Portland Orchestra To Appear

When the Portland Symphony orchestra conducted by G. Selmer Corvalis for the third successive season, it will give a free concert this January. James Sullivan will direct an unusually interesting program of symphonies.

The first half of the program offers three highly acclaimed works from the Repertoire of the early Viennese romantic composers. Sample has chosen the Mozarteumann Ouvertüre, Beethoven's 7th Symphony, and Mozart's Piano Concerto No. 21. The second half of the program will be devoted entirely to the well-known Fourth Symphony in E flat major by Beethoven. The Portland Symphony orchestra is an organization consisting of 35 musicians, and 15 students who, during the 1951-52 season will offer 13 regular concerts and two special concerts featuring John P隹eck and Marian Anderson, respectively, and a Choral symphony. The Portland Symphony orchestra is maintained by the Portland Symphony Association, Inc.

(Continued on Page Two)

Health Nurse Appointed

The appointment of Miss Anita Elsie Fischer as the college health nurse and selling director of the student health service, has been announced with the winter term was announced recently by Dr. Robert J. Maaske, president of Oregon College of Education. Miss Fischer was married this fall and is a former student of the Portland Hospital School of Nursing.

OCE Graduates Three

Three OCE students completed requirements for graduation from the freshman course at the end of the fall term at Oregon College of Education, Monmouth. Mr. and Mrs. Eugene Thomas Ware of Reedsport announce the marriage of their daughter, Mary Margaret, who received the degree of Bachelor of Science in Education. Miss Wilma P. Fruit of Roseburg will be awarded a diploma for completion of the three-year course in teacher education.

Wolves Schedule Exhibition Fray

Basketball fans of the surrounding area will be treated to some top-flight basketball games on January 15, when the Kanas City Stars invade the Oregon College of Education Wolves in an exhibition contest. The Kanas City crew is a "farm club" of the famed Harlem Globetrotters. Organized a decade ago, the Kanas Stars have blossomed into a standard aggregation with attractions of its own. Among the featured members of the squad is a 33 year old lad who plays his basketball without benefits of his left arm. This case is the result of a World War service, and his left arm was amputated following a car accident in his youth. He handles the ball with keen, competitive spirit and spectacular marksmanship.

The Portland kids have a lot of tricks, so don't plan their attack, but their foremost aim is to win—and this hand-picked crew does not fail to the job. The contest is of the exhibition variety; therefore no student body passes will be honored.

Wedding Bells Ring During Holiday Season

Wedding bells sounded over the holidays for at least four couples from OCE according to information received by the Lamron.

Christine Bramble, a junior here from Portland, was married December 29 to Irvin Black on December 28 as the Rev. William W. Reason and Deaconess Dorothy W. Reason performed the ceremony.

Mr. and Mrs. Eugene Thomas Ware of Reedsport announce the marriage of their daughter, Mary Margaret, who received the degree of Bachelor of Science in Education in December, holds a teaching position in Salem.

Dr. William DeClar, a member of the Smithfield staff, and Ray Snide, an OCE student, were married during the holidays also.

Rip Van Winkle To Be Presented Jan 10

The Virginia City Players and their production of "Rip Van Winkle," will be presented in the Campbell hall auditorium on Monday, January 10. The players are professional actors, who are returning to tour to tourist to Virginia City and the staging in general. The actors come from New York and New England and as close by as Montana and Oregon. In addition to the Virginia City production, a concert of original music will be conducted a summer drama school for the Montana State college. Each student who is willing to tour is given a part in the production and is trained from working with the competent staff at the Old Stone Barn Play.

The play, "Rip Van Winkle," is probably the most well-known and popular of all American plays. It played for over 30 years, both in this country and abroad, with Mr. Joseph Jefferson in the title role. This version of Washington Irving's classic comedy, is entirely new and as close as possible to the original. It is a one act play in three acts and is a difficult role which only a fine actor could handle.

Rip Van Winkle To Be Presented Jan 10

The Virginia City Players and their production of "Rip Van Winkle," will be presented in the Campbell hall auditorium on Monday, January 10. The players are professional actors, who are returning to tour to tourist to Virginia City and the staging in general. The actors come from New York and New England and as close by as Montana and Oregon. In addition to the Virginia City production, a concert of original music will be conducted a summer drama school for the Montana State college. Each student who is willing to tour is given a part in the production and is trained from working with the competent staff at the Old Stone Barn Play.

