Religious Week To Be During First of May

Religious Emphasis Week will be held on Wednesday, Thursday, and Friday, May 3 through May 5. Each day a separate topic will be presented in chapel. The topic will be "Philosophy." Thursday, May 3, the topic will be "The Church's Participation in Religious Emphasis," Friday, May 4, will discuss "The Concept of Opportunity for Spiritual Work in Education."
The Lamron staff wishes to take this opportunity to welcome all high school seniors to Senior Day at OCE. We hope that you will enjoy the week-end here. The activities carried on this week should give you a picture of the life and purpose of this school. As potential members of the teaching profession, we should like to impress upon you the importance of the demand for teachers and the benefits which are afforded in this field.

We believe for teachers have been on the increase, and they are now well above the "average" yearly income. The increased demand for teachers is one of the primary advantages of the elementary teaching field over other fields of endeavor. Fifty per cent of the students graduating should find trouble in securing a teaching job at salaries ranging from $2500 to $3500 yearly or more. Besides a good income, teaching affords a feeling of satisfaction that comes with service, both to the community and to the nation. The teacher usually holds a place of high respect in the community.

The high demand for teaching personnel, economic and social satisfaction, and future security — all are in store for the person considering teaching. The time to act is now, while the door of opportunity still lies open.

**Film Schedule**

The first films in the series of preview prints made available to the Audio-Visual Center of the World Films have arrived and will be available for preview until Wednesday, April 16. The titles are: "Elimination" and "Springs." Other films that will be in the A-V center soon are:

Arnold Arms Loses To Five Sicks and LEN

Member night on the OCE softball field the Five Sicks, managed by Don Klipp, downed the Arnold Arms nine in the opening game of the intramural season by a score of 5 to 1. Both teams were limited to five hits each but the Five Sicks bunched their hits in the fast three innings which, augmented by three walks counted for the five runs. Losing pitcher, Jack McCrae, whiffed five batters while Marvin Turner, winning pitcher, struck out six.

Errors cost the Arnold Arms boys their second game in two nights as they were dethroned by the Tall Tigers 13-1. Playing with only eight men, the A.A. gang was held to a few scattered hits while the Tall Tigers jumped on Jack McCrae for seven hits and plenty of errors to put up the game on ice. Art Sperber was the winning pitcher. Lyle "Seed" Hay blasted out a four run homer in the fourth inning.

Tall Tigers Tie Vets’ Village Team

The Tall Tigers played Vets’ Village in a 5-5 deadlock which was called in the sixth inning on account of darkness. The game will be played off at a later date if a win or loss means anything in either league standings for either team.

The Tall Tigers played Vets’ Village in the second baseball game of a four-game home stand. Other games scheduled for the local field in the near future include an April 19 contest with Linfield and a return match with Willamette on April 19.

This extended home stay should give Coach Kix’s men a chance to join some of the titans evident in their 5-1 loss to Willamette last week. An extensive intramural season has greatly improved the defensive ability of the squad, and the daily batting practice has produced a potentially strong array of hickory-wielders for today’s contest.

Track Man Complete

Second Bill Murchie’s track squad has competed in two meets so far this season. Gene Harp, a broad jump and 440 man, is leading the team at present with 5 points scored in the Linfield meet, and 4 points in the Willamette relay to give him a total of 13 points.

Other men who have collected points are: Les DeHart, 8; Jim Riggs, 6; Wally Kent, 5; Keith Lapp, 4; Herbert Deaver, 3; John Anderson, 2; and Bert Kleiner, 1 point.

Chuck Missfeldt, a star athlete from the University of Oregon, highlighted the afternoon with a mighty javelin toss of 225 feet, 11 inches. Missfeldt’s have exceeded the Pacific Coast Conference north- ern division record of 223 feet, six inches, set by Royal Brown of Oregon in 1946.

University of Oregon won 12 of the events to walk off with the league division honors, while Albany and Willamette shared honors in the high schools by winning five events each. Oregon College of Education placed 10th in the open division medley.

Norm Berreman, 8; John Anderson, 6-4, 6-4; Lapp, OCE, defeated Miles, 6-4, 6-4; Les DeHart, 6-4, 6-4; Jim Riggs, 6-4, 6-4; Vince McGinley, 2; Keith Hendrick, 2; and Norm Berreman, 1 point.
