"Hello" Dance Features Dayton

Bill Dayton's three-piece band will furnish the music for the Hello dance tonight at 8 in the gymnasium. Julius Moen will be at the piano, Ernie (Red) Magill at the drums and Bill Dayton on the saxophone.

FTA is sponsoring the dance with Anna Clair as chairman and the other members of FTA as her committee.

The Hello dance is a traditional dance to help the freshmen and the returning students become better acquainted with one another. The no-date sports dance is admission free.

Applications are being accepted by the ASOCE student council for Lamron editor, Pat Holman, president, has announced. The post was left vacant by the resignation of George Ing just prior to the opening of school this fall. Ing has purchased a farm and will divide his time between studies and work on the farm.

Those wishing to apply must present a written application to Holman. No deadline has been set for applications, however, the student council will discuss the matter at tonight's meeting. The meeting time is 6:30 in the student council office.

The post of Lamron editor carries a salary of $50 a term if the Lamron operates within its budget and the paper is satisfactory.

GREETINGS!

I want to express my personal greetings to our 1955-56 student-body and to extend a cordial welcome to the campus. Your college faculty and many returning students have been extremely busy these past several days, preparing for the opening of the college year.

I, personally, begin this college year with much confidence and enthusiasm. We have an outstanding faculty, highly trained, and with much experience. The high quality of our student body, along with the traditionally friendly atmosphere on the OCE campus, should combine to make this coming year a valuable and pleasant experience for all us.

R. E. LIEUALLEN,
President, OCE

NOTICE

All Homecoming committee personnel will meet in CH 111 at 4:30 p.m. on Monday, September 28. This is a short but important meeting.

Library Hours

A HEARTY HELLO!

The Lamron staff takes this opportunity to welcome new students to the Oregon College of Education and gives a hearty "hello" to those who are returning for another year.

It is the sincere hope of the staff that each of you enjoys this year of working and playing together.

Our campus has many facilities for study and recreation. The library is one of the finest small college libraries in the nation. The Wolverine memorial swimming pool was completed this spring and will operate on a full time basis this year. Football season is now under way, and with dances, movies and concerts scheduled, this year promises to be a pleasant one.

Again, we of the Lamron staff take this opportunity to welcome you to our college, and we wish you the best of everything during your stay with us. —K.R.J.

Registrar Lists Scholarship Rules and Regulations

The following list of scholarship regulations has been set up by the office of the registrar, effective as of September, 1955:

1. Satisfactory Work. A student is doing satisfactory work when he maintains a grade-point average of 2.0 (C) or better for all college work and for all work at OCE, and makes substantial progress toward the completion of other graduation requirements.

2. Scholastic probation and suspension. A student failing to do satisfactory work any one term is placed on scholastic probation. If his cumulative grade-point average is 2.0 or better, a. he is removed from probation if his cumulative grade-point average is 2.0 or better; or b. he is continued on probation if his cumulative grade-point average is below 2.0.

A probationary student whose scholastic average for any term falls below 2.0 (C) will not be permitted to re-register without the consent of the academic requirements committee. At the discretion of the committee any student may be suspended at any time.

3. Scholarship requirements. Satisfactory scholarship (2.0 or C) is necessary in order to qualify for a junior certificate, teacher education or student teaching.

4. Grading system. The grading system consists of four passing grades, A, B, C, D; failure, F; incomplete, Inc.; withdrawn, W. A denotes exceptional accomplishment; B, superior; C, average; D, inferior. Students ordinarily receive one of the four passing grades or failure. In certain classes, a grade of P (pass) will be given.

When the quality of the work is satisfactory but some minor yet essential requirement of the course has not been completed for reasons acceptable to the instructor, a report of "incomplete" may be made and additional time granted. Incomplete work must be made up within the following term unless additional time is granted by the instructor. Failure to clear an incomplete results in an F in the course.

5. Grade points. Grade points are computed on the basis of 4 points for each term hour of A grade, 3 points for each term hour of B grade, 2 points for each term hour of C grade, 1 point for each term hour of D grade, and 0 points for each term hour of F grade. Marks of Inc. and W are disregarded in the computation of points for the term. The grade point average (GPA) is the quotient of total points divided by the total term hours in which grades (A, B, C, D and F) are received. Grade points are computed on all work, including transferred hours (non-credit courses excepted).

6. Transfer students are accepted under the scholastic rules in effect at Oregon College.

7. Honor roll. At the close of each term the registrar issues an honor roll containing the names of all students who for the term have completed at least 15 hours with a grade-point average of 3.5 or better.

Hi!!

We, the students of OCE, extend a friendly hello to each of you who are new on our campus. It is swell having such a large freshman class and we know we will soon become better acquainted.