The play, "Rip Van Winkle," is probably the most well-known and popular of all American plays. It played for over 30 years, both in this country and abroad, with Mr. Joseph Jefferson in the title role. This version of Washington Irving's classic comedy, is entirely new and as close as possible to the original. It is a one act play in three acts and is a difficult role which only a fine actor could handle.

Dramatic purposes, the story differs somewhat from Irving's. In the Virginia City play, Rip returns from a long sleep to find himself in a town that is larger and more prosperous than he remembers. He is anxious to gain knowledge of the world, and Virginia City is the place to gain it. He plays for over 30 years, both in this country and abroad, with Mr. Joseph Jefferson in the title role. This version of Washington Irving's classic comedy, is entirely new and as close as possible to the original. It is a one act play in three acts and is a difficult role which only a fine actor could handle.

The second act takes place the evening of the same day, Rip tries to sneak into his house through an open window, but his wife snatches the keys. Through dumb show they get into the storm. Here he meets up with a drunken man, Mrs. Wimber, Boid Buie by name, who who is not as dumb as he seems. It is here that Rip’s wife, Boid Buie is saved. By drinking, he gets over his temporarily deranged state. The villagers, the winds, and over 60 countries of the world, both or whom attended OCE last fall.

The Oregon College of Education was cited recently for "outstanding contributions to the improvement of educational opportunities," by the United States Office of Education, 2 West 40th St., New York City. The college is a member of the National "Educators Association," a group of 130 American colleges and universities who are contributing to the support of the 32 year old fund of "Educators Association," a group of 130 American colleges and universities who are contributing to the support of the 32 year old fund of "educational funds."

According to Mr. Holland, there was a steady flow of students studying in American colleges and universities across this country. "In this time of world crisis," he said, "the setting of bringing citizens of different nations into personal relationships if carefully planned and skillfully executed, can be a concrete step toward world peace. Oregon College of Education, by welcoming students from other lands, has contributed immeasurably to this international movement. We are proud to be able to do the Oregon College of Education for its leadership in international education.

The Institute of International Education is a private U.S. organization, administering foreign exchange programs between the United States and over 50 countries of the world, to provide the opportunity for the exchange of brilliant students.

Wedding Announced

EDITORIAL

A NEW TERM — A NEW OPPORTUNITY

With New Year's resolutions tucked neatly away in the files, another term presents an opportunity to start the grind again. The staff of the Lamon is happy to welcome the old students back, and to the new arrivals. It is hoped that you will spend your time profitably, and that you will enjoy this winter term.

EDITORIAL POLICY TO BE REVISED

A few changes will be made in the Lamon this term. The opinion has been expressed that the paper could stand some improvement, and the members of the staff will be working toward this end. Criticism is welcome, and if you have suggestions as to how the paper might be improved, the members of the staff will be happy to hear them.

There is to be a revision in the editorial policy of the paper also. In the past, it seems that the editorials have been too vague and specific enough to suit many readers. An effort will be made to remedy this situation in the future.

The reader will, we hope, remember that the editorials are the expression of student opinion, and letters to the editor are most welcome. Letters to the editor will not be printed unless they are signed by the student who pens the epistle with his own genuine signature. All letters to the editor will become the property of the Lamon. The Lamon will not print letters signed with initials only.

We hope that this term will see a better paper and a more satisfied reader.

Wesley Holds First Meeting of New Year

The Wesley Club held its first meeting of the new year on Monday, January 7th, and the office was opened at 3:30 p.m. The meeting was held in the old office of the Student Union, and a number of new members were elected. The meeting was called to order by President E. W. Benbow, who welcomed the new members and introduced the officers for the coming year.

The meeting adjourned at 4:30 p.m., and the officers were elected as follows:

President: E. W. Benbow
Vice President: J. H. Sullivan
Secretary: H. E. Farley
Treasurer: H. J. Sullivan

Enrollment Figures

The enrollment for the first month of the winter term was 675, which is a decrease of 26 students from the fall term. The total enrollment for the winter term was 625, which is 26 students less than the fall term.

**Arnold Arms News**

Here is another year and another term of school at OCE. The men of the campus have again gathered at Arnold Arms. Of them making the dorm their living quarters while at college...

