Moles, AAIII in Intramural Tie

The Moles and Arnold Armo III are still knotted in a tie for first place in intramural play at the end of the first week of action with four wins each and no losses. The Moles rolled over Vet's Village to the tune of 48-18 and AA III just managed to sneak by Rickrell Tech when also by the score of 18-15, in which Harry and Bullock led with 10 each, led 8-6 at half and eight for the Pitz. Russell's 15 points for AA III was high, and Crawford scored eight for Rickrell.

The Chumps won 41-14 from a pickup team. They were scheduled to meet AA II but the latter couldn't make it, and decided to forfeit rather than postpone the contest. Rawtke kept his scoring lead by potting 12 against West House in a hard-fought game. Vet's Village won cut 35-35. Although never ahead, the West House team kept the game interesting. Winters was high for the losers with 11.

GAMES THIS WEEK

Faculty News

Miss Katharine Arboithet and Mrs. W. G. Denney presented a skit which entertained the members of the Associated Women Students with a summary of the important stories, a contest of the best stories, and a dramatic performance of the latest news.

Vanport Thwarts Wolves 85-54

A gang of hot-shooting Vanport college basketballers ran wild over the Wolves 85-54 in Portland last Tuesday. The winners, bolstered by the addition of Loveless and flowers who transferred from the University of Oregon junior varsity, had complete command of the situation, and led 44-28 at the half.

Sliper, skip-scraping Vanport center, rattled the backboard for 21 points. He and his team controlled the rebounds at both ends of the floor. Tony Loveless, 6'4 all-slayer from Eugene high's state champions, pushed in 18 points.

OCE Skims Over Reed 54-52

OCE skimmed over Reed college 54-52 on the loser's floor Friday night in a very close basketball contest that saw the Wolves come from behind in the last 30 seconds to win by a two-point margin. The box score of this game was not obtained at the time this issue went to press.

AWS To Plan Council

Associated Women Students is making final plans for an improvement council. This group will be composed of six outstanding girls on the campus and the AWS council. If any girl has a problem, or would like to improve in any way, she can contact the council for advice in this area. Each suggestion will be given the utmost care and helpfulness.

BASKETBALL IS IT ROUGH?

By the masses and grousing ones heard when the teams are climbing J. T.'s stairs, one would think basketball is a rough game. Aluma Erickson broke her ankle, Carmen Wethinghouse sprained her wrist, and Betty Simpson broke her longest fingernail.

Aside from all the injuries, basketball is coming along fine and the girls are really improving. Thinking they were climbing this last section, third floor challenged sec-ond floor and found how bad they both were. With promises of some games coming up, the girls' booming more serious and the three points are being brought out.

Assembly Features Film

Last week's assembly consisted of a group of films which included a summary of the important news events of 1946, human-interest stories, some war footage, and several songs. The new pledges of Collecto Men's presented a skit which advertised the Sweetheart Ball.
Crimson O Plans
One-Act Plays

Crimson O's mid-monthly meeting was held February 6 with congratulations given to all hands by Mr. Harding for their wonderful cooperation in the presentation of "The Royal Pim-Pam-Pom." A committee was appointed by Vice-President Wendell Walden to meet with Mr. Harding to discuss changes in the club's constitution which need to be made because of the change from an independent club to a part of the student organization. Walden, Dock Coburn and Beth Barker are on this committee.

A committee was appointed to make plans for a Crimson O party in the near future. Jean Blan-gis and Betty Hampson are to be in charge.

It was also agreed to let Mr. Harding and his student directors choose future plays in place of the play committee.

Mr. Harding announced plans for starting practice on three one-act plays which will be given in the near future. These plays are to be presented in neighboring high schools to advertise OCE. It was felt that a few members did not get a chance to be in the club this last term. They will be dropped from the club if they do not take an active part this term as we must have complete cooperation on all plays such as "The Royal Family."