We of OCE are proud of our campus, our friendly atmosphere, our academic standard, our faculty and our activities. We are happy that you are going to be a part of it.

Again, may we say welcome to "the golden haze of student life"? We are the sincere hope of the OCE Lamron staff that each of you enjoys this coming for another year.

Old Dan Cupid has really been a busy man this summer as far as the students of OCE are concerned. I Miss Snooky Snoopers, hasn't been on the Monmouth campus fifteen minutes when I heard the following:

There are several couples whose names have been left out, but we will try to have their names in this column in the near future.

New Building and Remodeling on Campus

Freshmen and returning students will find a lot of new looks on the old campus when school begins September 27. Maple hall, one of the most popular spots on campus, has been remodeled for greater convenience. The hall has also been repainted in shades of red and green.

Completely new this year will be the new men's dorm, north of Todd hall. The dorm was scheduled to be completed September 15, but the date has been reset for November 15. Temporary housing has been found for men at Lofte house, Nelson hall, the Monmouth Hotel and at the Village.

Arnold Arms and West house, former men's dormitories, have been remodeled and repainted and will be used by the women students.

Science students will be interested to note that a new organic chemistry laboratory has been added to the Administration building. A new and larger darkroom will also be available for photography students.

Many of the campus buildings are getting new roofs, including the Senior Cottage, Monmouth Elementary school and the Village apartments. In all, all students will be in for many pleasant surprises when they return this fall.

Rally Tryouts Dated

Lois Smith has announced that tryouts for rally squad yell leaders will be held Wednesday, September 26, at 4 p.m. in the dance room of the physical education building.

All boys and girls interested in being on the rally squad are encouraged to try out, and fresh men are eligible. Tryouts may be made singly or in pairs. It is suggested that any of the yells found in the student handbook be used. So build up those lungs and tryout for this year's yell squad. If you have any questions concerning the tryouts, contact Lois Smith, student post-office box number 641.

IT MUST GO ON AND ON

A woman was overheard saying to another woman over the backyard clothesline: "I don't like to repeat gossip, but what else can you do with it?"

OC Wolfpack Drops Pacific Badgers 12-0

A spirited determined band of Oregon College Wolves finally dug their way to the lair of the Pacific Badgers Saturday night and snared a 12-0 victory over the visitors. It was the first win for an OC crew over Pacific since 1927 and left hostilities between the clubs at 2 Monmouth wins, 3 losses and 1 tie.

Any doubts about the strength and striking power of the 1955 Wolfpack crew were quickly dispelled as marker number one came with stunning quickness.

Larry Buss returned the opening kickoff to the OC 98. Fullback Ervin Garrison boomed eight yards and then — whoosh! Senior quarterback Charlie Harris arched a pass to Buss on the Pacific 16, good for 38 yards. Seven plays later, Harris picked up the touchdown from six inches out. A pass to end Doug Zitek was incomplete and the count stood at 6-0.

John Chamberlain's lads then proceeded to make his collegiate coaching debut a whopping success with a sharp alert defense that sagged but once.

Late in the first half, Pacific opened a drive from their own 24 where a fumble had given them possession. Badger halfback, Bill Roff suddenly became very slippery and thus sparked his visiting mates to the Oregon College 12. Roff carried the ball eight times for 42 yards in the lone PU threat that ended for lack of downs.

Halftime came and went with the same 6-0 score. It was not until the third quarter was nearly two-thirds gone that the Monmouth lads doubled their total.

Co-captain Paul Riley set this one up with the recovery of a Badger fumble on the enemy 24. From there, Harris and Zitek took over. An aerial put the ball on the Pacific ten. Buss moved it to the five where two consecutive offensive penalties set the Wolves back to the 15 and nullified a touchdown pass to Gleason Eakin. Harris tried again and succeeded, 8 yards to the 6' 2" frame of Mr. Zitek. Doug needed all the reach he had to pull the pill in deep in the end zone. Don Stiles had his try for point blocked.

Harris, Buss, Garrison and Wyman Gernhart opened the tussle in the OC backfield. Arden Detering, Barry Adams, John LaFontaine, co-captain John O'Donnell, Riley, Bill McHenry and Zitek were the starting forwards for the Wolves.

Pacific Offense: 0 0 0 0-0
Oregon College: 6 0 6 0-12

Touchdowns: Oregon College—Harris and Zitek.

Jensen's Jargon

By Keith Jensen

The New York Yankees, led by Mickey Mantle, ran away from Cleveland, Chicago and Williams (I mean Boston) to win the American league pennant last week. The return of Billy Martin to the lineup and Bob Turley's pitching in the last two weeks seemed to have made the difference.