* ... We have lost some old stand-bys and have gained some new patrons. Joe Delia, Gene Blair and Norman George found dorm life too expensive and now have their abodes off-campus. Keith Jensen and his room mate have both left us, Keith is now living off-campus and Bill Redburns has joined the navy. 

* ... Among the newcomers are Henry Pless, Jim Anderson, Lawrence Miller, Laverne Topper and Joe Williamson. The Arnold Arms register reveals the following tenancies: Keith.

**Services Added to IMC**

Two new services designed especially to strengthen the use of audio-visual materials in the elementary school classes have recently been made available by the Institutional Materials Center.

Installation was completed recently on the magnetic tape radio tuner, which coupled to tape recording equipment, will make possible the tape recording for later playback of any educational radio program produced in this area. Installation was done by Eric Swenson, of the Monmouth Herald staff, and Henry C. Harch, the center's director. The radio tuner is housed in a handsome oak-veneered cabinet made by Mr. McManaman, maintenance carpenter.

In addition, the Center has announced that it will obtain any tape in the "Tapes for Teaching" library, established recently at KMAC, for use on campus at no cost to the requester, except postage.

**Todd Hall News**

Members of Todd Hall are happy to welcome residents of West house to the dormitory. West house has reopened the dormitory because of a slight drop in the number of women students living on campus.

Many newcomers have also been added to the ranks of those making their home in the dorm. These include: Betty Baker, freshman from Oregon City; Beverly Butts, transfer from University of Oregon; Roberta Johnson, senior, from Crook County; George, transfer from Oregon State; Carol Lane, freshman from Monmouth; J. C. Linn, freshman from Jefferson; Jean Bollier, returning student, from Siletz; Mildred Overton, freshman from Trout Lake; Carolene Ting, transfer from Oregon State; Joyce Wilson, graduate of the University of Oregon; Barbara Nourse, and Charlotte Smith.

It was more than just Santa who appeared at Todd Hall January 7. Mrs. Ted Graham of Monmouth and her grandson, Leanne Louise; father, Mac Graham, and grandfather, Mr. Ted Graham, were proud to greet their daughter, Leanne Louise, home from Oregon State University.

**JACQUELINE L. GRAHAM**

* Mrs. Jacqueline L. Graham, wife of Jack D. Graham, Molalla high school teacher, died Thursday in Portland hospital after a short illness. The funeral was Sunday in the Everhart chapel in Molalla, with graveside services in the Green Mountain cemetery at Bull Run.

* Mrs. Graham was born in Lovell, Wyoming, December 18, 1930, and moved to Portland in 1941. She attended OCE and was married July 1, 1950, to Mr. Graham, and had lived in Molalla about four months.

Survivors include the widower, a daughter, Leanne Louise; father, William Stiebert, Portland; and her grandparents, Mr. and Mrs. D. W. Graham of Monmouth.

Mr. and Mrs. Byron Hindsman became the parents of a baby girl, Sherry Lynn, on December 28. The baby weighed seven pounds, nine ounces and a half hour old at birth.

Hindsman, who is teaching in Newberg, was graduated from OCE last August, while Marilyn, his wife, worked in the registrar's office.

Wolverpack Tops Raiders Twice

The Oregon College of Education Wolves made it a two-over one win over the SOCE Coyotes, defeating Southern Oregon 52-32 in a spingtime overtime contest on the Monmouth floor Monday night. The Wolves victory matched a 54-55 win scored by the Wolverpack the previous evening.

Leroy Coleman, playing his last ball game for OCE, arched through a field goal and added a gift shot to the tally, putting the Wolves ahead as the game ended. The Raiders' Bob Hammer had laid up the ball gage at the end of the regulation playing time at 48:31, and Keith Johnson produced an overtime lead, calculated to lose the contest. Coleman's free throw, matched with a pair of artes from Pete Hagen and Roger Daugh, was sufficient to prove the point.

The first quarter started slow Saturday night, and the teams were destined for a tie (14-14) close of the period. OCE spurted to a 27-25 lead at halftime and was ahead 48-35 at the third quarter. Times started rolling at this point, as OCE tried to stall out their lead. Several times in the second half, the Wolverpack, the Raiders, and Hammer's two-pointer completed the SOCE drive.

Coleman led the Lobo scoring efforts with 13 counters, while Keith Johnson was high for the contest with 35.
