VOLUME XV

OREGON NORMAL SCHOOL, MONMOUTH, OREGON. FRIDAY, NOVEMBER 12, 1937

NUMBER 3

Outstanding Group of Plays Promised for Tonight

Purposes, Trends Modern Education Dugdale Subject

By Mary Alice Foster

"The normal school is a place for the professional training of the average teacher; the cultural training of the university lacks the practical approach gained through actual teaching under the close supervision of a critic teacher," said Dr. Ralph Dugdale when asked his opinion of normal schools.

Dr. Dugdale, superintendent of Portland public schools, addressed the Oregon Normal students Monday, November 8, giving the purposes and trends of modern education.

Intrinsic Compensations of Teaching

Teaching is idealistic. Satisfaction and service and not dollars and cents are the main returns. The knowledge that our influence touches the children at the most impressionable age should make us strive to be good examples. If you do not like teaching, stay out, for it is the finest profession in the world.

Education a Factor in Child Growth

In the teaching profession there is only one force to contend with not found in any other profession, the criticism of parents who do not realize that the alphabet and the three R's are no longer the outstanding factors of the school curriculum. Education is only one of the forces of child growth. We must consider the home, church, community, radio, and other outside factors.

Teaching Mental and Physical Task

Education cannot be divorced from physical life. A healthy child is a teachable child. Thus, teaching is a physical as well as a mental task. A well trained teacher should know how to handle subject matter, what to do in an emergency, how to build and analyze programs, and how to check results. Critic teachers can

(Continued on Page Four)

Campfire Girls Choose Officers

Oregon Normal's newly organized Camp Fire chapter had a party at Arnold Arms, Monday evening. Forty of the 58 members were present, and each girl introduced herself and told where she was from and how long she had been at Normal. The hostesses, Myrtle Moore, Jean and Ellen Polson, Margaret Allen, and Elinore Felt, planned a number of games which helped everyone to become better acquainted.

Mrs. W. A. Barnum, guardian for the group, told of the anticipated visit to the campus of Theodore Harper, noted author and benefactor to Oregon Camp Fire groups.

Officers were elected to serve for one half year from the group of girls, who, for the most part, hold high rank in Camp Fire work. Lucille Jungck was chosen president; Josephine Poe, vice-president; and Helen Malcolm, scribe. All of these girls come from Portland and hold the rank of torch-bearer in Camp Fire. Jean Polson of Portland was chosen secretary-treasurer; Myrtle Moore of Estacada, song leader; Mary Alice Foster, also of Portland, assistant song leader; and Helen Goodmecht of Silverton, pianist.

Formal Initiation For Theta Delta Phi

Formal initiation for new Theta Delta Phi members was held on Tuesday evening at 8:30, November 2, 1937 for Norman Allen and Ormand Aebi. Arthur Evanson presided. Membership cards were made out to the applicants by Norval Nass, the secretary.

Theodore Harper Campus Guest

Theodore Acland Harper, author of "The Mushroom Boy," "Siberian Gold," "Kubrick the Outlaw," "Allison's Girl," and many other well known books, will be a visitor in Monmouth on November 15 when he will speak to local Camp Fire girls' organizations. In the afternoon he will talk at the training school and in the evening he will speak to the Normal school Camp Fire girls in the living room of Jessica Todd Hall.

Mr. Harper, a member of the national camp committee, has visited Camp Fire girls in both the United States and England. He recently wrote the creed for the new rank of Trail Seeker, which younger Camp Fire girls earn. "Uncle Toby," as he is called by those who know him, has had many hair-raising experiences since his birth in New Zealand, the country which forms the background for his "Windy Island." As a mining engineer in Siberia, he learned to know the natives with whom he worked very well, and to appreciate the hardships which can be endured during a northern Siberian winter. Many of his adventure stories originated from true incidents which took place during his stay in Siberia.

Mr. Harper will speak to the Camp Fire girls and their mothers during the afternoon of November 15. The younger girls will be interested in his story of "The Murdered Baby," a real hair-raiser. "The Gray Monk," a story of his experiences while in England recently, will be featured during the evening talk in Jessica Todd Hall. All girls who are interested in hearing him are invited to attend the meeting.

Ellensburg Wins In Close Game

In one of the hardest fought ball games of the year Ellensburg Normal nosed out the Oregon Normal eleven in a game played at Yakima, Washington, Thursday afternoon by the margin of 9 to 7.

Things were just about even in the first half but the big damage came in the second half when the Ellensburg boys started to drive and the Monmouth eleven was weakened by several injuries.

This was the second successive defeat for O.N.S., after winning four and tying two games.

