Service Clubs Select Pledges

For the purpose of choosing new members, the two honorary service clubs, Staff and Key and Colleto Coeds, held their usual semi-serial tea in the faculty lounge. Several freshmen, sophomore, junior and senior women with satisfactory grade-point averages were invited to attend these teas to become more acquainted with the club leaders.

Staff and Key held their tea January 19, at 5 p.m. Most of the evening was spent visiting with the prospective pledges Coralie Doughten entertained the group with two vocal solos, after which punch and cake were served. Committee appointees by Jane Num, president, were: refreshments, Fran Moser and Ruth Schwebel; decorations, Glenda Hamers and Darlene Grucho; cleanup, Coralie Doughten, Margie Rodgers and Lisa Krutscheid; and entertainment, Merle Scotts.

Following the tea, the members held a business meeting at which Coralie Doughten was elected temporary vice-president. Donna Alness, member who requested to be inactive this term as she is practice teaching. The meeting was called to order by Jo Ann Ekkin, vice-president, and concluded by Jane Null, president; Merle Scotts, secretary; Margie Rodgers, treasurer; Bev Blhum, reporter; Lisa Krutscheid, historian; and Lois Smith, song leader.

Sunday, January 22, at 2 p.m. was the time of the Colleto Coeds' tea. Games, Cecil Miller and his accordion, and the men's quartet highlighted the evening. General arrangements for the affair were made by Jo Ann Ekkin, vice-president, and Pat Patterson, secretary, and the group's president, Jo Ann Ekkin is vice-president; Ruby Zelach, secretary; Kaye LeFranq, treasurer; and Marcia Yoder, reporter.

Many strange things are happening and many strange sights will be seen when the pledges go on parade today. Those pledging Colleto Coeds are Bonnie Newell, Kathy Miller, Estelle Smith, and Wanda Stevens. Mary Ann Jensen, Jan Pederson, Sherry Ripple, Bonnie Shellas and Nancy Adams.

Sneak Preview Tonight

Tonight at 8 o'clock in Colleto Coed hall auditorium the students of Oregon College of Education will get their chance to see the high school talent show.

The entire cast of acts will perform for the first time before the high school trip is started, and if the amount of work put into each act is any indication of the success of the show, it should be a very good one.

According to Bob Barnes, student director, "the people in the cast worked hard on their act and have given us a show worthy to represent OCE in the high schools. We can guarantee an enjoyable evening tonight!"

Todll Hall Tea Is Well Attended

Approximately 70 people attended an informal tea held at Todd hall last Thursday afternoon, announced Marcia Yoder, social chairman of the event. This tea, sponsored by Todd hall each term, was open to all students and faculty.

Cookies, cake, and sandwiches were served with choice of coffee or tea to all those attending. Mrs. Heas, Mrs. Wingler, Mrs. Johnoson, Mrs. Stedman and Mrs. Lens poured.

Sue Kobayashi and Jane Yasurara set up the tea tables decorated with a centerpiece of yellow and white chrysanthemums bordered by yellow and white candles. Mrs. Thompson handled all table arrangements.

Nida Moyer, Rosalie Gibbelen, Nancy Esselstrum, Sally Dues, Worth and Sharon Penland supplied the tea tables. Serving on the clean-up committee were Jerry Anne Bailey and Merle Soults; Jane Yasurara served at the hostess.

Delegates from OCE Invited to Conference

OCE has been invited to send delegates on March 23-25 to the 3rd Oregon Older Girls' Conference which will be held at the Menasha conference grounds. High schools of high school seniors and facultv are invited to attend OCE. It is sponsored by the Oregon Council of Church Women and is an interdenominational, inter-racial association of girls who are leaders in high school and college groups, and other community clubs. The theme of the conference is "Seek and Ye Shall Find."

Workshops which will be held throughout the week-end are in art, worship, daily living, religious drama, music, vocations and teaching in the church.

This conference is an opportunity for leadership training on the part of the girls who are leaders in school and in church groups.

Any girls interested in attending are asked to see Miss Sears, a member of the women's dormitory, before March 19.

Folks' Festival Committee Heads

Chairmen for the event this year are: Joe Balfe, Gordon Miller and Ed Zurch. Invitations have been sent by the college to the OCE parents, but the "Tomorrowland" advisor to the committee, Dr. Corley, and the chairman again urge each student to write a personal invitation to his or her parents. As stated by the group, "This is an excellent opportunity for all OCE parents to see at first hand, college life on our campus."

The long hours of work and planning of the Folks' Festival committee and student executive council will soon be realized, as the inauguration of Dr. Roy E. Lieuallen the 14th president of Oregon College of Education is drawing near.

Under the general chairmanship of Dr. Floyd Albin, the general officials of the OCE-educational departments and executive student council officers have made all arrangements for this event to be held at 2 p.m. in the Campbell hall auditorium, Saturday, February 6. Working with Dr. Albin is Miss Hill, who is employed in the president's office.

