1943 COUNCIL HOLDS FIRST MEETING

In a joint meeting of the newly elected Community Council and the former temporary Council last Thursday, Tsune Baba and Masato Maruyama were tentatively appointed chairman and vice chairman, respectively. A formal selection of officers is expected in 2 weeks.

Dr. Carl Hirota, chairman of the 1942 Council, expressed the gratitude of the councilmen for the assistance and co-operation of Robert S. Iki, section head of the Community Government office and Lorne W. Bell, chief of the Community Services division in the establishment of self-government for Topaz.

Highlighting the introduction of the 1943 councilmen was the presentation of Miss Mitzi Shiraishi of District 9, who has the distinction of being the only councilwoman.

The Council accepted the Education department's recommendation that the 2 elementary schools be officially named "Mountain View" and "Desert View."

EVACUEES EXEMPT FROM VICTORY TAX

"Evacuees employed by the WRA are not subject to the new 'Victory Tax' which went into effect throughout the nation Jan. 1," stated Ralph C. Barnhart, project attorney.

"Under the provisions of the revenue act, a deduction of 5% will be collected and paid to the government by the employer on all wages in excess of \$624 per annum or \$12 per week. Since evacuees working for the WRA earn incomes less than the exemption, and subsistence furnished evacuees is not considered as remuneration for services, most evacuees are not subject to the tax," he asserted.

Evacuees earning prevailing wages through private employment outside the project are, of course, subject to the tax. Income from sources other than salary or wages is also subject to the 5% tax, which in this case must be paid in a lump sum on Mar. 15, 1944.

The "Victory Tax" is to be effective throughout the war's duration. After the war, a portion will be returned to the taxpayer, providing that he or she has not already claimed certain credits toward regular income taxes allowed by the 1942 Revenue Act.

The proportion returned will be 25% for single persons, 40% for married persons and 2% for each dependent. However, the maximum return is \$500 for single persons, \$1000 for married persons and \$100 for each dependent.
