**DRAFT REGISTRATION FOR NISEI YOUTHS, 18-19, BEGINS**

Selective service registration for all 18 and 19 year old males of Topaz who have not yet been registered began this morning at the city hall, 1-9-43. Expected to be resumed tomorrow at 10 AM and completed by 1 PM, this compulsory registration is estimated to affect about 250 residents in this age group, stated Bob Iki, head of the Community Government section.

Those in this age bracket include boys who have attained the minimum age on or since June 30, 1942.

In cooperation with the Millard County draft board, a group of prominent community residents are duly sworn into the office of registrars in a brief ceremony yesterday afternoon, for the purpose of conducting the enrollment.

Serving as chief registrar, Tanno Koba, chairman of the Community Council, appointed Toshimi Ogawa, Rev. K. Kuwata, Vernon Ichikawa, Saiki Muneno, Sue Yamashita and Bob Iki as assistants.

**DUST---**

The recent dust storm in Topaz played havoc not only with all work in the camp but caused cessation of work in the relocation buildings and the residential area. All workers were allowed to return for their homes andişness services were provided for them to their respective blocks.

Dust and other conditions were also reflected in the dust storm which started Monday and continued into Friday.

**PAY STATION OPEN TONIGHT**

For the convenience of workers who are unable to claim their pay checks during the day, the Topaz Pay Station at 4-12-8 will be open this evening from 7 to 8:30 PM.

December checks are available for workers in these divisions: all dining halls, Delta kitchen and cattle ranch mess, community, Community Welfare, Consumer Enterprises, Community Government, Fire Protection, traveling kitchen crew, Project warehouse, Property Control, Public Works (except winterization workers).

**HOLD MEETING TO ORGANIZE JACL CHAPTER**

All former officials of the Japanese American Citizens League and residents interested in the organization of a JACL chapter in Topaz are invited to attend a meeting at 20-120, Monday night, Jan. 25, after the weekly roll call, according to John Yoshino of the former Alameda JACL.

The purpose of the assembly is to select a central committee which will formulate plans and investigate procedures for setting up a league chapter.

**VOLLEYBALL TILTS ON TAP**

Four girls' volleyball tilts are slated for tomorrow afternoon, according to the CSL. In the junior high division, District 4 "A" team meets District 2 at Block 29 from 2:30 PM, and District 3 "B" at Block 34.

The senior high tilts will start at 3:30 PM as follows: District 1 "A" vs. District 2 at Block 10 and District 1 "B" vs. District 3 at Block 29.
医師の欠乏の実状を照らして
行政部当局も取り組む

医師の欠乏は医療機関の運営に大きな影響を及ぼす。特に、医師の数が不足している地域では、患者の待ち時間が長くなり、医療の質が低下する傾向がある。行政部当局もこの問題に取り組み、医師の確保と配置、医師の育成などの対策を講じている。

また、医師の給与や福利厚生の向上も重要である。医師の満足度が高まれば、医師の動向に影響を与えることが期待される。