Members of the faculty planning committee are: Programs, Dr. Post, Mr. Edling, and Dr. Chaffer; invitations, Dr. Dale; re- servations, Mrs. Hutchinson; Executive council members, Pat Holman, president; John Devitt, first vice-president; Jeanette spinney, second vice-president; Phyllis Seid, secretary and Dan Bemple, financial secretary, have been present at the planning meetings.

Before the death of the former president, Dr. Robert J. Maaske, last spring, Dr. Lieuallen's job was administrator in charge. Since the 20 year old Prince Luis Campbell in 1932, Dr. Lieuallen, 39, is the youngest presi- dent of the local college to be inaugurated. Dr. Lieuallen has been with the college since Dec., 1946, as registrar and coordina- tor of instruction. He served as chairman of an installation committee during Dr. Maaske's absence in an assignment in Turkey from December, 1952, to April, 1953.

From one-room country ele- mentary school near zone, Ore- gon, President Lieuallen's edu- cational attainments have climb- ed to an Ed. D. degree obtained at Stanford two years ago.

Mark Haffield Slated

To Speak at OCE

State Senator Mark A. Haffield will present the second in a series of political speeches on February 3, at 2:30 p.m. in the Campbell hall auditorium. Senator Wayne Morse was the first speaker to address OCE stu- dents.

Senator Haffield is dean of students at Willamette universi- ty. He plans to run for Secretary of State in the coming state elec- tions.
FOR MEN-ONLY!

Now is the time for all good men to come to the aid of the OCE women! With only two weeks remaining before the Sweetheart's Ball, the time for asking the fair lady to be your date is here. Perhaps you feel you need more advance notice, but in the case of a formal affair, an advance invitation is extremely appreciated so the gals have a chance to make long-range plans concerning evening gowns. Many girls may not have formal gowns immediately; therefore, an advance invitation of at least two weeks would be appreciated in case a formal affair is planned. There is also a possibility of pre-invitation days to a formal should be at least ten days. Besides providing adequate planning time, it also gives the OCE girl's mind as to "if" and "with whom" she might be going to the ball.

So, how about it, fellows—the success of the dance depends largely on the response that we get from the men. For the future, try to attend the dance primarily on your shoulders. Why not break the news to her now?

Achievement Tests Are Necessary Before Entering Teacher Education

Much misunderstanding and confusion has arisen concerning the achievement tests formerly given to seniors immediately before entering the school of education in Oregon College of Education. Miss Claire Corwin, secretary to the Dean of Students, has issued a statement which may be of interest to educators and students.

The independence elementary school has second grade teachers Donald Stoll, Geraldine Good, supervising Miss Custer; and third grade teachers, Ronald Smith and Ruth Wood, supervising Mrs. Pearson and Mrs. Cowley.

In the Henry Hill school are fifth grade teachers, Donald Wascomb, supervising Miss Zinn; sixth grade teachers, Loren Reid and J. Bowman, supervising Mrs. Pearson and Mrs. Cowley.

The Oregon College of Education campus will be the site for the Northwest Conference on Higher Education, February 3 and 4, according to Dr. Franz Heine, professor of higher education, who will help interpret youth's role in the colleges.

Other members of the conference faculty include: Canon Hill, president of Hamilton College, a director in the educational research and testing division of the Association for Institutional Research of the Chicago Board of Vocational Guidance; and Dr. W. H. Cowley, Stanford University professor of higher education at Stanford since 1945. Dr. Cowley combines both practical experience and scholarly study in his research in higher education. He received a degree of doctor of philosophy from the University of Chicago in 1934.

The Oregon College of Education campus will be the site for the Northwest Conference on Higher Education, February 3 and 4, according to Dr. Franz Heine, professor of higher education, who will help interpret youth's role in the colleges.

Each of the seven teachers are according to the students' needs, but the tests are taken care of during the testing period.

What Is Kappa Pi?

Kappa Pi, national art honor society, is composed of students in all schools of art whose work has shown promise or promise. The society is open to all students who have demonstrated ability in the field of art. Membership is based solely on the work done by the students and is determined by the faculty advisor of the chapter at the school. The national officers are:

- President: Lane Meade, Ray Nelson, Ruth Nichols, Shirley Riddle, Phyllis Smith, Patricia Harris, Patricia Patric, and Georgann Bradburn, supervised by Mr. Pearson. The school of education is supervised by Miss McFarland and Mrs. D. Scott. The student principal is Mrs. B. Heath.

LITTLE MAN ON CAMPUS
by Dick Niber

THE Monday, January 30, 1956

I'm back again. Have you guessed who Cyrano is yet? Just look for the long nose on the campus—that's me!

Last week intramural fashions were featured in this column. It must have brought out the imagination and creative ability of the women for over the weekend a style show was held on the second floor of Todd Hall. Each creation was quite striking; in fact they could have been called the "costumes of tomorrow." All types, shapes, forms and colors of pajamas were featured. Accessories were added to give one that dressed up feeling. One high heeled shoe, one white hosiery, combinations of various colors, ridiculous hats, jewelry and gloves were all added tidbits of fashion.

To wind up the whole fabulous affair, the girls decided that it was time for a “cleaning.” They “cleaned” one of the girls rooms by throwing her clothes in the shower. Oh well, it was all in fun—I hope.

