The All-Campus Drive for the United Fund, held October 15 through 19, was an annual event on the Oregon campus, which was ranked among the biggest and most unique events of the year.

The drive started first when the drive chairman and adviser attended a kick-off breakfast and Fund kick-off breakfast in Independence. Shortly thereafter, a booth advertising the drive and collection was set up in Maple hall. Students received ballots on which to pin their contributions. These ballots included a list of OCE organizations and living groups of OCE. Students indicated which groups they belonged to and each group was accredited for contributions.

Monday evening, October 19, Campbell hall auditorium was the scene of a kick-off assembly where most of the club sponsored a science workshop in the field of counseling. The assembly can contact any of the club officers.

The Oregon College of Education campus will be the site of the annual Theta Delta Phi national convention to be held October 26 through 28. Delta chapter, campus representatives of this men's scholastic honorary society, will be having a welcome meeting for all members attending. Delegates from Southern Oregon and Portland State colleges will be in attendance.

Homecoming Court Candidates Revealed

Members of Theta Delta Phi OCE interfraternity club, have announced the Homecoming Court candidates.

They are: Terry Quin, a freshman from Redmond; Janine Kenzel, a sophomore from Boring; Mary New, a junior from Monmouth; and Lois Smith, a senior from Stayton.

Actual selection of the queen will be made by the students in attendance.

Presentations of the Queen will be made at the Friday, November 2, Homecoming Talent Show at 5:30 p.m. at the Oregon State and Portland State colleges will be in attendance.

Tom Gibson, an OCE graduate and now an elementary school principal, will lead the convention in his capacity of national president. The vice-president, Mr. Ted Schoff, is a professor and chairman of the History Department.

Homecoming Court candidates are: Ernie Drapel, vice-president; Harold Wilson, secretary-treasurer; Bob Bartley, secretary-treasurer; and Roger Gunnison. Faculty advisors are: Dr. Charles Beall, president of the OCE faculty; Dr. A. J. Bechtle, Dean of the College of Education; and Dr. Robert Kent Farley, Dr. Jack Eding and Dr. Roy Linnelien.

At the convention housing chairman, will appreciate the mothers of our members having extra bedding space for contact him through Mr. Chris
ty Laurance. A representative from the Campus will be in attendance.

Oregon Gunnison, banquet reservations chairman, urges all the
ta Delta Phi members to contact him Monday, October 22.

AUTHORIZED STATE ACCEPTANCE OF CERTAIN GIFTS — Purpose: To authorize the state to accept, hold and dispose of corporation stock that has been donated or bequeathed to the state by will.

The proposed amendment to Section 6, Article XI, Oregon Constitution, would remove the prohibition against the state being interested in the stock of any company, association or corporation to the extent of permitting the state to accept, hold and dispose of any such stock which is donated or bequeathed to the state.

Over the years, stock that has been donated or bequeathed has been used for most worthwhile purposes, among which were: scholarships and awards, hospitalization of needy children at Doernbecher, medical research particularly in diseases of the eye, a significant portion of the construction and equipment costs of the new county hospital.

If the measure is approved by the people, the 1967 session of the legislature will establish the regulations under which stock may be accepted, held and disposed of.

It is important to note that the referendum does not permit a state department to go out and buy stock on the market. It is only as a recipient of donated or bequeathed stock that the Board of Higher Education desires to amend the constitution. Thus the legal obstruction to a dynamic source of income for higher education will be removed.

In the decades of expanding higher education which lie ahead during which the state university and colleges will be serving the huge enrollments now in the elementary and secondary schools, it is imperative that the state fund its own higher gifts and grants of sizeable proportions if Oregon is to maintain an educational system of high quality. As affirmation of vote on Ballot Proposition Number Two is one of the ways such can be achieved. It merits your support and the support of interested citizens throughout the state.

"ONE NOTE"

by George Q. Davidson

When Senator Wayne Morse spoke at the ASCOE assembly last Month, he stated that the volume of reasoned discourse was more than a stack of telegrams, that higher is to be preferred together.

Morse states that his declamation in the Senate is based on principles of representative government. Why then doesn’t he feel it necessary to tie the need for federal aid to education of fear of Russian imperialism? Does he not wish to fight for federal aid to education in the name of freedom? Does federal aid to education have merits outside the rational, that Senator Morse states the number of trained brains? Why does Senator Morse merge the challenges of educating our youth and adults with the fear of Russian imperialism? Does he not feel that the threat of Russian aggression is so well established in the minds of the citizen that he will not quibble the wisdom of the federal government’s decision today? All aid is not principle at work. This is Machiavellian, disregard of principle, the other that he may win his argument. The real aim of Senator Morse is not principle at work.