The last game of the schedule will be played Friday evening, Nov. 19, when the Wolves tangle with the St. Martins eleven at the hop bowl in Independence.

Student Body Gets New Microphone

The Oregon Normal School student body has been the recipient of a microphone unit which is to be used for any activities where it may serve to advantage.

The Associated Men Students presented a vaudeville during last spring term, the proceeds of which they used to buy this unit, consisting of a microphone which can be used with the audition unit of the school's present moving picture machine, and a desk and floor stand for the mike. To use the microphone it is necessary to attach the "mike" to the photo-electric cell of the moving picture machine and connect to the electric lighting system.

The school has long been looking forward to owning a microphone, and many uses will be found for it. Its use at assembly programs and basketball games will greatly add to the pleasure derived from such student activities. It can not be used for football games as audition unit of the motion picture machine is unsuited for outdoor use.

The machine is kept in the new administration building. Organizations wishing to use the equipment may do so by making arrangements with E. A. Stebbins.

Hallowe'en Party Gives Thrills

A Hallowe'en party was held in Campbell Hall the evening of October 29. Activities were under the auspices of the various county clubs. The Subterranean Passage, sponsored by students from Tillamook, Columbia, and Clatsop counties, was really a thrill. The moans and groans given forth there were enough to frighten the boldest football player.

The Washington-Yamhill group made Blue Beard's cave very realistic. And, oh, that operation! Norman Allen of Polk county made it seem very genuine. In room 21, Multnomah county had several booths for fortune telling. There were astrologers, palmists, and card readers. Clackamas county had a chamber of horrors. After all this everyone was glad to arrive at Polk county's refreshments. The party ended with the refreshments and games in the recreation hall, led by the out-of-state group.

Santee Guest Speaker At Joint Banquet

J. F. Santee was the guest speaker at the joint initiation banquet of Phi Beta Sigma and Theta Delta Phi on November 1 at the Monmouth Hotel. The program consisted of a reading by Helen Malcolm and solos by Arne Jensen.

Harvest Time Formal Theme

The fall formal will be held in the physical education building at 9 p.m. Saturday, November 13. "Harvest Time," the theme of the formal has been worked out by the committee which consists of: Arne Jensen, chairman; Betty Wilson, decorations; Alice Rose Johnson, invitations; Winnifred Davies, programs; and Hugh Hassell, refreshments. "Church and his Deacons," an orchestra from Salem, has been secured to play for the formal.

The patrons and patronesses will be: President J. A. Churchill, Dean Helen Anderson, Miss Jane Potter, Dr. and Mrs. E. F. Barrows, and Mr. and Mrs. J. A. Cox.

Student body cards will be required for admittance. Programs are being issued this morning in Campbell Hall.

International Club Hears Jensen

Room 22 of Campbell hall was filled to overflowing last Wednesday evening for the third International Relations club meeting of the term. The speaker was Arne Jensen, who presented slides taken during his summer travels in Europe and told some of the highlights of his trip.

Many of the pictures were taken during the International Boy Scout Jamboree in the Netherlands and showed scouts from nearly every country of the world. It was interesting to note that Italy and Germany were the only major nations not represented, because they no longer have Boy Scout organizations.

Other pictures were of the beautiful old cathedrals at Milan and Bologna, the canals of Venice and Amsterdam, and the picturesque Robbers' Castles on the Rhine.

La Danza Holds Formal Initiation

La Danza held its first formal initiation last Monday evening in the dance room in the physical education building. The new members welcomed into the club were: Mildred Quigley, Portland; Joan Gibson, Portland; Bessie Christenson, Empire; Kay Foster, Portland; Martha Blair, Monmouth; and Garnet Smith, Monmouth.

Following the initiation a reception was held.

A week of pledging, which consisted of doing a short dance every time they met a club member, preceded initiation.

Crimson O Drama Society in Spotlight

The Crimson "O" dramatic society presents tonight at 8:15 three one-act plays.

"Shanghai," by W. Stuckes, a drama of the day of sailing vessels, has its setting in the inn owned by

a woman whose livelihood is acquired mainly through the pay she receives for doping men and sending them into the services of a murderous slave-driving sea captain. This innkeeper is portrayed by Lucille Bailey. Bert, played by Ferdinand Jensen, is in love with the inn waitress, Pearl Sovren.

Because of illness, John Roth will not take the part of Joe Patch. It will be taken by the director, Charles Coleman.

