THE CITY: LOCAL TALENTS PERFORM BEFORE DELTANS

ATTEND MANY IN TWO SHOWS

In 2 performances, approximately 1000 Deltans saw the "Ill Popular" revue of Topaz Talent last Wednesday at Delta High School. Every member evoked an encore and each show scheduled for 1/2 hours extended over 2 hours to meet the enthusiastic response.

At the afternoon performance, the troops played before the high school student body of 435 members. The evening show again attracted the Deltans who crowded the auditorium to full capacity.

The program opened with the Pledge of Allegiance by the audience, included: Top and Towamoeine Dances by Tochi Miyachi and Dorothy Harada, accompanied by Sadie Tomiyud and Mary Iwado; selections by the Boy Scout Drum and Bugle Corps; maris and ventriloquist act by Ichiro Suzuki: song by the "Cosmeske"; and vocals by Lorraine Yamate, Goro Suzuki, Yuri Cehina and Elsie Itashiki. The grand finale was the community singing of "God Bless America".

CENSUS EXPERT ARRIVES

SURVEY RECORDS TO BE ANALYZED

Mrs. Fern E. French, WRA associate statistician, arrived in the City Monday night to investigate the results of the individual record survey, the start of which she supervised during a preliminary visit 3 weeks ago. She recently established similar machinery for census of Jerome and Rowlor Relocation Projects in Arkansas.

Further, she visited the Grenada center in Colorado, not as a representative of the WRA regional office, but as a consultant to make observations of the placement division there, and to note methods adopted for employment problems. The Grenada Relocation Center is not within the jurisdiction of the San Francisco regional office.

Mrs. French has been in Topaz all this week to organize the central statistical files staff on the work of analyzing the results of the survey.
