**Christ, Hope of the World?**

"Christ, the Hope of the World. What!! How could he be?? How could one man do a job that the leaders of the world cannot accomplish? One man pitted against the world. What could he do in the face of a hydrogen bomb?"

"Christ, the Hope of the World. How ridiculous! He isn't even around today. Look at what he preached: love, kindness, faith, hope. They won't stop any man in higher education last Monday, April 4."

**POURRIDGE

We have given Don McKenzie credit for a little more fame than he has mustered to date. Early this week we printed on this page that Sam held the school record in the 100, 220 and broad jump. Well, he does hold one of those, the 220, with a fine mark of 21.5. However, the over the century and broad jump records are still at large. Hoy and Osborn; Diller Green