"Her Doll," is a comedy fantasy with a well balanced cast of eight players. The heroine, a beautiful and sophisticated young lady is ably portrayed by Martha Blair. Florence, Helen Fisher, and Betty Lee, Margaret Lindahl, are a couple of wise-cracking young ladies. The hero and man of the hour is Hilary, Arnold Turnbull. His assistants in crime Tom and Eddie, played by Gerald Newton and Wayne Jordan. The comedy element is Eustace, Wendell Waldon, who is madly in love with Bobby. All of the girls fall in love with the Prince, Warren Conyne, who is handsome and has the most beautiful manners. The Prince becomes engaged to all of the girls, but Hilary rescues them from becoming members of a harem. Of course it ends happily for everyone except Eustace.

To "A Flattering Word" even the Reverend Loring Rigley will succumb. The sober and sedate fellow student, Clifford Rich, ably portrays the part of Reverend Rigley. The master of the English accent, Jack Powers, becomes a dashing Lionel Barrymore in the role of Mr. Tesh, a noted actor. Supporting these two masculine leads are: Helene Allen, devoted wife of Reverend Rigley; Mrs. Zooker, Dorothy Cobb, who is more than anxious that her daughter Lena, Doris DeLap, should exhibit before Mr. Tesh her acting ability in the hope that he may place her on the legitimate stage. Under the direction of Louise Starr, who is assisted by Vernon Chenoweth, as stage manager, Mary Blatchford as property manager, and Gladys Greenlee as costume manager, the play will be presented.

Civic Club Sponsors Jungle Picture Here

On Thursday, Friday, and Saturday nights and Saturday afternoon, November 11, 12, and 13, the Civic club of Monmouth is sponsoring the noted motion picture "Elephant Boy." The film is based upon one of Kipling's Jungle Tales, dear to the heart of all children. A Hindu boy and a herd of elephants, photographed in India, are the leading characters.

The play is recommended as one of interest and enjoyment, not only for children, but also for adults.

Through the cooperation of Ross Nelson, the picture will be presented along with the regular features. The price will be as usual five cents for children, 15 cents or two for 25 cents for adults.

The Civic Club is a member of the Federated Women's Clubs and proceeds will be used in maintaining a loan fund for worthy students as well as for community improvements.

Northwest Leads In Enrollment

To northwestern Oregon go the enrollment honors for the fall quarter, according to statistics recently released by the registrar's office. Of the total enrollment of 430, 378 students gave one of the 13 northwestern counties as their home. Polk county heads the list with 86, and Multnomah county is a close second with 81 registered.

The enrollment by counties is: northwestern Oregon: Benton, 13; Clackamas, 31; Clatsop, 10; Columbia, 19; Lane, 32; Lincoln, 7; Linn, 20; Marion, 40; Multnomah, 81; Polk, 86; Tillamook, 9; Washington, 25; Yamhill, 15. Eastern Oregon: Baker, 1; Deschutes, 2; Gilliam, 1; Grant, 4; Harney, 2; Hood River, 6; Malheur, 1; Sherman, 1; Umatilla, 1; Wasco, 7; Wheeler, 1. Southern Oregon: Coos, 6; Douglas, 6; Klamath Falls, 3. Of the five other states represented, California leads with 4 students registered. Washington is second with 3; Montana, Minnesota, and Kansas each have one.

Exchange Papers In New Room

Something new and entirely different is being carried out this year on the campus in regard to the exchange newspapers from different schools. In the student room, located back of the bulletin board in Campbell Hall, will be found newspapers from the leading high schools, colleges, universities, and normal schools of Oregon. Some of the paper exchanges are: The Beacon, White Ribbon Review, Tech-O-Gram, Pine Murmurs, The Wild Cat, The Tower, Campus Crier, Cleveland College Life, The Lewistonian, The Oange Peel, The Billings Polygraph, The Journal, Collegiate Digest, and The Pacific Index.

Students should see Jen Swire, Lamron exchange editor, or Virginia Fell, assistant, to obtain other exchanges.

Honor Group Initiates Ten

A banquet at the Monmouth Hotel followed the initiation of 10 new members by Sigma Epsilon Pi, the evening of October 26. The impressive ceremony was held in the music room of Jessica Todd Hall. H. E. Inlow was the speaker of the evening and urged the development of wholesome imagination. The invited guests were: Miss Eloise Buck, Miss Lucille Wall, Miss Mary Donaldson, Mrs. Elsie Bolt, all returned after leaves of absence, and Miss Ellen Jane Potter, Miss Genevieve Brown, Miss Esther Bonnicksen, Miss Kaye Gardnir Carroll, Miss Eleanor Gill, Mr. and Mrs. Inlow, Dr. and Mrs. A. S. Jensen, and President J. A. Churchill.

