GOVERNOR MAW INDUCES NEW COUNCILMEN

At a ceremony witnessed by over 250 residents and members of the local WRA Administration, Hon. Herbert B. Maw, Governor of the State of Utah, administered the oath, officially inducing the 33 members of Topaz’s first permanent Community Council into office, the tenure of which is 6 months.

The banquets which accompanied the inaugural ceremony were opened with the singing of the National Anthem by Councilwoman Mitzi Shiraishi and an invocation by Rev. K. M. Kunate.

Performance included a violin selection by Miss Ernestina Teraishi, vocals by Miss Mitzi Shiraishi, a piano solo by Miss Emiko Sakurai and a harmonica concert by Toshih Suzuki.

Professor Chiyu Otsuka, after an address delivered in behalf of the residents, presented his water-color painting “Evening Glow,” depicting a local sunset scene, to the Governor. A second painting was given to Dr. Carl Hirota, chairman of the 1948 temporary Council, as a gesture of appreciation for the services of the former Council.

Chairman Toshimi Ogawa introduced the Governor and Mrs. H. B. Maw, and his party, which included Mr. and Mrs. Tracy R. Welling. Welling is the head of the State Department of Agriculture.

In an address preceding the induction process, Project Director Charles F. Ernst outlined the role of the Council and its significance to American democracy. He then called upon the Governor to swear the new councilmen into office.

Those attending the banquets were individually received by Governor and Mrs. Maw at the close of the affair.

USE GATES—DON’T CLIMB OVER FENCES

JACL OFFICERS SPEAK TONIGHT AND TOMORROW

To represent the national Japanese American Citizens’ League, Mike Hamasaki, executive secretary, Hito Okada, treasurer, and Larry Tajiri, editor of the Pacific Citizen, are expected to arrive at Topaz from Salt Lake City today for a week-end visit.

The JACL officials will meet with local League members tonight at 7:30 at Dining Hall 32.

Tomorrow Hamasaki will speak from 8:30 PM at a meeting to which the general public is invited. The location for the assembly is to be Dining Hall 32. A discussion on various phases of evacuation and resettlement will follow Hamasaki’s address.

USE GATES—DON’T CLIMB OVER FENCES

An imperative need for a sufficient supply of blood plasma was recently disclosed by the Topaz City Hospital. To meet this situation, it is urged that more able-bodied residents volunteer to have their blood typed and to offer themselves as available for emergency blood transfusions. For residents to do so is to actively aid in the saving of human lives.

Recently a commendable and humanitarian gesture was made by the block managers, who as group registrants with the hospital as potential blood donors. As a memorandum regarding the need for donors is being circulated through the City by the hospital, the residents shall follow the example of the block managers without delay.
