to be finished before the war.

Very truly yours,
JOHN C. BAILLYSCORN.

Bobi: "Father, what do they do to people in Russia who don't live up to the standards?"

Christian Fellowship

Lloyd Young, a young man from Portland, will be guest of the OCE Christian Fellowship group this evening. "Culture vs. Christianity" will be the topic under discussion and since Mr. Young has a dramatic, interesting appeal, it is expected to be a great challenge.

Lloyd Young has spoken to student groups on other Oregon campuses, Oregon State and Lewis and Clark being among those who have enthusiastically received him. It is a privilege to present Mr. Young to the students of this college.

The meeting will start at 7 p.m. this evening. Monday, October 13, and will be concluded promptly at 8 o'clock. Campbell Hall 23 is the place of meeting.

A sultan at odds with his harmez, Thought of a way he could suavize - He caught him a mouse, But it was lost in the house; Thus starting the first harrem-scram.

GUARDIAN OF THE EAST

He stands, with knowing eyes
On all who bow
Before his glorious throne of polished stone.
His eyes hold wisdom, love, compassion, hope
For those who seek him in this weepy night, alone.

Amid the lazy curls of inhaled smoke.
He smiles at sorrowful ones
Who fly from stirres, Who strive to find the answer that will cease
The chaos raging in the pathway of each life.

And dust surrounds his massive bulk.
And seeming millions cry
In blinding pain.
The blue-white shades gleam in candle light.
And cow-drawn blood will gush tonight again.

And Buddha stands with glassy, inquiring eyes
At those who cling to him for health and life.
He smiles at them, He nods in them,
But he forgets to hail, to quell, the pain, the strife.

-Joyce Tversberg

Arnold Arms

Arnold Arms had as his guest last weekend J. E. "Satch" Jenck. Satch graduated from OCE last year and is now principal of the Stanton grade school in Toledo. He says that to be principal of a school with nine teachers and 300 pupils keeps him very busy. He stopped at the campus on his way to attend faculty institute held that week-end in Salem.

I I I

At the student council meeting held last Tuesday afternoon was directed toward Dad's Week-end and Homecoming. George McFarland was named to host the committees for Homecoming decorations.

I I I

The climax of the week was the game between the A.A. Gulls and the A.A. Poolecats. The most spectacular play was a 46-yard run by the C-Gulls tailor, Lerman. The C-Gulls came back for three more touchdowns. In the third quarter the Poolecats scored a pass to Brewster. The game ended with the score C-Gulls 21, Poolecats 6.

Todd Hall Set Enjoys Singing

Those who were fortunate enough to have attended the OCE campus last week-end were invited to the Saturday evening fire-side at Jessica Todd hall. Beginning at seven o'clock with the building of the fire, the evening was spent in dancing, group singing, playing games, and just having an enjoyable time. Of course, the evening was climax by the serving of refreshments consisting of rice crackers and cheese, cookies and cake (like mother makes), and delicious hot cocoa. For those who were still a bit hungry, there were seconds of everything, and even thirds. However, even Saturday night must end, so, with a last lingering look at the fire, the fellows put on their overcoats and ventured forth into the cold night. Quiet and calm soon settled over all of Todd hall, only to be interrupted a short time later by the strains of "Down by the Old Mill Stream" sung in perfect harmony by the three G.I.'s, George, Don, and Hubert. By the way, Arnold Arms, you've just revealed some hidden talent!

Dean of Women Release News

The following campus news reports supplied from the busy office of our dean of women, Miss Jean Seavey:

Monday night, October 6, the regular meeting of the student council was held in Miss Seavey's apartment. Color and cookies were served following the business meeting.

Tuesday evening, October 7, a dessert was given in the Jessica Todd Hall by many of a group of OCE faculty women in honor of the new faculty women and faculty wives. All women of the faculty were invited. A delightful time was enjoyed by pumpkin pie, whipped cream, and coffee.

Miss Seavey wishes to state she is very much pleased with the number of new students, just out of high school, who are enrolled at OCE this year. She is delighted to see their genuine enthusiasm for school activities, and their fine spirit of cooperation.

Student Christian Association

S.C.A. started its new year with a song last Monday night when Mrs. Robert Hammond led the group in a good old-fashioned sing.

The theme of the year's program was outlined around the words of the song, "The New World" which deals with seeking the betterment of all people and the advancement of world culture by "Building God's new world for all the sons of men!"

Ellis A. Stebbins gave an interesting summary of past accomplishments of the club and M. B. Thompson, in a short talk, pointed out next year's challenges in the ensuing year's work.

Robert Hammond was elected vice-president; Joanne Cox, secretary; and suff advisory board including Miss Mary Donaldson, chairman, Miss Jean Seavey, Miss Dove, Mr. and Mrs. Thompson and Dr. J. F. Santee was elected. October 20 promises to be a very interesting meeting when the club will be visited by a quartet from the Willamette university Y.M.C.A.

Freshman Officers

Newly-elected freshman class officers are: Sadie Thompson, president; Don Bails, vice-president; and Donna Chastain, secretary-treasurer. Joe Robertson and New Green were elected to represent the freshman class on the student council.

© 1947 The C-C Co.
Coach Bob Knox has issued a call for basketball players to report for their first work-out at 8 p.m. on Wednesday, October 15.

The Oregon College of Education footballers powered their way to a 39-0 victory over the home-town team who had big chunks of yardage as the Wolf forward wall opened huge holes in the Monmouth defense.

The Wolf scored their first touchdown after Monmouth OCE guard, blocked a Pacific punt and Davis recovered on the Quaker two yard line. Three plays later Davis blatted off tackle to put the Wolf in the end zone.

Traffic Toll
High in U.S.A.

That year, 30 per cent of all persons killed on America's high ways and streets were pedestrians. Watch while you walk!

In 1944, 670 persons were killed and 21,600 injured on highways in the United States. Is it safe? ...

Spending was the direct cause of 6,460 deaths and 230,760 injuries in 1944 traffic in the United States. Last year, 767 persons were killed and 126,180 injured in U.S. traffic accidents as a result of driving on the wrong side of the road. Drive right!

Selling hard to make it possible. Not taking anything away from the Linfield Wildcats came into its own at Arena Saturday night. Not one touchdown was scored in the light Quaker line. A very sad pass defense, indeed. A trophy to go to the winning team of each sport and a plaque to bear the name of the winning school. A very sad pass defense, indeed. A trophy to go to the winning team of each sport and a plaque to bear the name of the winning school.