The 10 new members are: LaTrelle Moore, Eugene; Clara Syverson, Independence; Belva Waggoner, Monmouth; Helen Malcolm, Portland; Frances Maxwell, Baker; Enod Phelps, Otis; Amy Adeline Porter, Monmouth; Helen Fisher, Klamath Falls; Lucille Jungck, Portland.

At the last meeting of the fraternity prior to the initiation the following officers were elected: Solvig Erickson of Portland, president; Pauline Payne, Ontario, vice-president; Rachel McLaughlin, Milwaukee, secretary; Enid Graul, Portland, treasurer; and Blanche M. Jackson, Portland, warden.

The Student's Store

WOLF SPORTS

House Basketball Season Starts

W. A. A. opened its house basketball season last Tuesday night amid the shouting enthusiasm of the audience. Sportsmanship and fine playing technique was evidenced by both games from start to finish.

The first game featured the First and Second Floors of Jessica Todd Hall, in which the Second Floor came through victorious by a score of 30 to 20.

The second game marked victory for the Third Floor of Jessica Todd Hall over Cornelius Hall. This game was featured by several tricky passes and plays and was perhaps the most exciting game, as the score of 12 to 6 shows.

There will be two tournament house games every Tuesday, Wednesday and Thursday night for the next three weeks.

Order of O Club Holds First Meeting

"Order of the O", women's athletic organization on the O.N.S. campus, held its first meeting Monday, November 1. This club is composed of outstanding girls in the W. A. A. who have earned at least 250 points in various inter-class sports. One of the objectives of this club is to encourage the winning of 500 points by each "Order of the O" girl, which will entitle her to a sweater.

Election of officers was held with the following girls taking office: June McGinnis, Troutdale, president; Gladys Greenlee, Monmouth, vice-president; Ramona Luethe, of Portland, secretary-treasurer; Betty Williams, of Warrenton, and Olive York, Monmouth, reporters.

Other members are: Dorothy Cobb of Monmouth and Hilda Speal of Lebanon.

Mrs. Hazel Blackerby is adviser for the group.

And where were you on Wednesday afternoon when the Wolf "Cubs" played the Willamette "Bearkittens"? Really, the boys played a good game that was well worth watching. The "Cubs" deserve better support from the student body because, after all, they aid in the conditioning of our first string, and will be our "Red Granges" next year. — Mayhaps you had to work and couldn't attend? Fo'give me! Fo'give me! But, supported or not, the "Cubs" gave a good account of themselves and won 6 to 0. — Many future stars are on that team!

Last week the boys journeyed to Ashland and defeated the Southern Oregon boys by a score of 6 to 0.

It won't be long now until we engage in indoor sports. What to do to pass the time away? Excursions to a well known knoll will have to be abandoned — and some other activity will have to be engaged in. Mayhaps we could form a pinocle or "500" club for the boys and have tournaments. It is rumored that there are many card sharks here who would enjoy an evening spent in this manner.

The call for aspirants for the basketball team has been issued and from the appearance of the boys that have turned out, we should have an excellent team. Perhaps it's a bit early to do any forecasting!

"Count your many bruises Count them one by one" —

And how many of you had bruises on your shins "the morning after" our Halloween party? The "Subterranean Tunnel" — "Hades" — or whatever you called the basement, really was something, wasn't it? Really think that everything was nicely attended to and that everyone had a very enjoyable time — and could those two gypsy ladies really paint up a face! Ye scribe must confess that he had the most enjoyable evening of this short time here. How about you, and you?

Heard on the way home one evening — "Gee, I wish that the library could be kept open a little longer in the evenings. Seems as though I just get started studying and it's time to go home!"

Wonder if some arrangement couldn't be made so that the library could be kept open longer in the evening and on Sunday? It would be a great help, especially to those students who are batching and working. By the time the day's work is finished and the evening repast is completed — even if it is just hash or stew (the voice of experience now speaking) and the neces-

Wolves Win From SONS

Playing on one of the worst fields of the year, the Oregon Normal Wolves edged or splattered out a 6 to 0 victory over the stubborn Southern Oregon Normal eleven at Ashland, October 30.

Expecting to take the game in stride, Coach Cox took 28 men to the southern city, but only found cause to use half his men for the Elephants proved they were just about as strong as their name sounds.

The first quarter saw the SONS in possession of the ball most of the time, driving deep into the Wolves' territory as the first quarter ended 0 to 0. In the second quarter the Wolves finally managed to get possession of the ball but for a very short time. Simpson, fullback for the SONS, started throwing passes in the closing minutes of the second quarter and the gun stopped his attempts deep in the Wolves' territory. Score ONS 0, SONS 0.

