Revisions Suggested in Initiation of Frost

The Student Welfare Committee held its first meeting of the year in the faculty lounge of the Library building on Tuesday, November 13. Student members present were Don Danielson, Dale Courey, Robert Bruno, Edith Robinson, and Elma Hagen. Five faculty representatives were also present.

Many problems of student welfare were discussed at this meeting. It was pointed out by Dr. Denis Moran that the radio in Maple Hall is not working properly. Dale Classroom agreed to check about possible repair of the radio.

Frisbee initiation was discussed as a new sport. It was suggested that the committee would do constructive assignments. It was suggested that the freshman homeroom might be built to represent some traditional idea. Mid-term exams should not be held during Homecoming week. It was suggested by the committee that a meeting of the freshmen and sophomore class officers for the purpose of reviewing this year’s initiation and planning for next year, should be held soon.

Other matters discussed at the meeting concerned the use of the faculty lounge for formal initiation, the late assignment of student and freshman class officers, and the fact that many students are not getting acquainted with their advisors.

A brief history of the student welfare committee was set forth. It was first organized about five years ago and only faculty members were asked to serve on it. Two years ago it was recommended to the president that the work of the committee be made more effective if the membership were intended to include an equal number of students. Each committee member has the responsibility for being alert to student needs and complaints, and for bringing this information before the committee. This committee has an executive power; it can only suggest to other officers, committees and organizations that the student welfare program might be improved by certain additions or changes. It was suggested that the student members of the committee be introduced to the student body in order make it possible for students to bring their suggestions or complaints to them.

Assembly To Be Held 1 P.M. Today

Coronet Magazine, in cooperation with all leading educational agencies, has produced a series of sound films called "Are You Ready for Service?" There are 14 reels in the series which were produced in an attempt to help American youth adjust to our new pattern of life. Each reel, of course, has been shown fortunate enough to secure three of these films for a special showing at OCE on Monday, November 19, at 2 p.m. in the Campbell hall auditorium.

The films to be shown are: "Your Future," "What It's All About," "Work and Citizenship." The films are well done and every student is not getting acquainted with their advisors.

The schedule for this afternoon is as follows:

- 1:45-1:50 p.m. Special showing of the films in CH auditorium
- 1:50-2:00 p.m. 4th and 5th period classes
- 2:00-2:15 p.m. 6th period classes
- 2:15-2:30 p.m. 7th period classes
- 2:30-2:45 p.m. 8th period classes

OCE Council Members Attend Leaders Meet

Four of OCE's student body officers attended the recent Oregon Student Federation of College Leaders Conference, held at the University of Oregon, on November 19-20. The conference was sponsored by the University of Oregon, Oregon State University, and the Oregon Student Federation. It was attended by Betty Anderson, first vice-president; Ray Snider, secretary; and Eugene Blair, financial secretary.

A Naval Representative To Visit Dec. 4

A Naval representative will be on the campus December 4 to talk about the Naval Aviation Cadet training program to interested students. All graduates of OCE over the past two years are invited to attend the presentation, which will include a demonstration tour of an aircraft. The group will be met at 2:30 p.m. by Capt. Frank Johnson, professor of political science, and Dr. Harry Buchanan, professor of political science and history, and will be on hand to answer any questions that may be raised. The conference was sponsored by the Oregon Student Federation, and was attended by Betty Anderson, first vice-president; Ray Snider, secretary; and Eugene Blair, financial secretary.

Finding New Teachers Is Great Responsibility

Finding new teachers to answer the growing need is the production of additional secondary school teachers for Oregon. Educators, Dr. Roben J. Maaske, Oregon's director of teacher education, declares.

Dr. Maaske, president of OCE, reflects that the college's efforts are designed to meet this need. "In the past, the college's efforts have been concentrated on the production of elementary school teachers. But now, as the school systems grow, there is an increasing demand for secondary school teachers," Dr. Maaske says.

Will we find new teachers to answer the growing need? Will our efforts be successful? It is the responsibility of the college to find new teachers and train them.

In a recent issue of the Florida Education Association Journal, Dr. Maaske writes that the Florida Department of Education is to be congratulated on their success in training new teachers. The Department of Education has produced a series of sound films called "Are You Ready for Service?" The films are well done and every student is not getting acquainted with their advisors.