We had hoped that Archie Moore would make a little better showing against Rocky Marciano last Wednesday night, but he met the same fate that everyone else has from the Brockton blockbuster. It seems that all of Marciano's foes have got to go somewhere.

We got kind of a kick out of the radio announcer asking which punch hurt the most. Moore's reply was, 'All of 'em.'

We wonder what kind of a showing "dem Bums" will make against this year's Yankees. On paper the Dodger ball club looks like the class of the series, but the Yankees seem to have a habit of ignoring what is written about their opponents. Mantle, Berra and Bauer are expected to carry the big cannons for the Yankees while Snider, Campnella, Hodges, Furillo and Giliam are expected to be the big hitters for Brooklyn. Those Dodgers really look good, but ...

Locally speaking, we see where Williamson has picked OCE to be the number one club in the Oregon Collegiate Conference this fall. This is one time that he will be right. With a fine coach like John Chamberlain and a bustling ball club, this could be a grand year for the musclemen from Monmouth. Anyway we want to wish this year's copy of the Oregon College Wolves a winning season.

Grays Harbor Next Lobo Foe

Coach John Chamberlain takes his Wolfpack into the wilds of Washington this coming Saturday day for a tussle with Grays Harbor junior college. The scrap will be staged at Aberdeen.

Heading the "Pack" against the Grays Harbor crew will be co-captains, John O'Donnell and Paul Riley. John handles a center slot and Paul is near enough to talk strategy at a guard slot. Both were all-conference last season, John on the first squad and Paul on the second.

Bill McHenry, at tackle, was also on the first team all-conference selection. Three verts, Doug Zitek, Arden Detering and Gleason Eakin at end keep the flanks well protected and present good targets for an aerial attack.

Other veteran linemen are Glen Davidson and Pat McMenamus at center; Larry Gower and Marvel Stone at ends and Barry Adams at tackle. Barry has been shifted from a fullback position last year to the line.

Charlie "Cheeze" Harris and Bill Brown are back at quarterback. "Cheeze" also handles fullback chores. Gene Owens, three-year man at the QB slot has been lost for the season due to a reoccurrence of a knee injury during the summer. Wyman Gernhart, Larry Buss, Don Lumgair and Vic Dixon are halfback vets. Vic and Ervin Garrison did some fullbacking last year.

Boolstering the Wolfpack forces will be three returnees from the service, John LaFontaine, Burt Harp and Glea Humphreys. John and Glea are linemen while Burt works at fullback.

Completing the new look in the coaching staff this year are Bob Redkey, former Oregon State college and pro lineman; Barrel Davis and Hank Cedros. Davis and Cedros hung up the collegiate football gear last November after romping in the OCE memorial stadium for the Wolves.

Chamberlain Heads OC Wolfpack Pigskin Crew

John Chamberlain, line coach at Oregon College for the past seven years, is the man at the helm of the 1955 Wolfpack crew during the absence of Bill McArthur. McArthur is attending Oregon State college on work toward his doctorate.

"Workhorse" John has been a key to the success of the talented crews of the past few years.

John graduated from Georgetown college, Kentucky, in 1942, where he played four years of football at guard. He was All-Kentucky intercollegiate conference guard his senior year.

"The Toe" of a bygone era, John was an extra point specialist, missing only five in five years of place kicking.

Chamberlain has also been handling teaching chores at Central high school. He is married and has two daughters.

Ten Terrible Tilts

By Foggy Fitzwater

1. California over Penn. (Only a Schaefer Snorkel could change this.)
2. USC over Texas. (The Yellow Rose of has done with it.)
3. Ohio State over Stanford. (It's "Hop-a-long" Cassidy, the young one.)
4. Army over Penn State. (Reducing the armed forces won't help the Nittany Lions.)
5. Oklahoma over Pitt. (Based on past years so may be tamer.)
6. Wisconsin over Iowa. (We figured this one right down to the water boys.)
7. Michigan over MSC. (They're tops in this one but not the nation.)
8. Georgia Tech over SMU. (A real rip snorter for bowl berths.)
9. Baylor over Maryland. (Oh, my goodness, do you really mean it?)
10. TCU over Arkansas. (I know we had a very good reason.)

Flag Football Opens Intramural Season

Bill Dayton, men's athletic commissioner, wishes to invite all the male members of OCE's student body to join in the intramural program. If you are not participating in varsity athletics you may play intramural ball.

First on the list of sports is six man "flag" football. This program will start in the very near future. Start organizing your team immediately and notify Bill Dayton of your plans for entering a team in this year's "flag" football league.
Eight Added to College Faculty; Four Return

The new secondary education program and the expansion of OCE has resulted in several additions to the faculty.