The first half showed four first downs for Southern Oregon Normal and one for the Oregon Normal. The third quarter was the only bright spot in the game for the Wolves as Shilling, substitute halfback for the SONS, dropped back to his own 20-yard line and punted 44 yards to quarterback Bud Nygren. Nygren, with plenty of good blocking, carried the ball back 47 yards, placing it on the SONS 17-yard line. "Hula Hips" Granchich then tore off tackle for seven yards, and on the next play Mike was stopped on the two-yard line. Nygren went over standing up on the next play, slanting off his own left tackle. Granchich's try for point was wide by inches. Score ONS 6, SONS 0.

This seemed to bring the fire into the southern team as Simpson started out on a wide end-run but ended up by flipping a 23-yard pass to Schilling, who picked up eight more yards before lateraling to Esselstrom, left end for the SONS. Granchich immediately ran Esselstrom out of bounds on the 15-yard line. The Wolves' stubborn defense held the SONS at this point and ended the SONS' scoring chances for the day. The final score was ONS 6, SONS 0.

Johnson, 270 pound tackle for the SONS, was by far their outstanding man of the afternoon. Because of his weight he couldn't be moved out of the plays.

really isn't much time left, before closing time, to be spent in the library. A half an hour's increase in the time limit would help considerably.

And now by gazing in the crystal ball, I see that there are many good things coming in the near future: The formal dance will seem be upon us — ah, Cupid, where art thy darts? — and the Crimson "O" plays are coming.

"If the Army and the Navy Ever gaze on Heaven's scenes, They'll find the streets all guarded By United States Marines." Seems as though those Marines will always be watching something.

Ho hum, and to bed. Remember that every time a fellow puts a new idea across he finds a lot of people thought of it before he did — but they only thought of it!

WOLF-ERETTE SPORTCAST

By Mary Fossatti

Girls who are interested in basketball should be glad to hear that the house volleyball tournament will be started soon after basketball is out of the way.

All girls on house basketball teams are reminded to keep an eye on teamwork, sportsmanship and ability of individual players, as girls of these characteristics will be chosen for the junior women. Now is the time to start earning those 500 points it takes to be awarded a sweater! Girls who turn out for everything will be well repaid.

Some of the house teams are showing much speed and accuracy on the basketball court. How some of those shots drop through so neatly is beyond knowledge. Some very fine passes and plays have also been noticed by one house in particular! Which house? Come out to the games during the coming week and you'll see!

From authoritative information it has been shown that only 50 per cent of women students take part in some athletic recreation. What's the matter with the other 50 per cent? Get in and join if possible. It has too many physical and social values not to take advantage of!

It might be a good suggestion to all hiking enthusiasts to get in as many miles as possible before the weather gets too rainy — or is it already?

During an exam period at the University of Washington, one of the professors left his students alone for the entire test period. Someone asked him if he wasn't afraid the students would cheat. "Oh no," he replied. "I turned the final grades in yesterday." —Cleveland Life.

Simpson with his accurate passing arm and Shilling doing his receiving, was a very troublesome set of boys during the afternoon. Dave Howard, for ONS, got off the best punt of the day. Standing on his own goal line, he booted a 63-yard punt that pulled the Wolves out of a bad hole.

Kadow, at end, and Sullens, at guard, played their best defensive games of the year and were the two outstanding defensive men of the afternoon. Kadow's afternoon was spent in rushing passers and kickers and if it hadn't been for his rushing Simpson so fast, things might have been different. Sullent, at guard, playing his best brand of ball, was in on every tackle and couldn't be kept out of the plays.

This was the hardest game the boys have played this year and it sary homework completed, there was the second time in the history of the SONS that they have lost a homecoming game. The first game was last year when the Wolves defeated the SONS, 7 to 0.

Lutherans Victors Over Wolves

The game played at Tacoma last Saturday between Pacific Lutheran college and O.N.S. was another of those contests where one team does all the work and the other team does all the scoring. The O.N.S. boys were the ones who did the work and Pacific Lutheran did the scoring, winning 6 to 0.

It was in the first minute of the game that Miller was pulled back out of the line to kick for Monmouth on his 22-yard line and the pass from center was too low to get off a kick; consequently, Kvinaland, right end for Pacific Lutheran, blocked Miller's attempted kick and without losing stride, gathered the free ball in his arms and galloped 22 yards untouched for a touchdown. The try for point was wide.

The most important point of the Washington boys' win was the outstanding punting of quarterback Stan Fries. Some of Fries' kicks were better than 70 yards, with one kick going 90 yards.

The Wolves looked like real champions in mid-field but as they moved down near the goal line they couldn't muster up enough extra punch to put it over for that all-important six points.

