

ELECTION
RETURNS
REVEALED

In the general election held in 5 districts yesterday, 33 candidates were assured of office in the Community Council next year. No elections were conducted in Districts 1, 3, 8, and 9 because the number of candidates in each equaled the district's representative quota.

Voting in districts in which elections were held averaged better than 90% turn-out of franchised residents, according to a preliminary estimate released this morning by the office of the Community Government.

The councilmen-elect are: (Dist. 1) Paul Fujii, Frank Fukuda, Kaoru Kimura; (Dist. 2) Hachiro Yuasa, Yoshio Taira, James Yamamoto; (Dist. 3) Shigeru Kosakura, Masaaki Sakakihara, Harry Tawa, Kiyosuke Nomura; (Dist. 4) John Izumi, Kay Nishida, Masuji Fujii, H. Hirakawa; (Dist. 5) Clarke Harada, George Ochikubo, Saiki Muneno, Kenji Fujii; (Dist. 6) John Iwatsu, Eiichi Sato, Shiro Shibata, George Hoshide; (Dist. 7) George Hagiwara, James Nishimura, Tsune Baba, Masato Maruyama; (Dist. 8) Takatoshi Yamamoto, George Shigezumi, Shigetoshi Shigio; (Dist. 9) George Ikeda, M. Kanemoto, Mitzi Shiraishi, Frank M. Matsumoto.

The inauguration ceremony will be conducted within a few days. The new term will begin in 14 days and extend for 6 months.

45 VOLUNTEER
FOR SCRAP
METAL DRIVE

Forty-five volunteers from the City assisted in the Delta scrap metal drive Tuesday, according to Claude C. Cornwall, chief of the Employment Division. The men who volunteered their services gratis received hot lunches prepared at the Latter-Day Saints chapel of the second ward at Delta.

This was the second time that residents of Topaz helped in the Millard County scrap metal drive. On Nov. 8, 50 tons of scrap metal were collected by 170 volunteers.

ICE SKATING
RINK NEARS
COMPLETION

The ice skating rink located in the recreation field south of Block 38 neared completion this week as the cold morning weather froze the 6 inches of water poured into the site on Dec. 24.

The floor of the pond had been levelled through the voluntary efforts of Jimmy Fudenna, tractor operator.

The 410' by 440' rink near Rec 38 is being rushed to completion by a staff under Takahashi, it was added. A refreshment counter, juke box, check-room, and mural paintings are included in the plan.

Music, bon-fires and benches are expected to add to the patrons' skating enjoyment at the rink.

BEAN SPROUT
EXPERIMENTS

A SUCCESS

As the culmination of a series of experiments conducted by Hi Korematsu, head of the Agricultural Research Department, 125 pounds of the finest quality bean sprouts were grown in Laundry 28 under the care of Mr. and Mrs. S. Toguchi.

In order to insure a sufficient supply for each dining hall, facilities are being set up for the production of 1800 pounds per week. Rated high among the vegetables in vitamin C content, bean sprouts have an added advantage in that they mature in only 7 days. Residents who are interested in this field are asked to contact Hi Korematsu at the Agricultural Division.

戦ひと経済で 自治市運営の 新中心機関確立 各候補者接戦展開

トパール自治憲法確立後初の参事員総選挙は昨二十九日施行、市民衆の神聖なる審判を経て自治体運営の新中心機関を確立するに至つた選挙戦の状況は、四個の無投票区を除き、他の六区においては各候補者それぞれ、鋭々相摩する接戦を演じ、又各選挙区有権者は七割以上九割近く投票を行ひ、今回の選挙に對して非常な熱意を示した。これは極めて注目すべき處で、その最も大きな原因としては、大選挙区制を採用各ブロックが区内において自ら競争意識に燃へた点を指摘し得ようが、選挙本部及び各選挙区委員の活動奔走が與つて力あつたことを見逃し得ず、頗る多とする處である。開票結果次の如し（印は当選者、新は新選出、舊は舊参事員、△印は次点者）