It is the responsibility of the college to find new teachers and train them.

113 Pints of Blood Donated to Red Cross

The Red Cross mobile blood bank visited Monmouth and vicinity on Thursday, November 19. The unit was set up in the OCE physical education building from 2 to 6 p.m. A total of 113 pints was withdrawn from the college and the townspeople. The college and the townspeople showed appreciation to all those who donated blood.

Try-Outs for Christmas Play To Be Held Soon

A Try-Line for St. Lucy’s will be held on the third floor of the college building. The Try-Line will be held on November 25 from 6 to 8 p.m. P-TA members are invited to try out for the Try-Line for St. Lucy’s.
Get Your Grove Now Before It's Too Late

The school annual, the Grove, so far is lacking purchasers. At this time of year students do not realize an annual is coming so when they come out they are of greater importance and mean still more to S.T.S. when it is in the past. The shipping and binding of the Grove must be contracted. The contract is for a certain number of books. Graphic Arts must be assured of that number of purchasers. It is not possible to print outside the contract at the present time. The greater amount of the books must be sold before they are shipped.

A Grove can be purchased during the next few days at the Lemml Perkins, Joan Porcis, Gloria Leapel or Mabel McRae.

Marines Offer Course To College Graduates

College graduates, who can meet the minimum age requirements, may now make application for the marine training course leading to a 2nd lieutenant's commission in the marine corps reserve, stated Col. Robert Brown, head of the 13th Marine Corps Reserve District.

The Marine Corps candidate course consists of an intensive 10-week training period at Quantico, Virginia. The program consisted of the course of the man, who ranks as a second lieutenant in the reserve.

Col. Walch said that during the intensive period the candidates will be given instruction in transportation, quarters, meals, uniforms and medical personnel. Each man will receive 43 meals a week, a weekly allowance, and a monthly check of $1 for an 8 by 10 inch photograph.

Office procurement headquarters in the Northwest is located at the U.S. Marine Corps district headquarters recruiting station, Room 209 in the new U.S. court house, SW Broadway and Main, Portland. Application forms may be obtained there or by writing directly to the Commanding Officer, U.S. Marine Corps, Washington, D.C.

Exchange Papers Here

Newspapers from various colleges and high schools throughout Oregon have been received and are on display now at the OCE office. We cordially invited to take advantage of this in the future. The OCE staff is here to help you in getting the papers.

Grove Price Not Available For Student Rate

Copies of some Grove pictures will be available for purchase by the students. Most of those sold will have been sold before the sale of the Grove. All pictures will not be used in the Grove. Due to the hurried nature of the work writing about the campus, students and faculty put a collar on them and return them. Below are the prices:

Upper Grade Education Glass Visits Beaverton

Thirty-one members of the intermediate and senior departments of Oregon College of Education visited the C. E. Mason and Merle Daviss home on Thursday, November 1. This was the first opportunity many of them had to observe the modern housing situation, and what was seen proved to be very enlightening.

On the menu for this all-day observation was to observe methods and materials in actual use, and to compare them with those used at the Monmouth elementary school. The class members saw application of the unit work used at the campus school, and also learned of some of the administrative changes under- covered in school affiliation.

Students Advised To Submit SSCQT Forms

Applications for the December 13, 1951, and the following academic years are now available at the cooperative education office. Applicants of the College Qualification Test are now available at Seattle, Bellingham, and Everett throughout the country. Eligible students are advised to take this test on or before the 13th of December for consideration. Application forms will be found in the office of the administrative assistant. Afterward we will return to our school, and also learned of some of the administrative changes which have been made.

European Tour Story Completed

By Charles A. Nearey

In an earlier issue the story of the OCE European study tour ceased with the visit to Luxembourg where the group was entertained by Mrs. Perle Moreau. Later a visit was made to the American cemetery at Hamm, where General Patton and 5000 other soldiers were buried. This story continues:

With Zurich, Switzerland, as our headquarters, we were a party of bus excursions from there to see farms, factories, historic spots and scenery. The day was spent walking around and, as we arrived, we were met by our arrival by nine hours, we were expected to disembark at the old country. In order to get the train which was going to our arrival, we were obliged to disembark at Queen Victoria, and we were able to make our connections. The return to our headquarters, an American cemetery, Bismarck, Bute, and Spekane, to Portland on the Northern Pacific.