This was the second victory of the year for the Lutherans and the first defeat for the Teachers. Statistics show that O.N.S. made 10 first downs to Pacific Lutheran's none. O.N.S. rolled up 193 yards from scrimmage to Pacific Lutheran's 51 yards.

Sullens and Kadow were outstanding in the line for Monmouth.

Professors at the University of Georgia sit back and watch their mechanical test-paper grader do the work for them. This electric device is capable of correcting exams of the true-false or the multiple choice variety and, at the same time, record the grade on a meter, said F. S. Beers, examiner of the University System of Georgia.

It works on the principle that a soft pencil mark conducts electricity, stated Mr. Beers, who helped develop the robot-scorer. As each paper is inserted in the machine, electrode blades descending on the paper will determine which questions have been answered correctly. —Cleveland Life.

And according to the latest reports from China, the Japanese are becoming pretty bomb sports. —Chico State Wild-Cat.

Pie Social Swells School Lunch Fund

The annual pie social was held Friday evening, November 5 at 8:00 o'clock in the I.O.O.F. hall. At this annual event all the service clubs of Monmouth and the surrounding territory cooperate under the leadership of the Elkins Women's club, to provide food for hot lunches for the children of the Monmouth training school. The social began with a program given by children of the training school and students of the Oregon Normal school. Some of those participating were: Rudolph Rada, in an accordian solo; a group of songs by the second grade of the training school; The Tired Old Horse and Little Willie, tap dance by Edna Mae Cooper; readings by Mr. Hall and Bessie Christenson; tap dance by Elizabeth Caldwell; and "The Operation" by the Polk county group of Oregon Normal.

Despite protests of faculty members that professors are not absent-minded, evidence to the contrary can always be presented. Prof. T. D. Stewart of the chemistry department at the University of California lectured to the wrong class for an hour and 20 minutes recently. —Cleveland Life.

SOCIETY

FACULTY DINNER

The faculty dinner for the Fall term was held at Jessica Todd Hall Tuesday, November 3 at 6 p.m. The tables for the dinner were decorated with white candles and ivy as the center piece and the place cards were little Pilgrims. After the dinner, coffee was served in the music room, where the hostesses entertained the guests with musical selections. The program consisted of a vocal duet by Sybil Pettys and Marjorie Eggiman, accompanied by Margaret Gilstrap; piano solo, by Margaret Harrington; vocal solo, by Sybil Pettys, accompanied by Margaret Gilstrap; and a saxophone solo by Dorothy Brown, accompanied by Bessie Christensen.

HOLD INITIATION

Initiation of new members into Omicron Pi Omega was held at the home of Eleanor Pettingill on Thursday evening, November 4. After an arduous grilling the following members were admitted into the society: Marian Howe, Albany; Florence Pitzer, Yamhill; Elizabeth Christensen, Monmouth; Hazel Palmer, Eugene; Belya Waggoner, Monmouth; Rita Hansen, Salt Lake City; Dorothy Tomlinson, Monmouth; Mary Soiber, Portland; Mabelle Amundson, Minneota, Minn.; Stella Boswell, Beaverton; and Velma Bacon, Tillamook.

A committee has been appointed to

plan a Thanksgiving pot-luck dinner for the next meeting.

DRAMATIC SOPRANO

Mrs. Irene Johnson, dramatic soprano of Portland, entertained at Campbell Hall in a recent assembly. Her repertoire included a number of well-loved classics such as, Primi's "Gianina Mio," "Om Belle Dec" from the light opera "Madame Butterfly" by Puccini and two numbers by Brake, "Down Here," and "Life." Everyone enjoyed her rendition of Brahms' "Wiegand" in the original German.

FACULTY HOMES

Several members of the faculty are building homes in Monmouth this fall.

E. A. Stebbins is moving into his new home, which has just been completed on South Whitman street.

H. E. Inlow, professor of history and sociology, will soon occupy his new home, a charming Cape Cod cottage. It is located at the corner of Jackson and Craven streets.

Mrs. Florence Hutchinson, head of the music department, has recently purchased a home in Monmouth.

ARNOLD ARMS

A merry evening was spent in celebration of Hallowe'en Monday evening, October 31, when the girls of Arnold Arms gave their Hallowe'en party. Each girl of the Arms invited a guest. Myrtle Moore was in charge of the entertainment for the evening.

Monday evening, November 15 the boys of West House and the girls of Arnold Arms are planning to give an exchange dinner dance. Arrangements for the affair are being made by a committee in charge consisting of Dave Saleeby, Ken Bach, Myrtle Moore, and Bettie Wilson.

