Malcolm To Show Alaskan Movies In Campbell Hall

Dr. Jack Edling, assistant professor of sociology, has announced that Malcolm, a renowned photographer, will be available to the students of the OCE Campbell Hall auditorium on Thursday, March 14. Malcolm will present his feature color films "This Is Alaska" and "Tundra Haven." Spectators will see a "first" in filming the only known led for the Spring session are as follows: Modern Language 12—First Year French, English Composition, Mr. Sta- more of a lengthy beaver trap line. 

Class Representatives Will Help Troubled Are you in a rut concerning what grades you have? Not troubled because you are confused as to the correct procedures? If class representatives have stereotyped and already written summary, they should have gone through most of the tests, I start to reason... In filming the only known record of a movie, in color, about six years ago, the chambered conch bull mose battle for supremacy. Photographed, compiled and recorded. According to the two color films include the following days: MW, MWF, of a lengthy beaver trap line. 

About this time my eyes rest on the printed schedule are: Ed- ing cards all day and have six whtwe I'm drinking a cup of coffee, a horrible thought enters my mind... The senior class announce-

examinations are here. Time to borrow your roomie's notes.

The senior class announcement was made in the CI bulletin board. The deadline for ordering announcements to be printed is March 7. Seniors are asked to sign their cards if they desire printed announcements they wish to order. The price remains the same this year, 15 cents each. Each ex- pected delivery date on announcements is the first week in May. Payment must be received, or in advance, may be made in the college book store.

Class Announcements Should Be Ordered Prior to Wednesday

Senior Class President Loren Scott has called for a special meeting of class gift committee members Wednesday at 9:30 p.m. in CH 110. A decision at this meeting as to whether the senior class gift must be made at this time. Seniors who are interested in this project are welcome to attend.

Eastern Star Offers Aid To Junior Women

Any junior woman who is a member of the junior class and member of the Order of Eastern Star in Oregon, is eligible to apply for a $100 scholarship being awarded by this organization. Applications were received from Mrs. Helen D. Lande, the Grand Order of Eastern Star of Oregon, and the first scholarship was given to a student at Oregon College of Education. The Order of Eastern Star scholarship is to be set aside for the purpose of providing financial aid to women students who meet the requirements. The scholarship is to be awarded to a student at Oregon College of Education at the end of the junior year to a senior woman in the Order of Eastern Star. The recipient of the scholarship is to be chosen by the senior class. The scholarship is to be used to aid in attending the senior class gift ceremony.

Washington Has Need For Scientists, Etc.

There is an urgent need for chemists, mathematicians, metalurgists, physicists and electronic engineers in the D.C. area, the United States Civil Service Commission has announced. Vacancies are in various Federal agencies and pay salaries ranging from $4435 to $8,110 a year.

To qualify for positions paying $4435 a year, applicants must have had appropriate education or a combination of education and experience, the position of electronic scientist, appropriate technical or scientific experience alone may not be sufficient. For higher-grade positions, professional experience is also required. Graduate work may be substituted for all or part of this experience. Separate application and position of written test is required.

Further information and application forms may be obtained at many post offices throughout the country.

Dripping hair, mud splattered white skirts,lickers,skirts and pants stained red from pom-poms, and hot and cold chills are all characteristic of the rally girls during football and basketball seasons. All these discomforts are not enough to dishearten them for, according to them, they enjoy every minute of it.

Making her last rally appearance this year was 5' 3" Lois Smith, yell queen. Born and raised in Albany, she left there last year when her leader in junior and senior years while attending Albany high school. "Lo," a junior in elementary education, will leave a vacancy not only of office but of sparkling personality and charming spirit.

Hailing from Hay Springs, Nebraska, is Franklin Kathy Miller. This 5' 5" pixie graduated from Springfield high where she was yell leader her senior year. Here at OCE Kathy is majoring in elementary education and is a member of Collecto Coeds.

Blonde, blue-eyed, 5' 4" Wanda Meede claims Browns Valley, Minnesota as her original home. But as of late, Waldport is a stomping grounds and her alma mater is Waldport high where she was yell leader her junior year and yell queen her senior year. She is majoring in elementary education and is a member of Kappa Phi, art honorary.

Now a sophomore at OCE, he is planning to enter the field of social work. Denny lives off campus this year and can be given much of his free time for his new hobby.

A sophomore from Philomath, Willie Phelps is majoring in the field of elementary education. What with high school and has participated in athletic activities but rally squad seemed to suit him fine for he says, "It is a lot of fun and I would like to try again next year if I'm still around." Gene Hume from Walla Walla, Wash., had two years' yell experience in high school. A freshman, Gene plans to enter the field of pharmacy.
Diamond Men
Open Season
With Pacific U.

Forty boys turned out for base-
ball practice last Monday as the
OCE diamond season got under
way. Of these 12 were returning
lettermen.

Coached by Bob Livingston
the OCE varsity lost only four
of its baseball veterans from last
year's team. Jack McRae, the
leading hitter is one of the most
serious losses. He played in the
outfield. Besides Jack, OCE lost
Chuck Christiansen, third baseman,
Stan Kerzel, utility; and John
O'Donnell, a catcher.

The 12 returning lettermen
are: Larry Buss, centerfield; Ron
McKichan, second base; Barry
Adams, left field; Wayne Osh-
born, catcher; Gene Owens, first
base; Ted Owens, third base;
Kelly Hoy, pitcher; Dan Scroen-
son, shortstop; Russ Wells, pit-
tcher; Ken Sorensen, pitcher.
Lyon Huston. Lyon is a one year
letterman returning from two
years in the armed forces. Wayne
Oshorn is a two year letterman
and Gene Owens a three year
man. All others are one year let-
termen.

Of the 20 new members on the
squad, there are some outstand-
ing prospects. "Perk" Ramsey, an
outfielder, Dwaine Brandt, pitch-
er and outfielder; and Joe
George, also pitcher and outfield-
er, head the list. George is a
fresh from Chiloquin, while
Ramsey is a transfer from Clark
Univ. Freshmen Bryan and pole
vaulter. Norm Berreman,
miller; Harrison Bryan, pole
vault; and Harold Holdorf, high
jumper and pole vaulter.

Work Out Kinks
For Track Meets

Despite the rain and soggy
condition of the track, 27 men
turned out for the first practice
of the year for the Oregon Col-
lege of Education track team
held last Monday.

Coached by Ken Cummiskey,
the track men will take part in
their first meet on March 31,
when they participate in the
Willamette Relays. Other meets
during the season will pit OCE
against Portland State, Pacific
U., Portland U. Linfield, Clark
U.C., George Fox and Portland
Track and Field club. A futuris-
tic look is also being cast on the
conference meet to be held in
LaGrande on May 19.

Of the 27 men turning out for
practice, seven are return-
ing lettermen and no new
students in the armed forces. Wayne