Returning to OCE are the following faculty members: Donald G. Humphrey, on leave of absence since June, 1952, returns to fill a new position in the science department.

Mrs. Louise Krey, assistant professor of physical education, replaces Miss Mildred Anderson. Mrs. Krey is a graduate of the staff during the 1952-53 year.

Dr. Anton Postl, associate professor of science, returns after a one-year absence on sabbatical leave during which he earned the Ph.D. degree at Oregon State college. Dr. Postl assumes the position occupied this past year by Dr. Tepfer.

Miss Joan Seavey, dean of women and assistant professor of English, returned from a sabbatical leave spent at Stanford university working on her doctor's degree.

The eight new faculty members and their positions are: Dr. John E. Bellamy, assistant professor of humanities, served as assistant professor of social science, instructor in English at the University of Missouri. He has been on the faculty since June, 1952, returns to fill a new position in the science department.

Mr. Jack D. Morton, assistant professor and registrar, has served the past four years as principal of Central elementary school in Newberg. He was a student in our graduate program the past summer.

Mr. Earl Q. Pearson, instructor in education and supervisor of teaching, replacing Miss Hartle, served as an elementary teacher in Henry Hill school, Independence, for the past four years. He will be a supervisor at Independence elementary school, filling in until Miss Hiatt returns next fall.

Mr. Frederick L. Staver, instructor of humanities, replacing Miss Harvey, has served as instructor in English at California college of arts and crafts and at West Contra Costa junior college. He has been a reader in English at the University of California while completing his graduate work.

1955 ASOCO Student Council Holds Opening Session Tonight

Pat Holman, ASOCO president, will call the first session of the 1955 student council to order at 8:30 this evening. The 15 man council will meet in the student council room located in the basement of Campbell hall.

One item of tonight's agenda will be to take some action towards securing a 1955-56 editor for the Lamron, George Ing, selected last spring by the 1954-55 council to be 1955-56 editor, resigned the post just prior to the opening of school this fall. Keith Jensen, ASOCO 1955 summer school representative, is acting editor until some action is taken.

Other matters to be discussed tonight are 1955 Homecoming plans. Homecoming chairman, Dale Harp, will present his committee chairman and other plans for council approval.

Johnny Davis, first vice-president; Jeanette Spinney, second vice-president; Phyllis Seld, secretary; and Dan Rempel, financial secretary, comprise the executive committee along with Pat Holman. The executive committee meets each Thursday in the student council office. This group sets the student council agenda for the following council meetings and handles special and emergency business.

Ten commissioners complete the ASOCO student council. Dee Ann Larimer, social; John Carpenter, assembly; Charlotte Sakamoto, publicity; Bill Dayton, men's athletics; Kaye LeFranc, women's athletics; Keith Jensen, senior; Liz Knutschel, junior; Beverly Bluhm, sophomore; and a yet-to-be elected freshman commissioner. The freshman commissioner will be elected by that class in the near future.

Holman, Spinney, Seld and Carpenter served on the council the 1954-55 school year. Pat was ASOCO secretary; Jeanette, sophomore commissioner; Phyllis, publicity commissioner; and John filled a temporary vacancy as freshman commissioner.

CCC Sponsors Retreat At Silver Creek Falls

Campus Christian Council is sponsoring a non-denominational retreat at Silver Creek Falls on Friday and Saturday, September 30 and October 1. Theme for the retreat is "Let's Find Out." Reference persons from the college faculty and the local churches will be present. Discussion will be set up for group assemblies on Friday night, so this is really your retreat.

Friday night an informal campfire is scheduled. Saturday, discussion groups will meet three times and a two and a half hour recreation period will be held in the afternoon.

Transportation will leave Todd hall at 4 p.m. Friday and return Saturday at 6 p.m. Everyone is welcome.

Sign up on the bulletin board by Wednesday, September 27, at 7 p.m. or contact Marilyn Neill, 159 S. Monmouth avenue, Apt. 4, or call 590.

Notice to Veterans

World War II and Korean veterans should establish eligibility and file their application forms immediately in order to avoid loss of the Oregon educational benefits.

Applications by mail should go to the Salem office in the State Library building. They may be filed in person at either the Salem or Portland offices, or thru county veterans' service officers.

The necessary forms are also available in the OCE business office.

State aid is not payable at the same time the veteran is receiving Federal GI educational benefits, nor is it payable for correspondence or hobby courses.

NOTICE

The regular visit of Dr. Sear will be on Tuesday, at 8:30 a.m. Appointments should be made with Miss Olson at the Health Service if possible.
