Sportsmanship, General Courtesy Are Stressed in Pep Talk by Dr. Livingston

(A talk given before the OCE pep club assembly Friday, December 7, by Coach Bob Livingston.)

Many students and especially some mem-
bers were unable to attend the rally on
Friday. It felt that the college administration
was deliberate in their decision of
not allowing students to participate in
this type of pep rally. Of course, we are
upset by this decision and our
tation is the first of the kind that we have
faced in our college administration.

The reason for this decision is not
known to us. We are not sure if it is due
to a lack of funds or to some other reason.
However, we are determined to
continue with our efforts to build
up the college's reputation.

Dr. Shirmer to Speak
Dr. Elizabeth Shirmer, obstetrics
and gynecology professor, will lecture on the
disease of syphilis on Wednesday, December 12, at 5 p.m. in room 312 of the Administration
building. All women students are
invited to attend. Roll will be taken for
freshman women.

I helped put five men through college today.
The Christmas Spirit is beginning to come to the girls in the dorm. A tree has been erected and the outside of the dorm has been decorated with a fir bough wreath and Christmas lights around the door.

**December 12th:** There is a full evening planned for the girls living in the dormitory. The annual formal Christmas dinner will be held, and later in the evening, at 5 o’clock, all the girls are going caroling around the city. Following the carolling, there will be a ‘ooroo’ with entertainments and refreshments being planned.

For the last two Thursday evenings, Miss Kempston has had open house in her apartment for all of the dorm girls. This provides an additional opportunity for her to become acquainted with the girls.

Last week Mary Ann Monda and Mary Ann Hudson celebrated birthdays.

It was reported that the center虽说 the use of the Homecoming photo was taken before the dance was over and that it had items of clothing on it that had been borrowed property. Individuals who had borrowed the clothing stated that if the name of the house had been returned, the offenders have agreed to be compensated for their losses.
