NISEI NEWSPAPERMAN HAS DEEP FAITH IN AMERICA

(The following column was written by Robert Hosokawa when he joined the staff of the Inter-City News in Kansas City Mo. Hosokawa is an American-born Japanese and formerly lived in Seattle, Wash.)

We like this community in the heart of America. Its people are earnest and generous. We have walked along the quiet streets where huge poplars and locusts stand. And we have seen blue stars in the windows. Each time, like all Americans, we are filled with pride and appreciation.

I was in college. There was no war, only peace and a few clouds in the sky. In the coolness of twilight my friends and I used to talk of many things—life, love, picnics, baseball, ideals, the future...

But one day the tide of fascism, too evil to remain where it was born, surged across to near the heart of America.

Somewhere in a distant tropical scene my best friend, a U.S. Navy bomber pilot, had no hate in his heart, only love for humanity. But love dies when treason comes.

Peter Mills, another college friend, went down in battle in the sky above Dutch Harbor. He was given a Distinguished Flying Cross posthumously. Among many others, a campus roommate of mine is missing off Okinawa.

Yesterday a letter came from my cousin, another American, with a

Block 13 Annex Ward One
Pennant With Win Over 14

The Ward 1 softball pennant is flying over Block 13 this week as they pounded out a 6-5 decision over Block 14 Sunday in the play-off meeting.

Each team ended the season with five wins and one loss, Block 14 being upset by Block 16 in the closing stretch when it appeared that 15 was the cinch champion.

In the first half of the first frame, Block 14 jumped to a big 4 run advantage by combining 3 hits with 2 walks off pitcher Yamada, but Block 15 was far from being down as they picked up one run in the first and three in the second to tie the ball game up. 14 went ahead again in the third inning, crossing the plate twice while holding thirteen to a home tally for a 6-5 lead. The pay-off game in the final half of the fifth as Nakai, Oki, Saito, and Yamasato each touched 14's pitcher Jiro Shimada for hits and marked up 3 big runs to give Block 15 the winning margin.

Yaou, 13 centerfielder, paced the hit job in 4 times at bat.