CAFETERIA USES

Any group from Oregon Normal School may use the cafeteria for parties Friday evenings from 6 to 9. County clubs or social groups interested may have access to the room and equipment.

These are the requirements for those using the room: schedule with Mrs. John Black for the time desired; have a chaperone in the group, a faculty member, a house mother, or a town citizen; and leave the room clean and orderly.

COMING EVENTS ARE LISTED

- Nov. 12 — Assembly, sponsored by Phi Beta Sigma; Crimmon "O" plays in Auditorium at 8 p.m.
- Nov. 15 — Assembly, sponsored by Polk county group; Camp Fire meeting in Jessica Todd Hall; Exchange dinner, West House and Arnold Arms.
- Nov. 17 — Assembly, student program.
- Nov. 19 — Special Assembly, novelty program by Pearly Young, given by Northwest Dramatic Circuit; game, O.N.S. vs. St. Matrons, at Independence at 8 p.m.

LAMRON SOCIETY REPORTER LIST

Among the reporters on the Lamron are those regular members of the society staff who have charge of the news from all the clubs and organized houses on the campus. These people are in complete charge of their respective departments and all news must come in through them. Any items of interest, pertaining to a particular organization, may be referred to the person who acts as regular reporter for that organization.

Following are the names of these special reporters and their assignments:

Hazel Palmer — Coos, Douglas, and Lane Counties
Margaret Gilstrap — Marion County
Margaret Harrington — Multnomah County
Jean Quall — Arnold Arms
Georgia Gibbons — Cornelius Hall
Gertrude Scharf — Hewett House
Alice Pyatt — Howell House
Eva Davidson — White Hall

CAMPFIRE GROUP ORGANIZED

A Camp Fire group is being organized on the Oregon Normal School campus. At the introductory meeting October 26, in Campbell Hall, Mrs. W. A. Barnum, versatile adviser, discussed the varied activities in which girls may participate and the requirements for membership in the Camp Fire ranks. She emphasized the fact that all activity should be spontaneous; a pleasure not a duty.

The girls decided it would be better to elect officers after everyone was acquainted. Accordingly the Arnold Arms girls held a get-acquainted party November 8, from seven to nine o'clock. Myrtle Moore was appointed chairman of the entertainment committee. Meetings will be held at various campus houses on the second and fourth Mondays of each month.

EDUCATION WEEK OBSERVED

American Education Week was observed Wednesday, November 10, at on "open-house" at the Monmouth training school. Parents visiting the classes for the lay were served hot coffee with their lunches in the high school gymnasium.

A cabbage shower and parade was staged by the children of the Monmouth training school Tuesday morning for the benefit of the hot lunches.

Seventh grade pupils in a study of airplanes have sent for and received a large aviation map, illustrating routes and types of planes.

Polk and Marion county teachers meet in institute in Salem today.

COOS-DOUGLAS-LANE

On the evening of October 19 the Coos, Douglas, and Lane county group met in the dining room of the Training School for their club dinner. The Mexican motif was used in decorating the tables with cacti, red and yellow crepe paper, and two huge bowls of chili.

Miss Laura J. Taylor, faculty adviser for the group, related some of the traditions of the school and discussed plans for making the club outstanding in its work.

Following the dinner, the club elected the following officers: Homer Parks, president; Alta Brooks, vice-president; Pearl Lengele, secretary-treasurer; and Walthea McKean, reporter.

STAFF AND KEY

Staff and Key's formal initiation was held Sunday evening, October 31, in the music room of the dormitory. In a very impressive ceremony, the following girls were formally initiated into the club: Jean Polson, Gresham; Edna Shrock, Woodburn; Noreen Connolly, Portland; Clara Syverson, and Joyce Johnson, both of Independence.

CLACKAMAS

At a meeting of the Clackamas county group, October 26, the following officers were elected: Linden Lunday, president; Donald Trapp, vice-president; and Roberta Grettie, secretary-treasurer. Dr. A. S. Jensen is adviser for the group. The group is planning to give the social hour on Friday, November 19.

MULTNOMAH

Ben Brandon was elected president of the Multnomah county club at the first meeting of the group for this term. Mildred Quigley and Dorothy Brown fill the offices of vice-president and secretary-treasurer, respectively. Margaret Harrington is the Lamron reporter. These students are all from Portland.

Attention — Multnomah county! All members will be needed for the mock operetta to be given in assembly on December 1. This program promises to be a side-splitting event. Lucille Jungke, chairman, will be assisted by Alice and Kay Foster, Maria Raz, and Georgia Bracken. President Brandon is also giving full support to a proposed county fair, to be an annual occurrence of the club.

