TOPAZ QUINTET BEATS DELTA HI IN BASKETBALL

Led by Kiyonuke Nomura, center, the Topaz Carrier Service basketball team sked out a brilliant 39 to 36 victory over the tall, fast-breaking Delta High School quintet last Monday afternoon at the Delta High court. Although the score may indicate a close game, the Carrier Service players consistently held the lead except in the first quarter when they trailed 14 to 8. With Nomura entering in the second quarter, the local team unleashed a drive which brought it a lead of 16-16 by the end of the half.

In the third quarter, Etsuie Takehara, Harry Sekigahama, George Yonekura and all-Kinoto bombarded the basket to increase the lead to 8 points. Finally in the fourth quarter, Deltsana black and Pace combined their lay-up and one-handed shot to come within 2 points of tying the score.

Topaz stars were Nomura (11 pts.), Sekigahama (7 pts.), Kinmoto (7 pts.) and Yonekura (4 pts.).

Last Monday's game was the third in the series of straight victories won by Topaz basketball quintets against various teams in Millard County. In a high-scoring clunker last week, former Sun Matsumoto outplayed the same Delta High team by score of 44 to 39. The "A" squad of the Topaz City High "all-stars" lopped the Hinckley High School team by 37 to 17, while the "B" team nosed out the Hinckley reserves by 27 to 24. In a follow-up game, Hinckley was defeated for the third time.