The tour, we all agreed, was a rich experience in both education and entertainment and, in general, in understanding the people and the culture in human relations. In one of our meetings, we realized that there was such as daily. To determine the kind of work they were doing, and the kind of work we were doing, we were able to make our connections. The return to our headquarters, an American cemetery, Bismarck, Bute, and Spekane, to Portland on the Northern Pacific.

House News

Todd Hall News
Mary Lou Sherwood, the general chairman of the house decor, has plans well under way. The committee chairmen working with her are: Ruth Troyer, receptions; Ann Danielson, invitations; Elsie de Vries, publicity; Kathy Miller, music; Helen Stevens, chairman; and Nell Hinzman, refreshments. The date of the dance is Tuesday, November 26.

The meeting on Thursday, November 21, was held in the quiet room in the OCE Library after a panel discussion on the topic: “Are We Too Busy to Live?” led by Mr. V. W. Huff, Miss Millsap, and Miss Donaldson.

The next IVCF meeting will be on Monday, November 26.

Panel Discussion Held
Sunday, November 11, two motion pictures were shown at the Wesley meeting in Maple Hall. They were, “How Honest Are You?” and “The world’s Food Supply.” Roxina Yoder then presented to the group several books donated by various Methodists churches for the use of the Wesley members. These books will be in the quiet room in the OCE library. After the meeting an open house was held at the home of Mr. and Mrs. Roy E. Lenzalani. Dr. J. F. Banee, the scheduled speaker for the evening, was unable to be there but it is hoped to have him come and speak at some later date.

Sunday, November 18, there was a panel discussion on the topic: “Are We Too Busy to Live?” led by Miss Huff, Miss Miller, and Miss Donaldson.

The new meeting place for the Wesley group is Maple Hall. All future meetings will be held there.

Seven Girls Compete At Marylhurst Nov. 15
Several girls from OCE competed in the Swimming-Tennis-Tennis meet at Marylhurst on Thursday, Nov. 15. Those competing in the swimming events were Betty Williams, Nancy Hildreth and Joyce Bartell. Those who entered the table tennis competition were Doris Lohoke, Oma, Blankmank, Ruth Ingle and Nancy L. Clark.

Before the meet, the Marylhurst girls served refreshments to the participating girls.

The curtain has rung down on another OCE football season. One which stretched longer than it was supposed to, a season which was frustrating and at times exhilarating.

The Wolves fought from behind in the final minutes of the last contest to knot the score at 6-6. The treatment was the final result. The titans discussed.

The final game of the season was last Tuesday when the Wolves took on the visiting College of Idaho. The score was 20-14 in favor of the visitors. The Wolves were hampered by the fact that they were the last college squad to go against Oregon to commence fall workouts, but time gave way to effort, and the Wolves did win.

The first game demonstrated that the Wolves' squad was capable of taking on the best in the West. In each subsequent game verified the fact that a championship team was making its mark at OCE.

The Wolfpack attack was treated to one of the season's finest moments when Lindfield's homecoming crowd was on their feet. The Wolves were able to cope with the forces of the Northwest conference. A Homecoming game was under way the Wolves saw a trio of touchdowns and a field goal. The Shrine teams emerged victorious.

The only thing resembling a skirmish was the final contest between the Wolves and the Shriner's. The Shriner's, one of the top small football minded folks intent on seeing their team triumph clearly illustrated that the Shriner's football team is one of the best in the nation. The Shriner's, one of the top small football minded folks intent on seeing their team triumph clearly illustrated that the Shriner's football team is one of the best in the nation. It was a grueling battle for the local crew. In addition to fire and extended coverage we can insure portable cameras, sporting equipment, silverware, fur coats, and items such as typewriters, musical instruments, radios, jewelry, and furniture. And you can be sure we will do so at reasonable rates.

OCE eleven was one of the top small football squads in the state. They were able to cope with the forces of McCall and the Shriner's to shreds. Men of the OCE line in opening gaping holes to please my standards. The Red Raiders found their attack was hampered by a sprained ankle for the second consecutive year. The Shriner's were able to impose their will on the Shriner's, and I will abide by these rules in both spirit and letter.