Let us admit that Machiavelli had a way of getting his way. They must ever be alert to ways and means by hook or crook to get done what they need to do. Action for them is the thing. It is not their business to sermonize and moralize. Theirs is but to do; after all, we have a separation of the executive, legislative and judicial departments of the state constitution, a state board, a state constitution, a state constitution, a state constitution.

Newman Club To Meet

The first meeting of the Newman club is to be held this week on Thursday, October 24. All Catholics are strongly urged to attend. It is desired to make this the start of a fine club for this year.

The meeting is to be held in the home of Mr. and Mrs. Owen Christensen. Anyone not knowing the location or who is without a car is asked to meet at Todd hall at 7:30 p.m.

John Father will be present to answer all questions.

Lunda, a senior from Salem, is the director of the club. The other musical organization was a dance band which was formulated last Tuesday. They have not, as yet, set a date for their first performance. Additional information on these bands has not been released.

Carolyn Thayer, presxy of OCE-DO (on campus folk and square dance club) reports that all of the dances held recently have been quite a success. The dances are held on the first and third Wednesdays of every month, from 7:30 to 9:30 p.m., in the studio of the PE building.

For the next meeting, on Wednesday, November 7, the club is planning a trip to the MacLean School for Boys at Woodburn. This is an annual club outing where the OCE-DO members teach folk and square dances to the boys in the school. Anyone interested should speak to Carolyn Thayer or Ann Holleman. It is truly a fine experience. The next square dance to be performed will be on November 21. Remember, all dances are taught, so come on over and have fun.

ACH DU LIBER! Today is the last day of the big Knutshmeller name the what'sit contest. All names for the what'sit should be submitted to the OCE-DO office (Room 215) before midnight, tonight. The grand prize is still a cold bottle of "Pilner" which Mr. Herman didn't get at the Linfield game last week. We were too busy and got your entries in.

There will be a meeting of the Campus Christian Council, Wednesday, October 24, at 4 p.m. It will be held in CH 110.

FRESHMAN INITIATION HOWLING SUCCESS

Kangaroo Court, that much dreaded occasion, was finally over, but not without incident. Friday night turned out to be quite a riot.

Freshman "offenders" were brought up for trial and charged with such misdemeanors as lint on their beauteous, playing footsie in the library, apple polishing, not wearing beaded, being too friendly with sophomore women, not prancing their socks, failure to like like and numerous other accusations. The jury, unbiased, without prejudice or malice of thought, turned in a verdict of "guilty" on all cases.

Above are scenes that were "Enjoyed" at the Kangaroo Court

Crimson "O" Meet

Under the direction of Mr. Bobb, his new adviser, the Crimson O Club has outlined several projects for the coming year. Plans are underway for a series of dramatic renderings to be produced for various groups during the year. The cast members will be chosen from the club membership.

Plans were also begun for the high school visitation group. This trip will include a dramatic presentation which must be ready by the first of the year.

Ski Club Takes Name

"Schussmeisters" (the new ski club name) met recently and elected officers for the club. Bonnie Schults, president; Ted Henry, vice-president; Florence Palmrose, secretary-treasurer; and Larry Baker, historian. The new club adviser, Miss Hest, was introduced and Peggy Hobbs gave a talk on skiing techniques.

Students wishing to learn skiing techniques are invited to attend club meetings.

**Shirk Leads Scoring**

Don Sherk of the Keg Tappers helped his squad record 30 points in intramural football this season. Winning the team name is a maneuver-up with 44 points for the Sex Six squad.

The league leading East House crew got bumped twice in their two outings last week. They fell prey first to the Villagers by a 25 to 12 score. Tuttle again led the Villagers with 13 points. They ran off by passing to Harley Wilks for two more TDs. Russ Baglien also scored for the Villagers.

The East House crew couldn't quite make up the deficit as Ed Zurflueh rushed 22 yards for the score. Spray scored on a two yard TD pass to Tupper for six and scored once himself.

On a slippery field the Bombers got loose to score three times against East House to win 19-13. Dick King led the Bombers to victory by scoring twice himself, once on an interception, and he passed to Paul Pajetz for the other score. For best House Ed Zurchin again scored once and passed for a TD to Gordy Miller.

The home team leader Don Sherk also scored on a 10 yard TD pass to the Outgers 27-7 as "The Arm." The Bombers knocked in the second TD as jigil Kauffman went all the way to score on a Yardkick off return. The Keg Tappers and Villagers fought over a score in that big battle 19-6. In the rugged contest John was "The Arm". Vermuel passed to Walker and Sherk for scores, and John went 60 yards for another. The Keg Tapper scores. Pat Snell, McManus missed the Linfield game last week because of a back injury but he'll be back in action. As soon as the injury is under control he'll be back in the starting lineup.
