Mort. 8:30 p.m. Alumni and student body dance, in physical education building. The OCE Alumni Historical Museum in room 203 of Campbell hall will be open to visitors Saturday.

Pete Rapid Climber on Executive Ladder During College Career at OCE

“From West House to the White House” was last year’s campaign slogan used by Pete Rapid Climber and from all indications OCE’s student body president is climbing the ladder really.

His first official capacity on the campus was vice-president of the student body last year students in 1946. The following year he served as treasurer and his last official capacity on the stu­dent council was as being chosen as a delegate to the Pacific Northwest College Congress which was held at Reed college. This year he climbed one step higher by being elected president of the Oregon Federation of Collegiate Leaders, sitting that he is a leader of leaders. Besides serving in two executive capacities “Pete” can usually be seen attending the meetings of both Vanesty C and Wolf Knights.

He claims Oregon as his native state and Astoria his homeplace. He lived in Springfield one year, attending grammar school a Wendorf, graduated from Mal­hahawk high school, and worked a while in Eugene. This year he will be served in the Smith Inn as a Sergeant in the U.S. marine corps. When asked about OCE, Pete said that he liked the teacher-student contact and the friendly spirit. “It needs to be helped in building,” he stated, “and it’s up to the students to put the school (Continued on Page Two)

Educators To Spend Busy Week-End Here

To Advise Teachers

Dr. LOUIS KAPLAN

Dr. Louis Kaplan, instructor of teacher training at OCE, who will speak during the Educational Conference. He is a native of Indiana, and has had a wide experience of teaching in Indiana, Columbia, and Rutgers. On the campus this week-end.

Honorary Plans Active Week

Members of Theta Delta Phi, the student body, at the annual Educational Conference to be held on the OCE campus this week-end will again be an elected member from the senior class, and a faculty ad­visor. After the by-laws had been dis­cussed, and the officers elected, the convention adjourned Monday at 2 p.m. and met Tuesday evening at 7:30. The following officers were elected: President, Miss Emma Henkle; Vice-President, Miss Sylvia Claggett; Secretary, Dr. Paul R. Mort; Treasurer, Miss Emma Henkle.

Puppeteers Entertain

Miss Sylvia Claggett’s puppetry team, “The Puppeteers,” will perform before the students with the puppet show, “Grandma.” The show will be presented in room 113 of Campbell hall, Thursday evening at 7:30. The puppeteers will also have a booth in the Student Union building on Friday afternoon.

Summer Practice Teaching Limited

Students who are planning to enroll in supervised teaching in the summer session should apply for an assignment without delay. They are urged to write to the Office of the Director of Student Practice, OCE, for information on the availability of positions.

A WORD OF WELCOME

To all our guests at the 1945 annual spring conference of OCE we, students and faculty, extend a cordial welcome.

These are momentous times in our profession. New ideas and new techniques must be learned and taught in international life. UNO and UNESCO are fraught with great meaning for us in education. Population growth, increased costs in education, need for additional school houses and larger school buildings, teacher shortages in the elementary school, make our problems more difficult. And our national and domestic problems of mobility of pop­ulation and the tensions of the times add to the complexity of the situation.

But we have an abiding faith in free and universal education. It is our great hope for a chance to solve our problems in the world of peace. We be­lieve that meetings like the gathering here at OCE can give us better understanding of problems we face, and some proposals for effective solutions of our problems.

We take pride of the leadership at the Con­ference. We are proud of the arrangements made by faculty and students for the meeting. We hope that the Conference is of value to students and faculty. We hope that OCE is as friendly and hospitable to you as we would like it to be.

Once again welcome, may these momentous times make this a memorable meeting.

H. M. Gunn, President OCE

OCE GREETES CONFERENCE VISITORS
For more than two decades now the Spring Educational Conference at Monmouth has been a notable annual event. The Conference has never failed to bring together goodly numbers of our school men and women from a wide area. Not only do our school folk welcome the occasion as a great opportunity to present the work of our educators, but they also meet old friends and acquaintances, making new ones, and, in general, exchanging greetings with others of their own occupation.

This year, in the face of wartime seriousness, the Monmouth Center of Education cordially welcomes you to its campus, and while you discuss the prevailing teacher shortage, remember that teachers' colleges are the sources of the nation's supply of teachers. Teachers cannot be remedied unless our teachers' colleges have a much larger attendance than at present.

It will speak optimistically of our own vocations and encourage young persons to devote themselves to that form of social service which the teacher renders.

Welcome, Alumni! May the old campus make your feet glad. Welcome strangers! The same to you. Teaching is a great profession!

Personally, as friends and co-workers, the faculty and student body of the Oregon College of Education greet you too.

Audience Acclaims Chamber Music
Highlighted by the singing of Barbara Kelly, contralto, and the violin of Florence Schuch, the Buffalo Band, the Linfield chamber music concert provided much enjoyment. Concerts on Sunday and Monday night in the Campbell hall auditorium were programs included selections by J. S. Bach, W. A. Mozart, J. Brahms, and A. Dvorak.
Collecto Coeds

Tuesday night after a short business meeting, Collecto Coeds went around to pick up their six new pledges. The first stop was in the house, where the girls surprised Pat Douglas and Gretchen Handtmann. Then the club took a long walk down to Millers apartment where they found Mary Lou Posse very busy stooping. The girls then turned to Ann Akeron's and Bernice Edson's apartment where they quickly awaited the arrival of the other girls who had a date with Ann and Bernice. Soon there was a knock at the door and there were Joyce Martin, Lafona Houk, and Edna Mae Cooper. The pledges informal initiation began all night with entertaining at Coder's serenading the men's dorms and serving salad to the Collecto members.