Everything grows big in Texas and Texas Hall is no exception. It’s been said that the rats are so big down there the students end up running Diet Coke can dance with them without bending over.

It seems that some of the boys in the dorm have created a new social custom known as a "Leadership" class for one hour on Monday evenings during the month of April.

Dr. E. W. Warrington from Oregon State will be the discussion leader.

The class was held last year and those who attended said it gave helpful information on the development of the qualities needed for leadership. Although this is a non-credit course, the real value will be the advancement of one’s personal character rather than the strive for a credit hour.

All students interested are asked to fill out the blanks in their P.O. boxes and return them to the box marked "Leadership Class."

Boston Pops Orchestra
Next in Concert Series

Yesterday at 3 p.m. the Ballet Russe De Monte Carlo was awarded reservations from O.C.C. and Oregon State. The main features of the program were divided into three parts consisting of: 1. Les Sylphides, a romantic reverie; 2. Pas De Deux Chamique, Black Swan with a violin solo by Lubow; 3. The Mikado and 4. Blue Danube, a Viennese public garden.

The Ballet Russe De Monte Carlo tour is under the direction of Columbia Artists Management.

The next Corvallis concert series will be held Sunday night, February 19, at 8 o’clock. The Boston Pops Orchestra will be featured.

Student Council Takes Leadership Class Policy

The Student Council is conducting a poll to determine how many students would be interested in attending a non-credit "Leadership" class for one hour on Monday evenings during the month of April.

During the period from January 23rd to February 6th the new policy of reserve books will be featured. Over-night reserved books may be checked out at 3 p.m. daily and weekend reserve books may be checked out at 4 p.m. on Friday.

All students planning to complete requirements for graduation at the close of the winter, spring or summer terms, who have not yet filled out the necessary application for graduation, should call at the registrar’s office at once and do so. Those students who plan to complete junior or senior certificate requirements in the fall must have brought out the imagination and creative ability of the women for over the weekend a style show was held on the second floor of Todd Hall. The Oregon College of Education JV's racked up victory number seven and lost number four over the weekend as they split with the McMinnville Townies. The JV's won the Friday night game 52 to 33 and then bowed to the "Townies" on Saturday evening 52 to 50.

In Friday night's tussle the OCE JV's led most of the game and at one time they led by 14 points. The men from McMinnville put on a rally in the last minutes of the game but were unable to catch the JV's. The men from Marshfield were led by Ralph Johnson with 23 points and Gary Marvin with 16. The "Townies" were paced by Jerry Hanville with 19 points.

On Saturday night the OCE JV's again led most of the game but this time the late rally by the "Townies" was enough to defeat the OCE JV's.

The leading point makers for the JV's were Gary Milton with 18, Doug Zitek with 17, and Ralph Johnson with 10. The highest scorer was again Hanville who collected 15 points.

The third meeting of these two teams and the McMinnville team was won two to two. The OCE JV's in the first meeting the OCE JV's were the Most Valuable Basketball team. The McMinnville team won two while Wayne, who alternates at center and forward, was chosen as the Most Valuable Player.

Wayne Young, a 6'3" sophomore from Coos Bay, is the Lamron's featured "Player of the Week."

Wayne, who alternates at center and forward, was chosen as the "Most Valuable Basketball Player" last year by his OCE teammates.

At Marshfield, Wayne's basketball career was climaxed in 1953 when he was a member of the state championship team. The next year he was a member of Marshfield's squad when the Pirates placed fifth in the state.

In his freshmen year at OCE, "Moose" scored 231 points, placing him as third high scorer on the Wolf team. He was also one of the top 15 scorers in the Oregon Collegiate Conference.

As the season draws to an end, Wayne has scored 99 points in 13 games for a 7.61 points per game average.

OCE Tastes Victory But Owls Retali ate

The potential Wolf winning ability came to a climax last Friday night on the OCE maples when the home squad matched a win from the visiting Wolves, 62 to 49. The sweet taste of triumph, however, turned sour, as the Owls retaliated Saturday evening by winning the second contest of the weekend series 64 to 61.

The first win boosted the Wolf pack from the cellar by a half game lead over the Owls, but the Saturday night defeat pushed Oregon College back into the OCC bottleneck with a 1-4 record and lifted Oregon Tech by bringing their mark up to 24-12.

In the Friday night tussle, OCE made its game-winning march early in the second half. The Owls broke the 26-all halftime score by tallying two quick baskets. The lead, however, was unseized, as the Wolves, sparked by Cecil Miller and Ron Jones, compiled a 10 point 40-30 haul. They retained this lead spot for the remainder of the game.

The final clincher for the Wolves was made by Doug Zitek, who posted three field goals in the final eight minutes with 19 and 30 points.

The Owls retaliated Saturday evening with 22 counters, followed by 30 points by Bob Hippe, 22 and 50 total points.

Percentage wise, the Wolf pack scored 37.2 from the floor and 45.1 from the foul line for a 31.4 total. Jones followed with 13 points.

Darryl Girod with 14 points.
