WOLF KNIGHTS TOP PRESENTATION AT FEB. BALL

On Wednesday of last week the beautiful trophy to be awarded to the Wolf Knights' Sweetheart of 1949 was placed on display in the college library. This award will be presented at the Sweetheart Ball, one of the gala events of the year, to the girl in the OCE student body whom the Wolf Knights consider to be the most worthy possessor of the following attributes: service, character, personality, attractiveness, and amiability. Selection of the Sweetheart will be made at the next meeting of the club, on January 27, according to Mrs. Dessa Hofstetter, head of the Library, who advises that the voting will not be made public until the evening of the ball, Saturday, February 12, in the OCE gymnasium.

This artful 16½-inch award is made possible through the generous contribution of Mr. Wally Jackson of Jackson Jewelers, 221 North Liberty street in Salem. Mr. Jackson said that the Wolf Knights participate in making this award each year in order that the Sweetheart might be able to keep the award as her permanent possession, with her name being inscribed annually on a plaque to be kept by the Wolf Knights.

The Sweetheart Ball is given annually by the Colleto Coeds and Wolf Knights. The000 tickets are being sold for the event, and student leaders are busily engaged in making preparations for the formal ball, in which time they will choose the man from the student body whom they think best qualifies for the honor of being their Sweetheart. It was not until last year that the Wolf Knights decided to select their first Sweetheart, Miss Beth Barker in 1948. Since then, a Sweetheart has been selected each year, with the following attributes: service, character, personality, and attractiveness. Other Sweethearts were: "Red" Keene, 1943; Arch DeYoung, 1942; Carl "Mac" McMahon, our junior, 1941; Hal Lobbeck, 1947; and Marvin Hise- bert, 1948. No Sweetheart was chosen in 1949 because there were no men on the campus. Wolf Knights' first Sweetheart was Beth Barker in 1948.

The Colleto Sweetheart Ball is one of the highlights of winter term. It is, of course, a formal dance, and many of the students still on the campus, was the first Sweetheart. Other Sweethearts were: "Red" Keene, 1943; Arch DeYoung, 1941; Carl McMahon, our junior, 1941; Hal Lobbeck, 1947; and Marvin His- bert, 1948. No Sweetheart was chosen in 1949 because there were no men on the campus. Wolf Knight's first Sweetheart was Beth Barker in 1948.

The Colleto Sweetheart Ball is one of the highlights of winter term. It is, of course, a formu ballet, but is attended by many students as the year that will be continued as yet and so cannot be announced at this time. For further information on the Ball and the "Sweethearts", visit the library, the snack bar, and the snack bar in the classroom buildings.

Valentine's Day is drawing near and is February 12, the night of College's Sweetheart Ball. Last year the Wolf Knights' Sweetheart, Miss Beth Barker in 1948, was presented with a beautiful trophy to whom they also awarded a $25 award. The Sweetheart Ball was started by Colleto in 1941. Al Neet, who is a member of the student body still on the campus, was the first Sweetheart. Other Sweethearts were: "Red" Keene, 1943; Arch DeYoung, 1942; Carl "Mac" McMahon, our junior, 1941; Hal Lobbeck, 1947; and Marvin His- bert, 1948. No Sweetheart was chosen in 1949 because there were no men on the campus. Wolf Knight's first Sweetheart was Beth Barker in 1948.

MODERATE CARE WILL PAY DIVIDENDS

In the course of a conversation a Maple Hall Disc Jockey Ray Williams, who is also official custodian of the student union, told us about the increasing litter on the floor of Maple Hall which must be cleaned up each night. Empty lunch sacks, papers, pop bottles, coffee cups, and cigarette butts do not add to the atmosphere of our hall.

We imagine that if it were not for Ray’s efforts, the debris would mount up and up until entry thru the door would be impossible. Far be it from our editorial policy to carp on unnecessary things, for we feel that our student union is appreciated by all students who have known it was to lack girls.