Three of the happy girls are residents of Monmouth, Lafona and Edna Mae have done everything together since grade school days. Lafona was interested in volleyball in Monmouth high and is active in WAA now. Both girls are active in the music room of Todd Hall, where the initiation was held last week, there should be all kinds of news to write on. However, after looking around to see just what he happened over the two weeks, I find that there is absolutely nothing of very much interest at all. Someone just yelled in to me that West House won its first softball game over Arnold Arms 14 to 8. They also said that all 14 runs were scored in the last inning. Wow! From all around, I have been said about the dinner dance which was held last Friday, it was a real success.

We understand that there is an idea to have the girls in the new pledges, Rosemarie Floyd of Klamath Agency, and Betty Dooley of Butte. After a short meeting the members went after the pledges and presented them with ribbons and corsages. In the music room of Todd hall, where the initiations was held, the girls were presented with their Staff and Key and Key. Those books list the rules and duties for the week.

After the initiation the group went to Coder's for coke. There the pledges sang. They also directed traffic and serenaded the dormitories. The boys welcomed them with pails of water.

Print and Order day will be held on the OCE campus on Friday, April 23. During the day the girls must wear print dresses and the boys cords. At 8 pm the annual Print and Order dance will be held in the rec hall, sponsored by Staff and Key. 80 girls, save our print, dress to amaze the boys.

The Real Thing

by Bruce E. Hamilton

The Linfield Wildcats invaded the OCE diamond in a blaze of glory last Wednesday afternoon, running off with a 6 to 1 nonconference victory. The Knoxxmen’s initial contest of the year and they seemed to be quite rusty at both the hitting and fielding positions. Rain dominated most of the day’s time, qualitatively the field was fairly wet. The first and second innings went along scoreless with both W. Bruce Hamilton of the Wolves and Fleming of the Leverman pair working in the wet field.

Linfield came to the plate in the top of the fourth with a 2 to 1 edge over OCE, which they collected in the first frame. In the fifth, Bendeater started the fire with a sharp double to left field. Hiebert reaches out and pounded a slugging grounder toward third, reaching first on Hartley’s error. Hartley then tagged a low fly of Bendeater’s, on which Petersdorf scored, making the score 3 to 0. The OCE pitchers were having a fairly good ground ball and turned it into a nippy double play, retiring the side.

When the Knoxxmen came to the plate, they went down one, two, three, still unable to pound the pill.

In the fifth inning the Wildcat hurler from McMinnville scored one more run on a hit by Thomas, a leadoff single, which was scored on this route, bringing the count to 4 for 9. Hiebert batted again after Hiebert both walked in our half of the inning, and only two runs crossed the plate because we were unable to drive them home. Hiebert was tagged out going to second on a sacrifice bunt, believing to be two and three. This along with a prevent ground out extended the hitters of the Wildcats came up with another tally in the sixth, making it 5 to 0 while the Wolves were still trying to score. They earned another run in the seventh when Petersdorf was forced out by an overthrow of Hiebert’s which allowed Walker to scamper home and score another tally. He was able to throw in some new runners in the following inning. Miracle starting the mound chores for the Wolves, he belied two and three. This along with a prevent ground out extended the hitters of the Wildcats came up with another tally in the sixth, making it 5 to 0 while the Wolves were still trying to score. They earned another run in the seventh when Petersdorf walked, then Hiebert slammed a long fly of Bendeater’s, on which Petersdorf scored, making the score 3 to 0. The OCE pitchers were having a fairly good ground ball and turned it into a nippy double play, retiring the side.

Linfield scored one more run in the eighth frame and our boys finished the game in the same fashion they started the game in the second inning, receiving the win.

Seven errors for OCE seemed to be an excessive amount for our boys, but we didn’t have the makings of a championship in the seventh inning tally.

Scott received credit for the win and Leverman was charged with the defeat. West House collected 16 runs off nine hits, 13 walks and two extra base hits.

Linfield Grabs Diamond Win

by Bruce E. Hamilton

Linfield, the Wolves, were unable to punch out a conference win. This was the hit off two Wildcat hurlers until the seventh when Marv Hiebert left fielder, slammed a ground single to right field. Claude Buckley, right fielder, blasted a stinging grounder toward third, making the score 3 to 0, the OCE pitchers were having a fairly good ground ball and turned it into a nippy double play, retiring the side.

In the fifth inning the Wildcat hurler from McMinnville scored one more run on a hit by Thomas, a leadoff single, which was scored on this route, bringing the count to 4 for 9. Hiebert batted again after Hiebert both walked in our half of the inning, and only two runs crossed the plate because we were unable to drive them home. Hiebert was tagged out going to second on a sacrifice bunt, believing to be two and three. This along with a prevent ground out extended the hitters of the Wildcats came up with another tally in the sixth, making it 5 to 0 while the Wolves were still trying to score. They earned another run in the seventh when Petersdorf walked, then Hiebert slammed a long fly of Bendeater’s, on which Petersdorf scored, making the score 3 to 0. The OCE pitchers were having a fairly good ground ball and turned it into a nippy double play, retiring the side.

Linfield scored one more run in the eighth frame and our boys finished the game in the same fashion they started the game in the second inning, receiving the win.

Seven errors for OCE seemed to be an excessive amount for our boys, but we didn’t have the makings of a championship in the seventh inning tally.

Two will get you a hit, three will make it a double, four a triple and five will...
