LIQUIDATION OF CANADA PROPERTY TO START SOON

Liquidation of property held by Canadian Japanese on the Pacific coast appeared imminent as warnings were given by Glenn MacPherson, representing the Canadian government's secretary of state and the Custodian's office, that advertisements would appear immediately informing the public that the properties were for sale.

Meanwhile the Amalgamated Property Owners' Association in Victoria, B.C., was informed by its legal advisors that nothing further could be done to prevent the disposal of this property short of legal action, and was urged to take action as soon as possible in view of the warnings given that liquidation would begin at once.

The association, according to the New Canadian, asked for a speed-up in contributions and prepared to go to court to test the legality of the liquidation procedures.

MORE FARM WORKERS NEEDED

The nation-wide scarcity of food will become very apparent in our dining halls this fall and winter unless Topaz citizens respond immediately to the labor shortage in the Agricultural Division.

Because of the short growing season, all of our truck crops must be planted this month. A number of these crops must be planted by June 15 in order to mature before the frost, which usually occurs in September.

The statement that the government will feed us is true, but neither love nor money will buy food or anything else if it isn't available.

The land selected for the truck crops is the best soil on the Project. Valuable stands of alfalfa hay were plowed up in order to prepare the land for vegetables. The land is not first-class truck gardening land, but it is far more productive than many tracts of land farmed by Japanese in California.

Now is the time to remedy a bad situation next fall. The truck gardening section must have 100 more men to carry out its planting program. So let's go to work on the farm and have something to eat next fall besides rutabagas and parsnips.

"PLAYER OF THE WEEK"

Unquestionably the undisputed "Player of the Week" was pitcher NIHIE YASHIGUCHI of Blk. 26 A. Hashiguchi is probably Toppez's fastest softball hurler, easily surpassing both Honda and Sano. His merits are not based on speed alone but on accuracy as well. He proved last Sunday by striking out 9 of undefeated Blk. 5's batters, walking 4, and allowing only 8 hits out of 32 times at bat.

Runner-up for honors is KEN OTA, Blk. 3's ace 3rd baseman, who made a spectacular double play. Diving for a hard line drive, he stopped it, and then quickly after he got the man coming down from 2nd, and then hurled the ball to 2nd for an automatic double out.

Laurels also should be given to TAKAMOTO, Blk. 5's southpaw hitter, for his cover-all playing of short center and for his decisive place-hitting.

Not to be forgotten for his "never miss" performance against Blk. 16 A is IKE FUJIMOTO, Blk. 3's light-footed book short.

Credit also should be given to Blk. 15 AA's 3rd baseman, KAZ KATO for his part in the victory over Blk. 20 AA's ten.

LACK OF MANPOWER

Due to the lack of manpower Internal Security has dropped out of the Industrial A League.

12"AA" SWAMPS 20"AA', 13-41 TIES WITH 11 FOR LEAD

5 BEATS 26, 5-3!

Highlighted by the hurling duel between Yuk Sano and Nibby Hashiguchi, undefeated Blk. 5 triumphed over unbeaten Blk. 26, 5-3, Sunday.

Gaining a three point lead over their opponents in the first inning 5 appeared to be heading toward the victory road, but 5, paced by the excellent short fielding of Tak Takamoto and the hurling of Yuk Sano, though hold for the first three innings, came through with 3 runs in the 4th. Both teams hold each other in check throughout the next two innings. Then came the decisive 7th. With 3 out, all Blk. 5's Mas Hirota and Frank Inamasu clinched the game with their two runs. 5 then held a determined 26 scoreless, thus winning the game, 5-3.

In an unexpected, unpublicized AA game, Blk. 12 completely overwhelmed Blk. 20, 13-4, last Sunday. Playing a heads up game Blk. 12 from the 1st to 7th inning scoring steadily while holding their opponents to 4 runs and 5 hits.

In the history making 6th Blk. 12 unleashed a terrific batting offensive with Igouy, Kaz Kato, Sammy Isoya, Frank Ura, and Min Ishida doing the scoring, Blk. 20 tried to score against the dominating 12 team, but in vain, although Tak Nakata did score a run. The powerful Blk. 12 again ran up the score in the 7th to 3 runs, this time by Mas Nakamoto, Kaz Kato, and Sammy Isoya. Blk. 20 again tried to rally, but were again stopped.

With this victory Blk. 12 is now tied for first place with Blk. 11 in the National League.