There will be a question box in the new Student Room. Any suggestion will be welcomed and discussed at the meetings.

APPENDICITIS SYMPTOMS

Did you know that an abdominal pain on the right side accompanied by nausea, often indicates the possibility of appendicitis?

DO NOT:

1. Take a laxative, eat food, or drink water.

2. Apply heat.

DO:

1. Call the health service.

2. Stay quietly in bed.

While making physical examinations this fall, the health service discovered that a number of students have a history of chronic appendicitis or show a tendency toward it. If you are one of those persons, it is well to avoid large quantities of roughage in food; but, on the other hand, it is important to maintain regular elimination. This can be accomplished by using a lubricant such as mineral oil and maintaining a balanced diet.

The health service is open from 8 to 12 and from 1 to 5 Monday morning to Saturday noon. Dr. D. H. Searing is in attendance from 8:30 to 9 in the morning and from 4 to 5 in the afternoon.

All students are entitled to health service.

Room calls by the nurse are part of the health service and entail no extra charge, but if a call by the doctor is necessary there is a \$1 fee.

ANNOUNCEMENTS

Phi Beta Sigma — Meets first and third Wednesdays at 7:15 p.m. in Room 23.

Staff and Key — Meets second and fourth Tuesdays, at 6:30 p.m. in Room 10.

Multnomah County Club — Meets on Thursdays (no regular time), at 6:30 p.m. in Room 13.

Polk County Club — Meets first and third Tuesdays, at 10:40 a.m. in Room 11.

La Danza — Meets Mondays, at 8:00 p.m. in P.E. building.

MARION COUNTY

Marion county's musical program, presented November 1, consisted of the following numbers announced by President Conyne of Woodburn: Popular piano selections by Alice Rose Johnston of Salem; Hawaiian guitar solo by Al Stiemens of Salem; accordian solo, by Rudolph Rada of Mill City; and two classical piano selections, by Betty Smith of Portland.

THETA DELTA PHI

Theta Delta Phi held a business meeting at which Norman Allen of Monmouth and Ormand Aebi of Dallas, who have met the stipulated requirements, were formally initiated. The Theta Delta's fund for sending a delegate to the national convention is rapidly increasing, — reason, the students' healthy appetite for hot dogs.

DUGDALE SPEAKS

(Continued From Page One)
not give all the formulas for all problems to be met. It is necessary to develop a code to fill in the spaces not filled at Oregon Normal School.

Curriculum Committee Appointed
Today, in Portland, there has been appointed a curriculum committee

of 250 teachers and principals. The new curriculum will be evolved by those with first hand knowledge of curriculum problems. It will not be static but will constantly improved in methods of procedure and in content. It is necessary for all teachers to attend summer school every other year to keep abreast of the times. The educational problem today is to chart the course of study and give the training to the boys and girls by educative devices integrated through your personality. A course desirable for every teacher is one in the psychology of understanding children and human relationships.

Teachers Should Sell Education

It is part of the teachers' job to sell education, for we can go just as far in education as we can build public opinion. The least important task of the teacher is teaching subject matter. A skillful teacher is out of the limelight and is a guide to the pupil participation. The class is the keenest judge of your teaching ability. The root of discipline problems is most often found in the teacher herself, and fair play is the keynote of good teaching.

No Locked Doors in Education

There should be no locked doors in education. Freedom to teach facts without prejudice, that is, guiding the children through communism, facism, and nazism, and letting them choose democracy as the best because they know its strengths and weaknesses, is an important part of education in the United States. Democracy demands an intelligent citizenship.

Equalization Law, Oregon Prospect

Today, Oregon stands 48th in the United States for the amount of money the state sets aside for education. Within a year or two an equalization law will be introduced to the state legislature bringing the same educational advantages to rural and city schools. Education will no longer be a local problem. It will become state-wide and even nation-

wide.

Human Equation of Prime Concern
Finally, the human equation is the primary concern of today. The greatest step in modern education was the recognition of the fact that every child presents an individual problem and that the curriculum must be broad enough to provide for these differences. The human approach is vital in guiding and developing the lives of the young people.

EXTEND THANKS

The faculty social hour committee with Miss Jane Potter as chairman, wishes to express its thanks to the advisers of all the county groups and the county groups in making the Hallowe'en party a success. The county clubs have agreed to sponsor the Friday night social hours and on Friday night, November 19, Linn, Lincoln, and Benton counties will furnish entertainment.

EASTERN OREGON

At a meeting held October 20, the Eastern Oregon club elected the following officers: Arnie Turnbull, of Hood River, president; Francis Farley of Arlington, vice-president; and Marguerite Hall, secretary-treasurer.