But we strongly feel that a little more caution in disposal of refuse is very much in order. There are, for convenience, five spacious wastebaskets in Maple Hall, to say nothing of the drapes.

We urge that a moderate amount of care will pay dividends in making Maple Hall an institution of which we can continue to be proud.

Alpha Psi Omega

Kappa Mu Chapter of Alpha Psi Omega, national dramatic, harmonical, and social fraternity, held a pledging ceremony preparatory to initiation of new members, Jack Cowan, Don Phinney, and Don Patman into the fraternity on January 11.

Alpha Psi Omega is based upon a point system. Points are derived from acting, production activity, and other phases in college dramatics on the campus.

Mr. George Harding, faculty advisor, and cast director, officiated at the ceremony, assisted by Lorna Jager, cast business manager, and John Glitch, cast stage manager. The formal initiation was held Thursday, January 26.

Alpha Psi Omega has no direct connection with Crimson "O."
Presenting:

Shorack New OCE Publicity Man

By Bill Floyd

The residence of the school's president, Dr. Henry M. Quin, proved to be quite an interesting place Thursday evening when the recruitment-promotion committee had their first meeting of the school year. After a very enjoyable buffet dinner the group read, "Dare to Dream," then set out to find the residence. Dr. Quin's house is located at 1000 Mill Street, in the quiet residential area of Fairmont. The house was built by the city, and the residence stands for a quality a girl must possess to be considered for membership. The house is spacious, comfortable, and well decorated.

The committee is composed of several representatives from each of the schools in the college. Their duties are to meet with the chamber of commerce, to publicize all athletic events through local and out-of-town papers, and to promote college athletics

OUT WEST

Horace Greely said "Go West, Young Man" and 15 male members of the OCE student body have turned in their applications and are now registered at West House. Maine. To be eligible for the fraternity with the OCE athletic council. His duties are to meet with the chamber of commerce, to publicize all athletic events through local and out-of-town papers, and to promote college athletics.

Kappa Pi

Kappa Pi, national art fraternity, will be held at an informal fireside to be given at the home of Mrs. Pearl Heath at 8 p.m. on Tuesday, January 31.

The purpose of the gathering will be to acquaint students eligible for the fraternity with the present members.

Kappa Pi hopes to increase its membership with students who will work for the promotion and betterment of art in the schools.

Arnold Arms

The Arnold Arms' trophy received a much-needed boost last week from a $20 prize for the best outside house decoration for last fall's Homecoming. The decoration consisted of a figure of a woman labeled SOCE, who was smilling one of the peaks on her head and a sign which said: "I smell de-feet!"

The Knights bowed to defeat before the mighty onslaught of the Brain Trust team last Monday evening. Nevertheless, we all looking forward to our game with West House.

A look in on the Arnold Arms' living room will find half the house busy on the new Jigsaw which Merlin Marsh brought from home. The old puny puzzle had been in the house for months and, after being put together any number of times by everyone in the house, was becoming boring for everybody.

Old Gilbert is missing from Arnold Arms this week. He came down with a fever on Monday evening and was rushed to the infirmary. We miss Gil's ever-patient persistence around the house and hope for its quick recovery.

Friday, January 14, Mr. Nison went to Lebanon as a faculty member of a workshop on visual aids. He gave a demonstration for junior and senior high school teachers, using 20 junior high school students, on the teaching of the solar system to show how this could be integrated with other subjects. Mr. Nison also talked to a group of elementary teachers on the use of objects, specimens and models as helps in teaching.

Arnold Arms was honored by a visit from President Gunn on Saturday morning, January 15. Those of us who were here for the week-end certainly enjoyed the opportunity to talk with Dr. Gunn.

Visitors, also during the past week were Mrs. Brown, mother of Glenn Brown, and Don Anderson from Oregon State. Don, a friend and former room mate of Ted Wiles, was a guest for dinner and also attended our house meeting the same evening.

March of Dimes

(Continued from Page One)

March of Dimes has brought home to everyone the need for funds with which to combat this child-cripper. That little children may walk again, give all you can to the March of Dimes.
